

October 24, 2023

Darlington County has been awarded a CDBG-Mitigation grant for voluntary housing buyouts through the SC Office of Resilience

Homeowners living in a **designated buyout area** can **voluntarily sell their homes** or property to the town and receive up to \$250,000, inclusive of incentives. The purpose of this program is to offer homeowners a solution to move out of a repeatedly flooded area.

Your home may be within a designated buyout area, and you could be eligible for this program.

This program is **100% voluntary**. This notification does not mean you are obligated in any way to sell your home. If you do choose to apply, you can opt out of the buyout program at any time before the real estate closing.

Questions? Contact the SC Office of Resilience Mitigation Department at **(803) 832-8004** or MIT_Buyout@scor.sc.gov, or visit our website at [scor.sc.gov/mitigation/buyouts](https://www.scor.sc.gov/mitigation/buyouts).
