

Solid Waste Customer Service: 229-616-7405

We are located on the first floor of the County Annex building in room 168. Please come by and set up your county residential garbage service, pay your monthly bill or participate in our recycling program. Residential service is \$20.00 per month for one cart and \$5.00 for each additional cart. Residential service is required for any occupied home located in Colquitt County. If you choose to participate in our recycling program the fee is \$30.00 for six months or \$60.00 for one year. You may visit the facility located at 245 23rd street as many times as you want after receiving your card. You must show your card at the entrance to the recycling facility. Recycling material must be delivered to our facility located at 245 23rd street N.E. for disposal.

Recycling: 229-616-7405

We accept paper, plastic, cardboard and metal at our 23rd street location. If you choose to participate in this program please come by our office at the County Annex in room 168. The fee to use this facility is \$30.00 for six months or \$60.00 for one year. Hours of operation are Monday, Wednesday, Friday, and Saturday from 10:00am – 2:00pm.

Collection: 229-616-7405

Colquitt County operates two rear loader and two automated side loader garbage trucks to collect around 10,000 carts per week. **On collection day please place your cart no more than 6 – 8 feet from the roadway so that our automated trucks can reach out and securely pick up your cart and empty it.**

Landfill: 229-616- 7475

Colquitt County operates a transfer station located on Shade Murphy Road. Our solid waste is shipped out to a Lowndes County landfill for disposal. Our team transfers six to eight semi tractor trailer loads of garbage to Lowndes County each day.

We also manage an inert landfill located at our Shade Murphy Site. This is for tree and limb material disposal.

We provide a free cardboard collection program to any business that may need collections each week. We will provide a cardboard collection bin at your business free of charge and set up a collection schedule.

Our landfill also accepts metal at no charge to the customer.

Charge account applications are offered at the landfill or the customer service office located at the Annex in room 168.

Effective January 1, 2024 – A minimum charge of \$ 5.00 will be charged for any material that crosses the scale. The only exceptions is cardboard and metal which will be accepted free of charge.

\$ 60.00 per ton – transfer station

\$ 12.00 per ton – inert landfill
