

The Darlington County Council has approved Darlington County residents to participate in a CDBG-Mitigation buyout project. The CDBG-Mitigation Buyout Program is a voluntary program that is designed to reduce or eliminate long-term risk of loss of life, injury, damage to and loss of property and suffering and hardship by purchasing property located in floodplain, thus avoiding risk of future flooding, and providing a property owner the ability to relocate to a safer area.

The buyout program is intended to prevent repetitive loss and avoid extreme risk to human health and safety. Buyouts prevent homeowners from making repairs and investing funds in properties at risk of future flooding.

Darlington County residents who are interested in the buyout are asked to contact Terri Cribb by October 31, 2022.
