We use an online program called Beanstack to track your summer reading. Don't feel comfortable doing that? That's OK! Just fill in this form, bring it to the Reference Desk, and we will log it into Beanstack for you.

Every 5 books you read this summer will earn you a raffle ticket to win one of our great prizes! You can earn a maximum of 5 raffle tickets. Stop by the Adult Reference Desk to get your raffle tickets for prizes.

The prize drawing will be held on Tuesday, September 3, and all winners will be notified via phone or email.
