

Dear Valued Customer,

As part of our recent acquisition of Michiana Recycling and Disposal Services, LRS is proud to introduce a new curbside recycling service for the Village of Cassopolis. Residents will now have a separate 95-gallon cart for recycling materials, which will diminish contamination and improve sustainability efforts. These new carts will be delivered the week of March 13, 2023. **Beginning the week of March 27, 2023, please use your new recycling cart and discontinue use of the yellow bags.**
