Action Requested: May's "Business of the Month" is the Buford Highway Farmers Market. For twenty-five years, Buford Highway Farmers Market has been in the business of providing what you normally wouldn't find in a typical grocery store. As one of the City's biggest draws and revenue generators, BHFH has been a valued partner for more than twenty-five years. The store specializes in all types of Asian foods, especially Korean. In recent years, the business has grown and diversified our offerings to include foods from Mexico, Central and South American, the Caribbean, West Africa, Japan, China, Thailand, Vietnam, the Philippines, Eastern Europe and more. At no other store in metro Atlanta, will you find more ethnic food varieties under one roof.

Subject: 5921 New Peachtree Rd. Rental Building Proposal

Department: Administrative Department Head: Mayor

Background: For several years, the old Clincare building located at 5921 New Peachtree Road, a city-owned property, has sat vacant. In that time, only about a half dozen inquiries have been made; but, until recently, a serious offer to lease the space has not been offered. In April, Pastor Jung Bell of Victory International Church, a non-denominational Christian church, has rendered an offer of \$1,600 per month plus aesthetic improvements. Pastor Bell is requesting an audience with the Mayor and Council to gauge the City's interest in moving forward with the conditional use process and lease drafting. The church would use the building's largest room for sermons and devotionals, but its primary use would be a base for the organization's food outreach program. Pastor Bell and her team will be on-hand for questions.

Action Requested: Direction in proceeding with conditional use process and lease drafting.

Attachments: Victory Church's proposal

Respectfully,

S/ Luke Howe Assistant to the Mayor

Dear City of Doraville Council Members,

My name is Pastor Jung Bell of Victory International Church and I would first like to thank you for taking the time to read and consider this building rental proposal. For the purpose of this proposal I would like to begin with a brief introduction of "who we are" as a church. In 2002 I opened my church in Lawrenceville, GA under the denomination of the Church of God. I have been doing this ministry for eleven years now and have seen my church grow and change tremendously. During the past eleven years we have grown into a racially diverse congregation that has served individuals from all "walks of life." Many of our church members have, at one point in their lives, dealt with alcohol and sex addiction, substance abuse, mental illnesses such as schizophrenia, and family and relationship difficulties. However through their time in coming to our church services and individual counseling sessions with me, they have been delivered from these problems and dependences and are leading happier and more fulfilled lives, in and outside of the church. Additionally, God asked us seven years ago to begin the Food Outreach program but we did not fully understand its purpose. However during these last seven years we understand now that it has been for training purposes and to prepare us for moving to this new location so that we are better equipped for reaching out to those in need.

Two years ago God spoke to my heart to come and help the City of Doraville. Although there is a need in Lawrenceville I believe that there is a greater need in the Doraville/Chamblee area. During those two years and after prayer and deliberation we have finally decided to move to this area. For the last three months we have been scouring the Doraville and Chamblee area for the perfect relocation site. It is important to us that our new location has a great deal of foot traffic so that we may reach out to the many people that do not have cars. When we found this building we knew that is perfect for us and the purpose of our ministry. Through the ministry our goal is to help the spiritual needs of the people in this city. There are many people who have a desire and need for spiritual support but have difficulty finding it. We want to meet that need. Along with giving spiritual encouragement we want to be available to this community as well for those who are dealing with the same or similar issues as some of our own members have dealt with through prayer and counseling. It is our goal and mission to change the City of Doraville for the better through our outreach programs. It is not an easy task but I know from experience with working with drug and alcohol addicts that it takes several years for a person to reach a true "breakthrough." This is the heart of our ministry.

God has placed a special calling in my heart to reach out to people of the community. I have always felt led to help enrich the lives of the people spiritually and in other aspects of their lives. That is why in 2006 my church became affiliated with the Atlanta Community Food Bank

and has ever since been distributing food to our surrounding community. We are both USDA (Federal program) and SNAP (Georgia program) certified and always have two members from our church recertified every year. For the past seven years we have, on average, helped between 200-300 people through each distribution in our Food Outreach Program. Some of the types of food that have handed out have been assorted meats (800-1000lbs of chicken alone at each distribution), canned and frozen vegetables, breads, cereals, chesses, baby supplies (diapers, food, etc...), and various school supplies. We are open to the entire community and no one has ever been turned away. We would like to continue to bring this Food Outreach Program to your city. Another outreach program we are in the process of starting is a Backpack Outreach. We understand that many of the Doraville/Chamblee residents are financially stressed and we would love to help with that burden by providing school backpacks and various school supplies for their children. We have yet to start this program but it is in the process and we hope to have it available to the surrounding residents as soon as possible.

