The execution and delivery of this Agreement by Buyer does not, and will not, require the consent or approval of, or filing with, any court or governmental authority.

7.4 Binding Obligation. This Agreement and the other agreements contemplated hereby to which Buyer is or will be a party have been or will be duly and validly executed and delivered by Buyer and constitute the legal, valid, and binding obligations of Buyer, enforceable against Buyer in accordance with their terms, subject to any applicable bankruptcy, insolvency, or other Laws affecting creditors' rights generally.

8. ENVIRONMENTAL MATTERS. Subject to the provisions of Section 5.1, at any time prior to the Closing, Buyer may, at Buyer's sole cost and expense, undertake environmental tests, inspections, investigations and evaluations of the Property, including subsurface sampling and testing, as Buyer deems necessary or advisable. In the event that the inspections and evaluations identify the Property, or any real estate adjacent thereto or in the immediate vicinity thereof, as being or suspected of being environmentally contaminated, Buyer may, again, at Buyer's sole cost and expense, have such additional environmental tests, inspections, and evaluations undertaken as Buyer deems necessary or advisable in order to determine the type and magnitude of such contamination and the steps necessary to remediate the site. Buyer acknowledges and agrees that Buyer and Buyer's consultants (i) will abide by and obey all Laws concerning the environmental condition of the Property, including without limitation those imposing reporting requirements; and (ii) may, without Seller's prior approval, contact any person or entity that Buyer or Buyer's consultant believes may be responsible for any contamination of the Property. Any disclosures to any Governing Body or Third Parties shall only be made after providing notice to Seller of the necessity of such disclosures.

9. CONDITIONS TO CLOSING.

9.1 Review Period.

(a) Review Period. Buyer's obligation to consummate the transactions contemplated herein shall be contingent and specifically conditioned, until 5:00 p.m., Eastern Time on the ninetieth (90th) day following the Effective Date of this Agreement (the "Review Period"), upon Buyer, in Buyer's sole and absolute discretion, deciding to consummate such

transactions.

(b) Buyer's Right to Terminate During Review Period. Buyer shall have the right to terminate this Agreement in Buyer's sole and absolute discretion by delivering written notice of termination (the "Termination Notice") to Seller at any time prior to the expiration of the Review Period. If Buyer does not deliver the Termination Notice to Seller prior to the expiration of the Review Period, the Earnest Money shall become nonrefundable to Buyer except as expressly provided in Sections 9.4, 13(a), 14(a) and 15.3(a) hereof. If Buyer delivers the Termination Notice to Seller prior to the expiration of the Review Period, then upon delivery of such notice, (i) the Escrow Agent shall return the Earnest Money to Buyer and (ii) this Agreement shall terminate.

9.2 Buyer's Conditions. The obligations of Buyer to consummate the transactions contemplated by this Agreement at the Closing are expressly conditioned on and subject to the satisfaction (unless waived by Buyer in its sole discretion) of each of the following conditions ("Buyer's Closing Conditions"):

(a) Buyer has not terminated this Agreement pursuant to Section 9.1 of this Agreement;

(b) The delivery by Seller of all items identified in Section 10.1 of this Agreement;

(c) All of the representations and warranties of Seller set forth in this Agreement are true and correct in all material respects, both as of the Effective Date and as of the Closing Date, and that Seller has performed in all material respects each covenant of Seller set forth in this Agreement;

(d) The Title Company shall be willing and prepared to issue to Buyer an owner's policy of title insurance, together with endorsements requested by Buyer, insuring good and marketable fee simple title in and to the Property, subject only to Permitted Title Exceptions; and

(e) Buyer shall have obtained any Governmental Approvals required for Buyer's intended use of the Property (including Buyer's intended expansion thereof) which can reasonably be obtained prior to the Closing, including, without limitation, all required zoning approvals; provided, however, that if Buyer does not elect to terminate this Agreement prior to the expiration of the Review Period, Buyer shall be deemed to have waived the condition set forth in this Section 9.2.

9.3 Seller's Conditions. The obligations of Seller to consummate the transactions contemplated by this Agreement at the Closing are expressly conditioned on and subject to the satisfaction (unless waived by Seller in its sole discretion) of each of the following conditions ("Seller's Closing Conditions"):

(a) The delivery by Buyer of all items identified in Section 10.2 by this Agreement; and

(b) Buyer shall have performed each covenant of Buyer set forth in this Agreement to be performed prior to Closing, including approval of the Agreement by Seller's County Council.

