REQUEST FOR PROPOSAL

I-1 PURPOSE The Request for Bid for asbestos abatement and demolition of a +/-10,000 sq. ft. building near the corner of Horry and Rhue Streets.

I-2 Procurement This RFP is issued for the City of Conway, South Carolina. The Procurement Department is the sole point of contact for this RFP.

I-3 TYPE OF CONTRACT A contract shall be awarded to the most qualified firm at compensation deemed reasonable to the City of Conway, utilizing standard contract form. Should it be impossible to negotiate a satisfactory contract, negotiations shall be formally terminated. It is the City's intention that the most qualified bidder, based on both bid amount and bidders qualifications, be selected for this project.

I-4 FIRM RESPONSIBILITIES The selected firm shall be required to assume responsibility for all services offered under this proposal. Furthermore, the City shall consider the selected firm to be the sole point of contact for contractual matters, including payment of any and all charges resulting from the contract.

I-5 EVALUATION FACTORS The following criteria shall be used in format. The arrangement of the criteria is not meant to imply order of importance in the selection process.

- a. Specialized experience or technical expertise of the firm, qualifications of its professional personnel and all parties proposed for the project, and proposed approach in connection with the type of services to be provided and complexity of the project;
- b. Past record of related experience on similar projects/contracts with the City and other clients, including quality of work, timeliness, cost control, and financial stability;
- c. Capacity of firm to perform the work within time limitation, taking into consideration the recent current and projected workload of the firm. Bidder proposal shall include an estimated time frame for completion of the project.
- d. Familiarity of the firm with the type of problems applicable to the project.
- e. Cost

I-6 INCURRING COSTS The City shall not be liable for any cost incurred by firms prior to issuance of a contract.

I-7 ECONOMY OF PREPARATION Proposals should be prepared in a timely and economical manner, providing a straight forward, concise description of the firms' ability to meet the requirements of the RFP. Emphasis should be on completeness and clarity of content.

I-8 RESPONSE DATE To be considered, proposals must arrive at the Procurement Department on or before the date and time specified in the cover letter. Firms mailing proposals should allow normal mail delivery time to ensure timely receipt of their proposals. Telefacsimile submissions are not permissible.

I-9 ACCEPTANCE OF PROPOSAL CONTENT The contents of the proposal of the successful proposer may become part of the contractual obligations, if a contract ensues. Failure of a successful proposer to accept these obligations may result in cancellation of the award. All bids are to remain in effect for ninety (90) days from the date of bid opening.

I-10 GRIEVANCE Any actual or prospective bidder or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Procurement Department.. The protest shall be submitted in writing within fourteen -(14) days after such aggrieved person knows or should have known of the facts giving rise thereto provided that grievance has been made in accordance with bid proposal requirement. The Procurement Department will consult with the City Administrator to try and resolve the issue. If the protest is not resolved by mutual agreement, a decision will be issued in writing within 10 days after the last meeting to reach an agreement. If all attempts have failed to resolve the disagreement, the protester has the right to bring the issue to City Council.

I-11 TIE BIDS The Bids will be resolved in accordance with the City of Conway's purchasing regulations. If the city receives two or more bids that are identical in nature and amount, the contract shall be awarded to the local bidder (if applicable). If two or more of the tie bids are submitted by local bidders, the contract shall be awarded to one of the local bidders by drawing of lots in the public. If local bidders are not involved in the tie bids, the contract shall be awarded to one on the non-local tie bidders by drawing of lots in public.

I-12 LOCAL VENDOR PREFERENCE The City of Conway uses local vendor preference component in its purchasing process in order to promote business with local vendors. The entire local vendor preference ordinance can be viewed on the city's website at <u>www.cityofconway.com</u> or you may obtain a copy of the ordinance upon request from Amanda Hooper, City of Conway, PO Drawer 1075, Conway, SC 29528.

INSTRUCTIONS TO PROPOSERS

Sealed proposals shall be enclosed and secured in an envelope/package and properly marked and displayed on outside of envelope/package bearing the name, license number (if applicable) and address of proposer, proposal number and project identification. No other information shall be included or written on the outside of the proposal envelope/package. The City of Conway shall not be responsible for unidentified proposals. Proposals should be addressed to:

Amanda Hooper City of Conway PO Drawer 1075 Conway, South Carolina 29528

Physical Address: Amanda Hooper City of Conway 2940 Jerry Barnhill Blvd. Conway, South Carolina 29527

Hand delivered proposals should be delivered to the above physical address.

Proposals shall be submitted no later than <u>Tuesday</u>, <u>May 7</u>, <u>2024</u> @ <u>2:00PM</u> at the address stated above. **Only the names of the offerors and bid amounts will be announced**. Proposals received later than the 2:00 PM deadline will be considered "LATE PROPOSALS."

Examination of the Bid Document - Prior to submitting a proposal, each proposed shall carefully examine the RFP documents, study and thoroughly familiarize himself/herself with the specifications/requirements thereof and notify Owner of all conflicts, errors, or discrepancies.

The proposer shall sign his proposal correctly. All offers shall be entered in ink or typewritten. Proposals may be rejected if any omissions, alteration of form, additions not called for, or any irregularities of any kind are shown. The proposer's name and solicitation number shall be included when specifications or descriptive papers are submitted with their proposal.