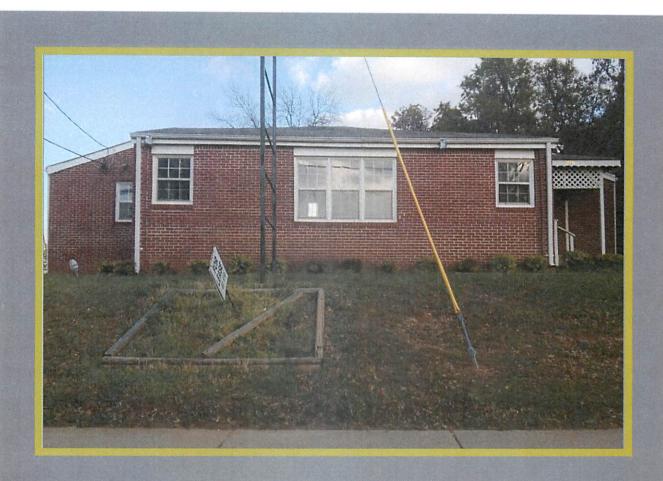

Above all, we know and believe that we are supposed to open up our ministry to these individuals and firmly believe that we can best do that by renting this building. By coming to this building we want to take care of it on the inside and the outside. It is our desire to bring new life to not only the people of this city but edifying the city itself through our work. We have no other agenda other than to serve the people and to help them in every way possible. With that in mind, now that we are in the process of moving we had to give up our previous church location and also ended up losing a few church members. All of the funding for our outreach programs are paid and provided for by the church and no other outside funding. However, we will do everything we can to work with you and will stretch our financial budget as much as possible. Subsequently, we are in the mindset that we are starting "fresh" and ask that you allow us to rent this property at the rate of \$1600/month. Again, we greatly appreciate all of your time and consideration for this proposal and look forward to the upcoming City Council meeting. May God bless you.

Sincerely,

Pastor Jung Bell

Building Goals and Requirements

Financial Proposal

Rent: \$1600 per month

Due to the nature of our Church and the method in which we operate on donations only and most of the money is used to purchase food and clothing to help individuals, we would like to occupy the building with a lease of \$1600 per month. We will however improve the building through repainting, landscaping and interior improvements which will in turn benefit the owner in the long run. We have a history at our old location of using a shopping center suite in the Shannon Oaks shopping center in Lawrenceville, GA in which Graffiti and transients occupying the lot were a problem. After clean up and work with the police, the area is not only clean and safe but also a thriving shopping center with all units leased (previously there was only two units leased...ours and one other.)

Please feel free to contact our previous landlord as a reference. Her name is Diana Powell and she can be reached at 770-361-2388.

Background: The creation of a downtown development authority has been a key goal that was initially identified in the 2005 Comprehensive Plan. For decades, downtown development authorities have been used in cities throughout the state as a mechanism to revitalize and redevelop municipal central business districts by planning and financing projects that promote trade, commerce, industry and employment. Established by the Georgia Downtown Development Authority Law in 1981 (O.C.G.A § 36-42-1), local governing bodies can create DDAs by adopting an enabling resolution. Their statutory purpose is to:

"develop and promote for the public good and general welfare trade, commerce, industry, and employment opportunities and promote the general welfare of this state by creating a climate favorable to the location of new industry, trade, and commerce and the development of existing industry, trade and commerce within the municipal corporations of this state. Revitalization and redevelopment of central business districts by financing projects under this chapter will develop and promote for the public good and general welfare trade, commerce, industry, and employment opportunities and will promote the general welfare of this state."

DDAs have the power to conduct a number of economic development activities, including property acquisition and disposition, applying for federal and state grants, engage in long-range planning and other activities that would augment the City's efforts. In looking ahead, a DDA will play a critical role in redeveloping the GM plant and downtown area.

How are DDAs created and activated? (O.C.G.A. § 36-42-5)

Downtown development authorities have been created by the General Assembly in every city in the state of Georgia. However, downtown development authorities cannot transact any business or exercise any powers until

the local governing body adopts a resolution, which must be filed with the Secretary of State and the Department of Community Affairs. The resolution must declare the need for the authority, specify the boundaries of the downtown development area that constitutes the central business district and appoint the initial directors.

How are directors appointed? (O.C.G.A. § 36-42-4) What are the qualifications? (O.C.G.A. § 36-42-7) The governing board may appoint up to nine directors but no less than seven. Two must be appointed for a two-year term, two for a term of four years and three for a term of six years. One member of the governing body may also serve as a director. Except for the director who is also a board or council member, the DDA directors are appointed to six-year terms after the initial terms expires.

Directors must be:

- (1) Taxpayers residing in the City
- (2) Owners or operators of businesses located within the downtown development area and who shall be taxpayers residing in the county
- (3) Any combination of (1) and (2)
- (4) One Council member may serve
- (5) One director may reside outside of the County provided that he/ she owns a business within the downtown area and is a resident of the State of Georgia.

The board of directors must elect their own officer which include a: chairman, vice chairman, treasurer, secretary or a secretary-treasurer.

What are the training requirements for DDA board members? (O.C.G.A. § 36-42-7)

With the exception of a member who also serves on the city council, all DDA board members must take at least eight hours of training on downtown development and redevelopment programs within the first 12 months of their appointment to the DDA.

What powers does a DDA have? (O.C.G.A. § 36-42-8)

As with other types of authorities in Georgia, downtown development authorities may accept grants and apply for loans. They can also own, acquire and improve property, and they are empowered to enter into contracts and intergovernmental agreements. DDAs also have the authority to issue revenue bonds.