9.4 Waiver of Conditions Precedent. The above conditions precedent may be waived only by the Party in whose favor they run, which waiver may be granted or withheld by such Party in its sole and absolute discretion. If any condition precedent under this Agreement has not been satisfied as of the Closing Date or waived by the Party in whose favor the condition precedent runs, such Party shall be entitled, in its sole and absolute discretion, to terminate this Agreement by giving the other Party and the Escrow Agent written notice to such effect, whereupon the Escrow Agent shall release the Earnest Money to (a) Seller, in the event of a failure of Seller's Closing Conditions and a corresponding termination by Seller pursuant to Section 9.3, or to (b) Buyer, in the event of a failure of Buyer's Closing Conditions and a corresponding termination by Buyer pursuant to Section 9.2. Upon a termination pursuant to the immediately preceding sentence, the Parties shall have no further rights or liabilities under this Agreement. Notwithstanding the aforesaid, in the event the Buyer's Closing Conditions or Seller's Closing Conditions are not waived or satisfied within 180 days after the Effective Date, either Party may terminate this Agreement with written notice to the other Party and Escrow Agent and the Agreement and Earnest Money disbursed pursuant to this section.

10. CLOSING DELIVERIES.

10.1 Seller's Deliveries. At the Closing, Seller shall deliver to Buyer each of the following:

(a) A Limited Warranty Deed in a form acceptable to Buyer, conveying to Buyer insurable fee simple title in and to the Property free and clear of any Liens and Encumbrances, other than the Permitted Title Exceptions, duly executed and acknowledged by Seller, and in recordable form (the "Limited Warranty Deed"), and if the legal description of the Property drawn from the Survey differs from the legal description contained in Seller's vesting deed, a Quitclaim Deed in a form acceptable to Buyer, duly executed and acknowledged by Seller, and in recordable form, quit-claiming to Buyer the Property using the legal description drawn from the Survey (the "Quitclaim Deed"), which Quitclaim Deed (if any) shall be in addition to the Limited Warranty Deed;

(b) An affidavit duly executed by Seller and addressed to the Title Company and Buyer (and in form subject to the reasonable approval of Seller, Title Company and Buyer), certifying that, as of the Closing Date, there are no Persons in possession of the Property (if true) or otherwise identifying those that remain in possession pursuant to Permitted Title Exceptions, there exist no unpaid bills or claims for labor or services performed or material furnished for alterations, repair work or new construction on or about the Property and no mechanic's or materialmen's liens thereon, and such other matters as Buyer or the Title Company may reasonably request and Seller agrees to provide;

(h) A South Carolina Nonresident Seller Withholding Affidavit (South Carolina Department of Revenue Form I-295), executed by Seller; and

(i) Any other document, affidavit, instrument, or agreement in such form and content as shall be reasonably acceptable to Seller that is reasonably requested by Buyer or the Title Company to consummate the transactions contemplated hereby or to insure Buyer's title to the Property.

10.2 Buyer's Deliveries. At the Closing, Buyer shall deliver to Seller each of the following:

(a) The Purchase Price, subject to all prorations and other adjustments as provided in Section 12 of this Agreement;

(b) A settlement statement prepared by the Title Company, executed by Buyer;

(c) A certificate executed by Buyer, in form and content subject to the reasonable approval of Seller, confirming that each of the representations and warranties made by Buyer set forth in Sections 7 of this Agreement are true and correct as of the Closing Date; and

(d) Any other document, affidavit, instrument, or agreement reasonably requested by Seller or the Title Company to consummate the transactions contemplated hereby or to insure Buyer's title to the Property.

11. CLOSING. The Closing shall take place as either an in-person or mail-away closing, whichever the Parties agree is most efficient. The Closing shall be coordinated by the closing attorneys, or by such other method as the Parties hereto may reasonably agree, within thirty (30) days following the expiration of the Review Period, subject to satisfaction or waiver of the conditions to Closing set forth in Section 9 of this Agreement, unless such date is changed in writing signed by Seller and Buyer. The date of the Closing is referred to herein as the "Closing Date."

