Payment to the Contractor will be determined by actual miles mowed by the contractor. The mileage mowed by County forces shall be deducted.
 - c. If the quality of work is not satisfactory and is deemed by the Public Works Director that the contractor does not have the ability to correct the quality of work, the contractor will be informed in writing of the termination of the contract. O. MEASUREMENT

1. SAFETY AREA - These areas should consist of areas at intersections and curves that need to be mowed to insure sight clearance, but not if private property may be damaged.
2. RIGHT-OF-WAY MOWING - Right-of-way mowing completed and accepted will be measured in miles. The price per mile of right-of-way shall be regardless of the right-of-way width. Right-of-way may be what has been recognized by the County, deeded to the County, and/or currently maintained by the County.

P. COUNTY PUBLIC WORKS ASSISTANCE