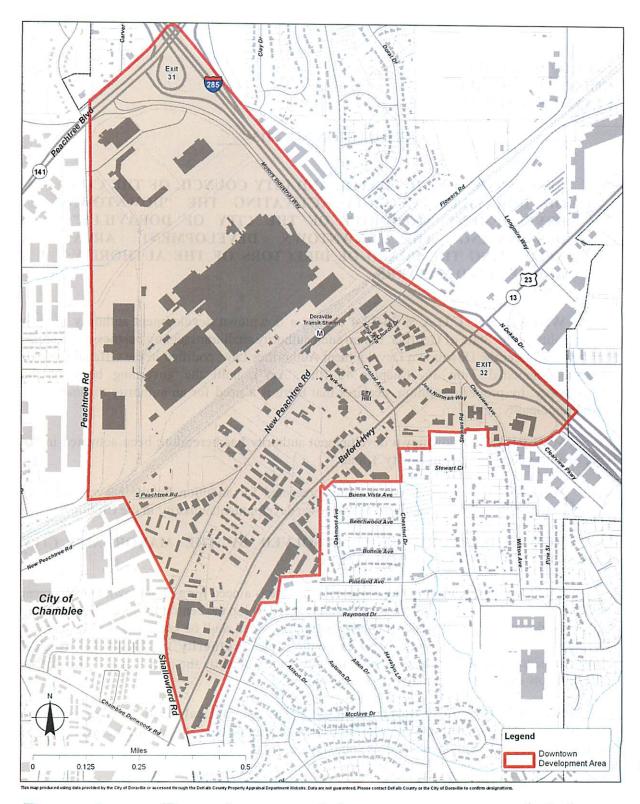

Action Requested: Adopt enabling resolution

DAN MCRAE

Dan McRae is a partner in the Atlanta office of <u>Seyfarth Shaw LLP</u>, a national law firm (this website is personal to Dan, however, not the law firm). Dan leads the Finance Team that handles the financing of private and public projects. Dan has handled finance and investment transactions amounting to billions of dollars.

He received the first ever "Bond Counsel of the Year" award from the largest issuer of revenue bonds in the State of Georgia.

Dan is known for his expertise in finance and incentives, and is frequently retained by companies or communities to help them obtain successful project locations.

A PILOT bond transaction (the Monroe County/IDI industrial park project) that Mr. McRae structured and closed received one of the first ever "Deal of the Year" awards from the Georgia Economic Developers Association. In 2010, GEDA gave the "Deal of the Year" award for the most outstanding regional project to another project handled by Mr. McRae (the Grady County, Thomas County/Turner Furniture Company of Tallahassee, Inc. project). Two other projects handled by Mr. McRae were nominated for other GEDA "Deal of the Year" awards that year- the Range Fuels cellulosic ethanol project in Treutlen County for most outstanding rural project; and the 1075 Peachtree vertical mixed-use development in Fulton County for the most outstanding metro project.

The prior year, GEDA gave the "Deal of the Year" award to two of Mr. McRae's projects, one for the most outstanding regional project (the City of Columbus, Fayette County, Gwinnett County/NCR headquarters relocation and manufacturing projects), the other for the most outstanding rural project (the Toombs County/Chicken of the Sea food processing project).

Also that year, ULI gave one of Mr. McRae's Atlanta mixed-use projects (3344 Peachtree/Sovereign, a Regent Partners office/commercial development in Buckhead) its top award--the Urban Land Institute Atlanta District Council's "Project of the Year."

Dan's Finance Team obtained for a business locating its headquarters to Georgia the first ever qualification for the Mega Project Tax Credit. His work with communities includes obtaining a difficult Opportunity Zone designation for a site for a new manufacturing plant for a foreign industry.

Mr. McRae was the first practicing attorney to be elected a director of the Georgia Economic Developers Association. He is a recipient of the Rip Wiley Award, GEDA's highest award for achievement in economic development. Mr. McRae is now serving his second tour as the Chair of GEDA's Public Policy Committee. In 2009, he received GEDA's "Zell Miller Public Policy Leadership Award," for highest achievement in the field of economic development policy. He is the only person ever to have won both the Rip Wiley and Zell Miller awards.

"Southern Business & Development" magazine ranked Dan's firm among the top "Law Firms that Understand Economic Development", referring to Dan as an "economic development legal guru."

Mr. McRae has helped members of Georgia's general assembly draft economic development legislation that has become law in the State of Georgia. Dan is a member of the National Association of Bond Lawyers, and is listed in the "Red Book" directory of nationally recognized bond lawyers. He represents a number of public authorities that issue bonds in Georgia, and is one of few attorneys in Georgia to have closed a variety of synthetic lease and bondable lease financings. He is also active in such real estate industry associations as <u>ULI</u>, <u>ICSC</u> and <u>NAIOP</u>.

Dan is a faculty member for the University of Georgia's Fanning Institute, which trains members of development authorities, hospital authorities and other local authorities. Mr. McRae helped the Fanning Institute initiate its training programs 10 years ago, and recently helped the Fanning Institute redesign and modernize the program. Recent subjects he has taught include: "Emerging Issues for Development Authorities," "The MOU/LOI - Importance and Value," "Ethics, Liabilities, Conflicts of Interest, Open

Meetings, and Open Records," "Survey of Authorities and Their Powers," "How to Write Good Development Agreements and Review of Regional Case Studies," and "Intergovernmental Relations and Intergovernmental Agreements," as well as "Development Financing & The Art of Making the Deal." Examples of other presentations by Dan include "Project Finance for Economic Development" (in Jacksonville, Florida, in 2010 to the Cornerstone Regional Economic Development Forum), "Project Finance" at the Rural Economic Development Summit (in St. Augustine, Florida, in February 2011), and "Industrial Bonds" at the Biomass Trade & Power Americas Conference (in Atlanta, February 2011).

Mr. McRae also does workshops for individual communities for which board member training credit is awarded, including presentations on "Development Authorities 101," "Bonds 101," "What Development Authorities Can and Cannot Do," and "Development Authorities - How to Make the Most Out of This Economic Development Resource." He has presented for the

American Bar Association, the National Association of Bond Lawyers, the Carl Vinson Institute of Government at the University of Georgia, and various other colleges and universities. Dan presents at each biennial "Economic Development Law in Georgia" conference sponsored by, among others, the Institute of Continuing Legal Education in Georgia, most recently on "Project Finance."

He has been a speaker at programs sponsored by such influential organizations as ICSC, the International Economic Development Council (IEDC), NAIOP, and the Institute for Professionals in Taxation (IPT). Dan is a member of the Bank Counsel Section of the Georgia Bankers Association, and is an Associate Member of the Association County Commissioners of Georgia and the Georgia Municipal Association.