12. ALLOCATION OF CLOSING COSTS AND EXPENSES.

12.1 Real Estate Taxes and Utility Charges.

(a) All state and local real estate taxes levied or imposed upon or in connection with the Property to be acquired in fee by Buyer shall be apportioned, on a calendar-year basis, between Seller and Buyer as of the Closing Date. To the extent that the amounts of any such pro-rations cannot be identified with reasonable certainty prior to the Closing Date, the pro-rations (and resulting refunds to Buyer or Seller, as the case may be) shall be made outside of escrow (following the Closing) as soon as reasonably practicable following Buyer's or Seller's (as applicable) receipt of each applicable tax bill, but in no event more than one (1) month following Buyer's or Seller's (as applicable) receipt thereof.

(b) All water, electric, telephone, fuel and other utility charges, if any, shall be apportioned between Seller and Buyer as of the Closing Date, based on the period for which such charges are assessed. All such charges that are pro-rated at Closing based on the last ascertainable bill will be adjusted outside of escrow (following the Closing) as soon as reasonably practicable following Buyer's or Seller's (as applicable) receipt of each applicable utility bill, but in no event more than one (1) month following Buyer's or Seller's (as applicable) receipt thereof.

(c) No "Rollback" taxes shall apply or be assessed to the Buyer as a part or condition of this Agreement or its Closing.

12.2 Transfer Taxes and Recording Fees. Seller shall pay all state, county and municipal realty transfer taxes assessed in connection with Buyer's acquisition of the Property and any recording fees assessed by the Office of the Register of Deeds of Darlington County, South Carolina, in connection with the recording of the Deed.

12.3 Survey and Title Insurance Expenses. Buyer shall pay any costs and expenses incurred in connection with any Survey. Seller shall pay any expenses incurred in connection with resolving any matter affecting title that is not a Permitted Title Exception or to otherwise deliver to Buyer insurable title (as such will be insured by the Title Company without any special endorsements) at the Closing in accordance with this Agreement. Buyer shall pay all other costs and premiums of any Commitment and/or title policy.

12.4 Other Expenses. Seller and Buyer shall prorate, as of the Closing Date, any other taxes, assessments, charges and fees that are customarily prorated upon a closing on property in Darlington County, South Carolina. Except as otherwise expressly provided in this Agreement, each Party shall bear and pay its own expenses and taxes incurred in connection with this Agreement and the transactions referred to herein. Except as expressly provided in this Agreement, Seller shall not obligate Buyer for any costs or expenses without Buyer's prior written consent.

13. CASUALTY. In the event that, prior to the Closing, any part of the Property is damaged or destroyed by a casualty event, Seller shall promptly notify Buyer thereof, and Buyer shall have the right, at its option, to:

(a) terminate this Agreement in its entirety by written notice to Seller if such casualty shall, in Buyer's sole discretion, materially hinder or render materially more expensive

Buyer's use of the Property, in which event the Escrow Agent shall return the Earnest Money to Buyer and this Agreement shall terminate and be of no further force and effect; or

(b) proceed with the purchase of the portion of the Property remaining following such casualty, in which event (i) Seller, at the Closing, in addition to its other obligations, shall pay to Buyer all insurance proceeds received by Seller, if any, as a result of such casualty prior to the Closing and assign to Buyer all such proceeds not yet received thereby, and (ii) Buyer shall pay the full Purchase Price (as the same may be adjusted pursuant to this Agreement).

14. **CONDEMNATION.** In the event that, prior to the Closing, any part of the Property is taken in condemnation proceedings or by exercise of any right of eminent domain or by agreement in lieu thereof, Seller shall promptly notify Buyer thereof, and Buyer shall have the right, at its option, to:

(a) terminate this Agreement in its entirety by written notice to Seller if such taking shall, in Buyer's sole discretion, materially hinder or render materially more expensive Buyer's use of the Property, in which event the Escrow Agent shall return the Earnest Money to Buyer and this Agreement shall terminate and be of no further force and effect; or

(b) proceed with the purchase of the portion of the Property remaining following such taking, in which event (i) Seller, at the Closing, in addition to its other obligations, shall pay to Buyer all condemnation awards received by Seller, if any, as a result of such taking prior to the Closing and assign to Buyer all such awards not yet received thereby, and (ii) Buyer shall pay the full Purchase Price (as the same may be adjusted pursuant to this Agreement).

