January 2023 - Issue 28

## WHAT IS HAPPENING IN THE VILLAGE?

### ➔ Tree Pick Up

Monday, January 30th will be the last trash day to have real Christmas trees picked up by Michiana Recycling & Disposal.

Due to recent weather conditions the Stone Lake Ice Fishing Bowl has been tentatively postponed until February 4th. For the safety of all participants the event will only be held if there is six inches of ice on Stone Lake.

### ➔ Holiday Closure

The Cassopolis Municipal Complex will be closed on Monday, February 20th in observance of President's Day.

## MSHDA NEP

Another round of Neighborhood Enhancement projects have been completed! The Neighborhood Enhancement Program (NEP), funded by the Michigan State Housing Development Authority (MSHDA), provided funds to improve three homes in the village and contributed to the new skatepark at Clisbee Park. Home improvement projects included a new roof, new porches, new siding and gutters.

Additionally, the village has been awarded \$75,000 for the next round! Half of the funding will be used for a public amenity and half will be used to continue improving homes in our neighborhoods. Applications for homeowners will be available in the spring.