Dan publishes Quick Takes, a newsletter on finance, economic development and other topics. He also makes available a series of White Papers on topics of interest in the fields of finance, investment and economic development.

Mr. McRae has served as an officer in the U.S Navy, and was a member of the Local Redevelopment Agency for NAS Atlanta, giving him personal redevelopment experience from the perspective of the local public body.

Dan received his undergraduate degree and his law degree (with distinction) from Emory University. At Emory, Dan was elected to Phi Beta Kappa, and to the equivalent in law school, which is the "Order of the Coif."

June 2012

IS A DOWNTOWN DEVELOPMENT AUTHORITY-

- PART OF THE CITY?
- A DEPARTMENT OF THE CITY?
- CONTROLLED BY THE CITY?
- A SEPARATE LEGAL ENTITY?

ANSWER

SEPARATE LEGAL ENTITY

THE ORIGINS OF DDAs

- "Statutory"
 - Created by General Assembly under Downtown Development Authorities Law
 - ▶ 1981 and later
 - Statewide pattern
 - Activation by City required
- "Constitutional"
 - Pursuant to Local Constitutional Amendment ("LCA")
 - ▶ 1987 and earlier
 - each LCA is different
 - referendum was required
- Local Act (of General Assembly, not under home rule powers)
 - Prior to 1981
 - no referendum required
 - each Local Act is different

- The City designates the downtown development area served by the DDA.
 - ➤ This is the "geographical area within the municipal corporation which, in the judgment of the governing body [of the city], constitutes the central business district." O.C.G.A. Sec. 36-42-5(a).
- Is designation or redesignation subject to challenge?
 - In at least one Superior Court case a few years ago, businessmen in the traditional historical central business district successfully convinced the judge that the expansion of the designated area across a river so as to accommodate a big box retailer was improper.

CONSTITUTIONAL DDA- WHERE CAN IT OPERATE?

LOOK AT WHAT ITS LOCAL CONSTITUTIONAL AMENDMENT SAYS (SUBJECT TO THE ORIGINAL REFERENDUM AND THE OTHER PROVISIONS OF THE CONSTITUTION)-FOR EXAMPLE-

"The above area encompassed shall also allow real property owners within 200 feet of the outer boundary with property contiguous to the district to become a part of the territory encompassed by the Downtown [City] Development Authority District, provided such businesses or property are not located more than 200 feet from the outer boundary as described above."

STATUTORY DDA-AFTER ACTIVATION

- "A copy of the governing body's resolution shall be filed with the Secretary of State, who shall maintain a record of all authorities activated under [the Downtown Development Authorities Law], and with the Department of Community Affairs. The Department of Community Affairs may, but shall not be required to, furnish written comments to any authority within 30 days after the governing body's resolution is filed with the Department of Community Affairs." O.C.G.A. Sec. 36-42-5(b).
- The City may make a prospective change in the designation of the central business district. O.C.G.A. Sec. 36-42-6(1).

CONSTITUTIONAL DDA- CREATION

- CREATION PARTICULARS DEPEND ON THE LOCAL CONSTITUTIONAL AMENDMENT (LCA) AND ANY IMPLEMENTING LOCAL LAWS.
- FOR EXAMPLE,

"There is hereby created a body corporate and politic in the City of [City name] in [name] County to be known as the [City] Downtown Development Authority, which shall be an instrumentality of the City ... and a public corporation and which in this amendment is hereafter referred to as the 'authority'."

DIRECTORS- STATUTORY DDA

- Statutory DDAs have a fixed board size of 7 members
 - In contrast, boards of statutory citywide or countywide development authorities under the Development Authorities Law can vary from 7 to 9 directors. O.C.G.A. Sec. 36-62-4(a)
- Directors are appointed by the City
- Staggered terms are provided for the initial directors
 - 2 directors for 2 year term, 2 directors for 4 year term, 3 directors for 6 year term
- Thereafter, all terms are 4 years
 - Exception- term of director who is also member of governing body of the City ends when such director is no longer a member of the City's governing body

See O.C.G.A. Sec. 36-42-4

DIRECTORS- STATUTORY DDA

"(a) Directors shall be:

- (1) Taxpayers residing in the municipal corporation for which the authority is created;
- (2) Owners or operators of businesses located within the downtown development area and who shall be taxpayers residing in the county in which is located the municipal corporation for which the authority is created; or
- (3) Persons having a combination of the qualifications specified in paragraphs (1) and (2) of this subsection;
- provided, however, that one of such directors may be a member of the governing body of the municipal corporation.
- (b) Not less than four of the directors having the qualifications specified in subsection (a) of this Code section shall be persons who, in the judgment of the governing body of the municipal corporation, either have or represent a party who has an economic interest in the redevelopment and revitalization of the downtown development area. Successors to the directors shall be appointed by the governing body of the municipal corporation." O.C.G.A. Sec. 36-42-7

DIRECTORS-STATUTORY DDA

"(c.1) Notwithstanding subsection (a) of this Code section, one director appointed to the board may reside outside the county; provided, however, that such appointed director owns a business within the downtown development area and is a resident of the State of Georgia. If subsequently to his or her appointment to the board pursuant to this subsection, the director ceases to own a business within the downtown development area or reside in the State of Georgia, such director shall relinquish his or her seat on the board." O.C.G.A. Sec. 36-42-7

- Question- How much ownership interest is required?
- Another question- If the ownership interest or residency terminates, is the loss of office automatic, or does it require an act by the director? If so, what if he doesn't act?

