

## ICC Code Change

**EFFECTIVE JANUARY 1, 2023-Any permit applications made after December 31, 2022 will have to be designed to the 2021 ICC Codes.**

If you currently have an approved but unissued permit in our office that was submitted on the online portal prior to October 1, 2022, it will be voided and new updated plans and permits will be required to move forward. If you have any questions concerning this, please contact the office at 843-488-9888.
