This will be the third public hearing on the proposed millage rate for the City of Doraville for the tax year 2013. While we are proposing that the millage rate be adopted at the same rate of 9.0 mills as the tax year 2012, the addition of the annexed properties has caused an increase in the overall value of the digest. This in turn, causes the rollback rate to be less than 9 mills. Therefore, we are required to advertise a tax rate increase.

The DeKalb County Value Change Summary report shows that the original city parcels had growth of \$1,091,480 which was offset by a revaluation change of -\$1,354,328 for a net effect of decreasing the original digest by \$262,848. It also indicates that our digest increased by \$17,875,737 with the addition of the annexed properties. Had our digest been valued based on the original parcels, advertising a tax increase would not be necessary.

Recommended Action: Adopt the millage rate at 9 mills.

NOTICE OF PROPERTY TAX INCREASE

The City of Doraville has tentatively adopted a millage rate of 9.00 for the portion of the City annexed on December 31, 2012.

All concerned citizens are invited to the public hearing on this tax increase to be held at the Doraville City Hall located at 3725 Park Avenue, Doraville, GA 30340 on June 10, 2013 at 6:30pm.

Times and places of additional public hearings on this tax increase are at the Doraville City Hall on June 17, 2013 at 6:30pm and on June 20, 2013 at 6:30pm.

This tentative millage rate of 9.00 mills will result in an increase of .957 mills. Without this tentative tax increase, the millage rate will be no more than 8.043 mills. The proposed tax increase for a home with a fair market value of \$75,000 is approximately \$29 and the tax increase for a non-homestead property with a fair market value of \$500,000 is approximately \$191.

State of Georgia statutes do not specifically address the setting of the initial millage rate for a newly annexed area by a municipality but the City of Doraville is advertising a Notice of Property Tax Increase, with associated public hearing notification, in order to ensure full disclosure of its intent to levy property taxes in the area annexed December 31, 2012. The millage rate of 9.00 proposed for the annexed area is the same as that proposed for the rest of the City and is below the rollback millage rate and therefore would not constitute a tax increase for the rest of the City.