DIRECTORS- CONSTITUTIONAL DDA

- MEMBERSHIP DEPENDS ON THE LOCAL CONSTITUTIONAL AMENDMENT (LCA) AND ANY IMPLEMENTING LOCAL LAWS.
- FOR EXAMPLE,
 - "The authority shall be composed of nine members to be appointed and elected as hereinafter provided. One member of the authority shall be appointed by the mayor and city council of the City.... Five members of the authority shall represent the owners of real property and shall be known as Real Property Owner Group. The remaining three members of the authority shall represent the owners of business establishments whose principal place of business is located in the downtown [City] district and shall be the person or persons actually licensed and operating a business in the district. These members shall be known as the Business Owner Group. The appointment of the representative for the City ... to the authority shall be mandatory."

DIRECTORS- CAN THE CITY REMOVE THEM FROM OFFICE?

- STATUTORY DDAs- NO REMOVAL PROVISION.
 - "The City takes the position that because the Act is silent as to removal, it must be presumed that the directors who are appointed by the City serve at the City's pleasure. We do not agree. The fact that the legislation provides specified terms for the office of director is inconsistent with the idea of tenure at the pleasure of the City." ... "Because the matter is not before us, we express no opinion as to whether directors may be removed for cause, or under what procedures that might be done." Hernandez v. Downtown Development Authority of the City of St. Marys, 56 Ga. 356, 349 S.E.2d 449 (1986).
- CONSTITUTIONAL DDAs- REMOVAL POSSIBILITY DEPENDS ON LOCAL CONSTITUTIONAL AMENDMENT.
 - SOME LCAs HAVE REMOVAL PROVISIONS.

- Statutory DDAs have "perpetual existence". O.C.G.A. Sec. 36-42-7.
- A similar provision (O.C.G.A. Sec. 36-62-14) for statutory citywide and countywide development authorities under the Development Authorities prevented dissolution of such an authority by the parent local government.
- This Section of the Development Authorities Law was amended by the General Assembly in 2000 to allow the parent local government to dissolve a statutory citywide or countywide development authority if it did not have bonds (or bond anticipation notes) outstanding.
- No corresponding amendment was made to the Downtown Development Authorities Law.

IS DISSOLVING THE DDA AN OPTION?

CONSTITUTIONAL DDAs-

- They exist under their respective Local Constitutional Amendments (LCAs).
- An LCA can be repealed (but not amended). A referendum is required.
 - "(b) Any amendment which is continued in force and effect after July 1, 1987, pursuant to the provisions of subparagraph (a) of this Paragraph shall be continued in force and effect as a part of this Constitution, except that such amendment may thereafter be repealed but may not be amended. The repeal of any such amendment shall be accomplished by local Act of the General Assembly, the effectiveness of which shall be conditioned on its approval by a majority of the qualified voters voting thereon in each of the particular political subdivisions affected by the amendment." Georgia Constitution Article XI, Section I, Paragraph IV
- Some LCAs have special dissolution provisions, typically providing for the Constitutional DDA's property to pass to the City if the DDA is dissolved.
- Unlikely that a Court would permit a dissolution in a situation where it jeopardized repayment of any outstanding bonds.

A DOWNTOWN DEVELOPMENT AUTHORITY HAS ITS OWN "GOVERNMENTAL MISSION"

IT'S IN THE CONSTITUTION

GEORGIA CONSTITUTION ARTICLE IX, SEC. VI,-

"PARAGRAPH III. DEVELOPMENT AUTHORITIES. THE DEVELOPMENT OF TRADE, COMMERCE, INDUSTRY, AND EMPLOYMENT OPPORTUNITIES BEING A PUBLIC PURPOSE VITAL TO THE WELFARE OF THE PEOPLE OF THIS STATE, THE GENERAL ASSEMBLY MAY CREATE DEVELOPMENT AUTHORITIES TO PROMOTE AND FURTHER SUCH PURPOSES OR MAY AUTHORIZE THE CREATION OF SUCH AN AUTHORITY BY ANY COUNTY OR MUNICIPALITY OR COMBINATION THEREOF UNDER SUCH UNIFORM TERMS AND CONDITIONS AS IT MAY DEEM NECESSARY."

THE PUBLIC POLICY OF A STATUTORY DDA

"THE REVITALIZATION AND REDEVELOPMENT OF THE CENTRAL BUSINESS DISTRICTS OF THE MUNICIPAL CORPORATIONS OF THIS STATE DEVELOP AND PROMOTE FOR THE PUBLIC GOOD AND GENERAL WELFARE TRADE, COMMERCE, INDUSTRY, AND **EMPLOYMENT OPPORTUNITIES AND PROMOTE THE GENERAL** WELFARE OF THIS STATE BY CREATING A CLIMATE FAVORABLE TO THE LOCATION OF NEW INDUSTRY, TRADE, AND COMMERCE AND THE DEVELOPMENT OF EXISTING INDUSTRY, TRADE, AND COMMERCE WITHIN THE MUNICIPAL CORPORATIONS OF THIS STATE. REVITALIZATION AND REDEVELOPMENT OF CENTRAL BUSINESS DISTRICTS BY FINANCING PROJECTS UNDER THIS CHAPTER WILL DEVELOP AND PROMOTE FOR THE PUBLIC GOOD AND GENERAL WELFARE TRADE, COMMERCE, INDUSTRY, AND EMPLOYMENT OPPORTUNITIES AND WILL PROMOTE THE GENERAL WELFARE OF THIS STATE. IT IS, THEREFORE, IN THE PUBLIC INTEREST AND IS VITAL TO THE PUBLIC WELFARE OF THE PEOPLE OF THIS STATE, AND IT IS DECLARED TO BE THE PUBLIC PURPOSE OF THIS CHAPTER, SO TO REVITALIZE AND REDEVELOP THE CENTRAL BUSINESS DISTRICTS OF THE MUNICIPAL CORPORATIONS OF THIS STATE." O.C.G.A. SEC. 36-42-2

THE PUBLIC PURPOSE OF A CONSTITUTIONAL DDA

WHAT ITS LOCAL CONSTITUTIONAL AMENDMENT SAYS. FOR EXAMPLE,

"The General Assembly shall be authorized to create in and for [the City] the Downtown [City] Development Authority for the purpose of redevelopment of the Downtown [City] area."