15. **DEFAULT; REMEDIES.**

15.1 **Buyer's Failure to Close.** In the event that Buyer fails or refuses to close the purchase of the Property following the satisfaction of all conditions to Buyer's obligation to close, then Seller's sole remedy shall be to terminate this Agreement and retain the Earnest Money, which shall constitute Seller's liquidated damages. Seller and Buyer acknowledge and agree that it is impossible to estimate or determine the actual damages Seller would suffer because of Buyer's breach of this Agreement, but that the liquidated damages provided herein represent a reasonable estimate of such actual damages and Seller and Buyer therefore intend to provide for liquidated damages as herein provided, and that the agreed upon liquidated damages are not punitive or a penalty and are just, fair, and reasonable. Seller's right to receive the specified liquidated damages is in lieu of any other right or remedy, and Seller hereby waives all other rights and remedies, including, without limitation, any right to specific performance, injunctive relief, or other relief to cause Buyer to close the purchase of the Property under this Agreement, and any right to damages occasioned by Buyer's failure to close the purchase of the Property that are in excess of such liquidated damages. Upon any termination by Seller under this Section 15.1, neither Seller nor Buyer shall have any further rights or obligations hereunder or liability to the other.

15.2 **Other Default by Buyer.** In the event that Buyer is in breach of this Agreement

in any circumstance not described in Section 15.1 above, then Buyer shall have thirty (30) days (or, if Buyer reasonably requires additional time to cure such breach, then such thirty (30) day time period shall be extended for a reasonable period as agreed to by Buyer and Seller and that Buyer shall exercise commercially reasonable efforts to cure such breach) following its receipt of written notice from Seller to cure such breach. If Buyer fails to cure such breach within such time period, then Buyer shall be in default of this Agreement, and Seller shall have the right to terminate this Agreement by written notice to Buyer. Upon any termination by Seller under this Section 15.2, neither Seller nor Buyer shall have any further rights or obligations hereunder or liability to the other, except the Seller shall be entitled to receive from Buyer the liquidated damages set forth in Section 15.1.

15.3 Default by Seller. In the event that (1) Seller fails to close when required hereunder; or (2) Seller is in material breach of any other provision of this Agreement, and has failed to cure such breach within thirty (30) days of notice (or if Seller reasonably requires additional time to cure such breach, then within such reasonable period as agreed to by the Buyer and Seller and that Seller shall exercise reasonable efforts to cure such default), then Seller shall be in default under this Agreement (each, a "Seller Default"). In the event of a Seller Default under this Agreement, Buyer shall have the right to either:

(a) terminate this Agreement, in which event the Escrow Agent shall deliver the Earnest Money to Buyer, free of any claims by Seller or any other person with respect thereto, and Seller hereby agrees to reimburse Buyer for all documented direct, out-of-pocket costs and expenses paid by Buyer relating to the entering into of this Agreement, including costs of title examination, appraisal, surveys, and environmental and other property inspections, and reasonable attorneys' fees, such amount due to Buyer from Seller shall not exceed a total maximum recovery from Seller of Fifty Thousand Dollars (\$50,000.00), such amount being Buyer's liquidated damages; or

(b) pursue an action for (i) specific performance and/or (ii) direct and foreseeable damages arising from Seller's default (except as limited by Section 15.4) and in an amount up to and including Fifty Thousand Dollars (\$50,000.00), which amount may include reasonable attorneys' fees, other professional fees and costs of investigation.

15.4 Limitation on Damages: Prevailing Party Fees. Neither Party may seek incidental, consequential, indirect or punitive damages or loss of profit (including "loss of bargain" or "cost of cover") under any provision of this Agreement (notwithstanding Section 5.1 of this Agreement) from the other Party, and neither Party shall be liable to the other for any such damages, regardless of cause.

16. MUNICIPAL IMPROVEMENTS. Seller shall pay any municipal claim against the Property if the ordinance or resolution authorizing the work was adopted prior to the Closing Date. Buyer shall pay any municipal claim against the Property if the ordinance or resolution authorizing the work was adopted on or after the Closing Date. Buyer shall pay any municipal claim against the Property regardless of when the ordinance or resolution authorizing the work was adopted if such work is in any way made necessary by Buyer's contemplated use of the Property.

17. **NOTICES.** Any notice provided or permitted to be given under this Agreement must be in writing and shall be served (a) by depositing same in the United States mail, addressed to the Party to be notified, postage prepaid and registered or certified with return receipt requested; (b) by delivering the same in person to such Party; (c) by any recognized overnight courier service (such as Federal Express) which guarantees next day delivery and requires the receiver of such notice to acknowledge receipt in writing; or (d) by email communication with return receipt acknowledgment.