By submission of a proposal, the proposer guarantees that all goods and services meet the requirements of the solicitation during the contract period.

Bond Security- Any bid that is in excess of \$25,000.00 will be required to supply a 5% bid bond with their bid. Any awarded contract in excess of \$50,000.00 a performance/payment bond will be required (per Conway City Ordinance).

Questions - Submit written questions to Amanda Hooper at: Fax # (843) 397-2883, e-mail ahooper@conwaysc.gov. Proper reference to this Request for Proposals is required. Deadline for questions is seven - (7) calendar days prior to the proposal receipt date.

All changes to RFP documents shall be in the form of an addendum and furnished to all proposers. Verbal information obtained otherwise will not be considered in the awarding of the proposal.

Deviations - Any deviations from the RFP requirements indicated herein must be submitted in writing and clearly noted and explained in detail on a separate form and attached to the submitted proposal, otherwise it will be considered that items offered are in strict compliance with these requirements and successful proposer shall be held responsible therefore.

City of Conway reserves the right to reject any or all proposals and further reserves the right to waive technicalities and formalities in proposals as well as to accept in whole or in part such proposal or proposals where it deems it advisable in protection of the best interest of the City. The City shall be the sole judge as to whether proposals submitted meet all requirements contained in this solicitation.

This solicitation does not commit the City of Conway to award a contract, to pay any costs incurred in the preparation of the proposal, or to procure or contract for goods or services listed herein.

Freedom of Information Statement

Procurement information shall be public record to the extent required by Chapter 3 of Title 30 (The Freedom of Information Act), South Carolina Code of Laws, 1976, with the exception that commercial or financial information obtained in response to a "Request for Proposals" which is privileged and confidential if so designated by the proposer shall not be disclosed. Such information must be clearly marked as "CONFIDENTIAL" by the offeror for each section of information so affected. Privileged and confidential information in specific detail nor customarily released to the general public, the release of which might cause harm to the competitive position of the party supplying the information. Examples of this type of information would include:

- 1) Customer lists:
- 2) Design recommendations and identification of prospective problem areas under a RFP;
- 3) Design concepts, including methods and procedures:
- 4) Biographical data on key employees of the bidder/proposal.

Liability Coverage- The successful proposer shall provide certificates of all required insurance(s), including worker's compensation, premises liability and general liability. Worker's compensation shall include a minimum limit of \$100,000 and comprehensive general liability coverage shall provide minimum limits of liability of \$1,000,000 per occurrence. Insurance shall indemnify the City of Conway against any and all claims arising under or as a result of the performance of the contract. The City of Conway shall be named as an additional insured on all liability policies. The City of Conway must be provided thirty (30) days notice prior to cancellation, modification or reduction in limits of any stipulated insurance.

Acceptance or Rejection of Bid

The City of Conway reserves the right to accept or reject any/or all bids when such rejection is in the best interest of the City of Conway to reject Proposal of Bidder who has not met the prerequisites on the bid proposal, who has previously failed to perform properly or complete on time contracts of a similar nature; and to reject proposal of bidder who is, in the opinion of the City of Conway, not in a position to perform the contract. The City of Conway also reserves the right to waive any information and technicalities in bidding. The City of Conway reserves the right to waive irregularities and to reject any and all bids.

Scope of Work

- 1. The contractor shall provide all equipment, materials, tools, and labor required for abatement and demolition work at the above-referenced site. All building materials, including the slab and adjoined sidewalks, shall be removed from the site and taken to a DHEC-approved landfill.
- 2. A chain link fence surrounding the building shall be removed and salvageable materials left on site for removal by the City, if possible.
- 3. A communications tower in the rear of the building shall be laid on its side intact and left on the property for preservation and removal by the City at a later date.
- 4. If asbestos abatement is completed prior to the demolition of the building, the contractor should take care to preserve and leave on site as many whole bricks from the building's exterior as possible.
- 5. The contractor will see that all materials removed from the site are legally placed in a landfill. Landfill receipts will be provided to the City of Conway prior to the final payment. The contractor relieves the City of Conway from any liability related to the removal of debris.
- 6. The contractor shall be responsible for acquiring all appropriate licenses and permits related to asbestos abatement and demolition. The contractor shall contract with a DHEC-licensed asbestos project designer for a project design prior to the City of Conway issuing a notice to proceed.
- 7. The City of Conway shall be responsible for all utility disconnections; however, the contractor shall ensure that any utilities on the property are properly marked and disconnected prior to beginning work.
- 8. If the contractor finds any in-ground liquids, sludges, tanks, or hazardous materials, the contractor will sub-contract with an appropriate professional or firm to appropriately dispose of such materials.
- 9. The Contractor shall perform all work in conformance with applicable local codes and DHEC requirements whether or not covered herein by the specifications for the work.
- 10. During the project, periodic inspections may be conducted by the City to ensure compliance with the requirements of the contract and specifications.
- 11. Contractor will be responsible for insuring proper asbestos monitoring during all abatement activities.

The City requires that each response to this request include two proposals as follows: First, a proposal to abate all ACMs from the building and then demolish the building. Second, a proposal to treat all materials as ACMs and demolish the building.