HOW TO CARRY OUT YOUR MISSION

- MOST DDAs ARE FOCUSED ON CBD BUSINESSES.
- THEY ADMINISTER PROGRAMS; e.g., THOSE SPONSORED BY DCA'S OFFICE OF DOWNTOWN DEVELOPMENT.
- HOWEVER, DDAs HAVE THE POWER TO CARRY OUT "PROJECTS."
- 6) "Project" means the acquisition, construction, installation, modification, renovation, or rehabilitation of land, interests in land, buildings, structures, facilities, or other improvements located or to be located within the downtown development area, and the acquisition, installation, modification, renovation, rehabilitation, or furnishing of fixtures, machinery, equipment, furniture, or other property of any nature whatsoever used on, in, or in connection with any such land, interest in land, building, structure, facility, or other improvement, any undertaking authorized by Chapter 43 of this title as part of a city business improvement district, any undertaking authorized in Chapter 44 of this title, the "Redevelopment Powers Law," when the downtown development authority has been designated as a redevelopment agency, or any undertaking authorized in Chapter 61 of this title, the "Urban Redevelopment Law," when the downtown development authority has been designated as an urban redevelopment agency, all for the essential public purpose of the development of trade, commerce, industry, and employment opportunities in its authorized area of operation. A project may be for any industrial, commercial, business, office, parking, public, or other use, provided that a majority of the members of the authority determine, by a duly adopted resolution, that the project and such use thereof would further the public purpose of this chapter. Such term shall include any one or more buildings or structures used or to be used as a not for profit hospital, not for profit iskilled nursing home, or not for profit intermediate care home subject to regulation and licensure by the Department of Community Health and all necessary, convenient, or related interests in land, machinery, apparatus, appliances, equipment, furnishings, appurtenances, site preparation, landscaping, and physical amenities." O.C.G.A. Sec. 36-42-3(6)
 - Legislative intent was to confer upon DDAs the power to act up to the full Constitutional limit. See Odom v. Union City Downtown Development Authority, 251 Ga. 248, 305 S.E.2d 110 (1983).
- AS GEORGIA BECOMES INCREASINGLY URBAN, MORE AND MORE DDAs-
 - CARRY OUT PROJECTS
 - ISSUE REVENUE BONDS TO FINANCE PROJECTS

- CONSTITUTIONAL DDAs HAVE WHATEVER POWERS WERE INCLUDED IN THEIR LOCAL CONSTITUTIONAL AMENDMENTS AND RELATED LOCAL ACTS
- BUT EVEN STATUTORY DDAs HAVE SOME POWERS THAT CITYWIDE OR COUNTYWIDE DEVELOPMENT AUTHORITIES DON'T HAVE UNDER THE DEVELOPMENT AUTHORITIES LAW
- SPECIAL STATUTORY DDA POWERS-
 - ► OPERATE OR MANAGE PROJECTS. O.C.G.A. Sec.. 36-42-8(a)(5)
 - APPARENTLY DDA CAN GO INTO BUSINESS.
 - IN REALITY, THERE ARE CONSTITUTIONAL LIMITS. See Smith v. State, 222 Ga. 552, 150 S.E.2d 868 (1966)(Constitutional amendment invalid, in part, because it did not limit the activities of the county in furnishing facilities to private enterprise to relieve unemployment, or for any other public purpose).
 - "EXERCISE ANY POWER GRANTED BY THE LAWS OF THIS STATE TO PUBLIC OR PRIVATE CORPORATIONS WHICH IS NOT IN CONFLICT WITH THE PUBLIC PURPOSE OF THE [DDA]. O.C.G.A. Sec., 36-42-8(a)(20)
 - THIS POWER COULD HAVE AUTHORIZED CONFERENCE CALL MEETINGS OF THE DIRECTORS PRIOR TO THE EFFECTIVENESS OF HB 397 (NEW OPEN MEETINGS/OPEN RECORDS LAW)

- SPECIAL STATUTORY DDA POWERS-
 - ► ISSUE PROMISSORY NOTES. O.C.G.A. Sec. 36-42-8(a)(6).
 - APPARENT REQUIREMENT- DDA NOTES HAVE TO BE "REVENUE NOTES" PAYABLE OUT OF PLEDGED REVENUE, NOT OUT OF THE FULL FAITH AND CREDIT OF THE DDA. O.C.G.A. Sec.. 36-42-9(a)
 - DDAs CAN ALSO ISSUE REVENUE BONDS o.C.G.A. Sec.. 36-42-8(a)(6)
 - SPECIAL RESTRICTIONS-
 - MAJORITY VOTE OF ALL OF THE MEMBERS OF THE BOARD REQUIRED TO AUTHORIZE ISSUING BONDS OR NOTES (OR OTHER OBLIGATIONS)
 - NO BONDS, NOTES OR OTHER OBLIGATIONS CAN BE ISSUED UNLESS THE BOARD FINDS BY RESOLUTION THAT THE PROJECT BEING FINANCED PROMOTES THE OBJECTIVES FOR WHICH DDAs WERE AUTHORIZED
 - REVITALIZATION AND REDEVELOPMENT OF THE CENTRAL BUSINESS DISTRICT
 - PROMOTE TRADE, COMMMERCE, INDUSTRY AND EMPLOYMENT OPPORTUNITIES
 - PROMOTE LOCATION AND DEVELOPMENT OF NEW AND EXISTING INDUSTRY, TRADE AND COMMERCE. O.C.G.A. Sec. 36-42-2

SPECIAL STATUTORY DDA POWERS-

- SPECIAL RESTRICTIONS-
- ► CONSISTENT WITH GENERAL PATTERN, DDA REVENUE BONDS HAVE TO BE JUDICIALLY VALIDATED. O.C.G.A. Sec.. 36-42-10(a)
- SPECIAL RIGHT- DDA HAS THE OPTION TO GET ITS PROMISSORY NOTES JUDICIALLY VALIDATED. O.C.G.A. Sec.. 36-42-10(a)
- ► CITY CAN "DISAPPROVE ANY PROPOSED ISSUE OF REVENUE BONDS, NOTES, OR OTHER OBLIGATIONS OF THE [DDA], IN THE MANNER PROVIDED IN [THE DOWNTOWN DEVELOPMENT AUTHORITIES LAW]". O.C.G.A. Sec.. 36-42-6(3)
 - HOWEVER, DOWNTOWN DEVELOPMENT AUTHORITIES LAW DOESN'T PROVIDE ANY MANNER FOR DISAPPROAL.
 - » WHAT HAPPENS IF A CITY TRIES TO "DISAPPROVE?
 - » AT WHAT POINT IS THE PROPOSED ISSUE FREE FROM THE RISK OF DISAPPROVAL?

SPECIAL STATUTORY DDA POWERS-

- PER O.C.G.A. SEC. 36-42-3(6), A DDA CAN IMPORT POWERS UNDER-
- ► CITY BUSINESS IMPROVEMENT DISTRICT ACT (O.C.G.A. Sec.. 36-43-1 et seq.)
- ► REDEVELOPMENT POWERS LAW (O.C.G.A. Sec., 36-44-1 et seq.)
 - WHEN THE CITY HAS REDEVELOPMENT POWERS AND THE DDA HAS BEEN DESIGNED AS A REDEVELOPMENT AGENCY
 - A CITY CAN HAVE TWO REDEVELOPMENT AGENCIES
 - DDA WITHIN THE DOWNTOWN AREA IF IT'S WITHIN THE REDEVELOPMENT AREA; ANOTHER REDEVELOPMENT AGENCY FOR THE REST OF THE REDEVELOPMENT AREA. O.C.G.A. Sec.. 36-44-4(f)
 - IF A TAD IS CREATED UNDER THE REDEVELOPMENT POWERS LAW AND TAX ALLOCATION BONDS WILL BE ISSUED, THOSE BONDS ARE ISSUED BY THE CITY, NOT THE DDA.
 - DDA CAN ACT AS "PROGRAM MANAGER"
- ► URBAN REDEVELOPMENT LAW (O.C.G.A. Sec., 36-61-1 et seq.)
 - WHEN THE DDA HAS BEEN DESIGNATED AS AN URBAN REDEVELOPMENT AGENCY

THE EVOLUTION OF PUBLIC/PRIVATE PARTNERSHIPS (P3)

- The Georgia Supreme Court is most comfortable with development authorities when they only finance private projects.
- However, in the 21st Century, many private projects have public involvement.
- Our Courts are receptive to some P3 projects if they are properly "Integrated."
 - "This Project is designed to fulfill the governmental functions of improving streets and of providing facilities for municipal administration and police and jail services. Accordingly, it does not appear to fit within the definitions of commerce, trade, or industry." *Odom* case, 1983.
 - In Odom, the DDA sought to issue revenue bonds, the proceeds of which would finance the construction of a new city hall, renovate the existing police station and jail, and improve city streets. The project thus consisted of purely public elements. This court held that the scope of this project did not fall within the constitutionally designated purposes of Downtown Development Authorities which are the promotion and development of "trade, commerce, industry, and employment opportunities." 1983 Georgia Constitution, Art. IX, Sec. VI, Par. III. In the case before us the project is comprised of both public and private components which are integrated so as to produce the desired purposes. The trial court found that the project will promote and develop the public purposes of trade, commerce, industry, and employment opportunities. There is evidence in the record to support this determination." *Nations I*, 1985 (Underground Atlanta project).
- Some Constitutional DDAs have power to carry out purely public projects.

VALIDATION IS A BEST PRACTICE FOR ECONOMIC DEVELOPMENT PROJECTS

- Judge's final validation order is "forever incontestable and conclusive." Ga. Const. Art. IX, Sec. VI, Para. IV
- Traditional- Use validation orders to cover-
 - Incentives don't violate Constitutional prohibition of "Gifts and Gratuities"
 - ► Validity of "abatement" structure
 - leasehold valuation
 - usufruct
 - nontaxable lease
 - PILOT (payment in lieu of taxes) bonds

VALIDATION IS A BEST PRACTICE FOR ECONOMIC DEVELOPMENT PROJECTS

Now- Also use validation orders to cover-

- P3 project is properly integrated
- the project is not subject to the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1 et seq.)
- the bonds do not constitute a "business loan" or confer any other "public benefit" within the meaning of O.C.G.A. § 50-36-1 (HB 87)
- neither the Company nor any other participant in the transaction involving the bonds or the project and their respective counsel constitute an "applicant for public benefits" within the meaning of O.C.G.A. § 50-36-1
 - therefore, such persons are not subject to Systematic Alien Verification of Entitlement (SAVE)
- the bonds are not subject to the PILOT Restriction Act (O.C.G.A. § 36-80-16.1)
- the bond issue and the expenditure of the proceeds thereof are exempt from the performance audit and performance review provisions of O.C.G.A.§ 36-82-100

MONEY MAKES THE WORLD GO 'ROUND

- Community development and redevelopment, and economic development, require funding
 - Where does the money come from?
- Some Constitutional DDAs have the power to tax or assess within their area of operations
- A City has the power to create a special tax district to financially support the DDA and its projects (subject to other legal constraints). Ga. Const. Art. IX, Sec. II, Para, VI; O.C.G.A. Sec. 36-42-16.
- Local governments have the <u>option</u> to financially support their development authorities.
 - County: 1 mill to a county development authority or a joint city/county development authority (O.C.G.A. Sec. 48-5-220 (20))
 - City: 3 mills to a city development authority or a joint city/county development authority (O.C.G.A. Sec. 48-5-350)
 - More: if governmental purpose or if provided in Local Constitutional Amendment
- Some Local Constitutional Amendments (LCAs) <u>authorize</u> additional millage support
- An intergovernmental agreement (IGA) between the local government and the development authority can be used to "monetize" this millage.
 - Monetization is through "contract revenue bonds."
 - IGA can be multiyear.

BONDS

- The interest on bonds issued by a development authority (industrial development revenue bonds, or IDBs) is either federally taxable or federally tax-exempt.
- Federally tax-exempt bonds are more desirable.
 - Advantages of tax-exempt financing
 - Lower interest rate
 - Longer term
 - Greater marketability
 - More availability of interest-only/ capitalized interest
 - Smaller bond issues more do-able

- Historically, DDAs were active in the bond financing of downtown projects
- But federal tax law changes in the 1980's removed access to tax-exempt financing for most types of DDA projects.
- When tax-exempt bond financing is available, it's still the best way to finance a project.

THIS	IS THE <u>OPPOSITE</u> OFTHIS		
REVENUE BOND	GENERAL OBLIGATION BOND		
Yes. Only revenue and other collateral from the private company	No (with contract revenue bonds, the IGA is pledged)		
is at risk. No repayment obligation on the part of the development authority, the city, the county or the State.	Exception: Constitutional DDA with power to tax/assess.		
TAX-EXEMPT BOND	"TAXABLE" BOND		
Yes- mainly "small issue" manufacturing bonds, qualified 501(c)(3) bonds, and exempt facility bonds (if state law authorizes for development authority). Federal tax laws make inducement resolution mandatory.	Yes. Some taxable "green" bonds are actually "tax credit" bonds with economics like tax-exempt bonds. Examples: CREBs; QECBs. Inducement resolution is traditional but optional.		

THIS The second second	IS THE <u>OPPOSITE</u> OFTHIS		
PRIVATELY PLACED	PUBLICLY SOLD		
Yes. Example- bond sold to local bank. No underwriter necessary. Fewer private placements, because fewer profitable banks that can use tax-exempt bonds.	Yes. An underwriter is needed for public offerings. A bank letter of credit is needed to secure the bonds. Fewer public offerings because fewer banks provide LOCs.		
INVESTMENT GRADE	"JUNK"/HIGH YIELD/ UNRATED		
Yes- depending on quality of pledged revenue and/or credit enhancement	Yes (but be cautious)		

THIS	IS THE <u>OPPOSITE</u> OFTHIS
PRIVATE ACTIVITY Yes- if project is authorized by governing law (Downtown Development Authorities Law or LCA and local acts; Constitution)	GOVERNMENTAL PURPOSE Only for qualified public/private partnership projects (P3) or if LCA permits
FLOATING RATE	FIXED RATE
Yes (letter of credit normally required)	Yes
NON-AMT	AMT
Except for qualified 501(c)(3) bonds, most development authority bonds are subject to the Alternative Minimum Tax.	Yes

7.10-2-7-3 A.3-2-1-2		
THIS	IS THE OPPOSITE OFTHIS	
"BANK QUALIFIED"	NOT "BANK QUALIFIED"	
Except for some situations involving qualified 501(c)(3) bonds, most development authority bonds are not "bank qualified", or "BQ" (doesn't mean banks can't buy them; means banks don't get a carrying charge deduction)	Yes The permitted publication and a contract of the permitted pub	
AUTHORITY-ISSUED	COMPANY-ISSUED	
Yes. Bonds that are tax-exempt have to be issued though a public body.	No- Taxable bonds can be issued directly by the company. But no incentives authorized!	

THIS	IS THE <u>OPPOSITE</u> OFTHIS		
CAPITAL MARKETS	"BONDS FOR TITLE"		
Yes. "Capital markets" refers to the various types of bond purchasers.	Yes. Company buys its own bonds.		
LOCAL GOVERNMENT APPROVED	NOT APPROVED BY LOCAL GOVERMENT		
Yes. In order for private activity bonds to be tax-exempt, they have to be approved by the local government (TEFRA approval).	Yes- Taxable bonds can always be issued by a development authority. (Some LCAs require local government approval-also see O.C.G.A. Sec. 36-42-6(3).)		

CONCLUSION- DDAs ARE IMPORTANT

 - ► ONE SIZE DOES NOT FIT ALL;
 - DDAs ARE A SPECIALIZED RESPONSE TO A SPECIALIZED NEED;
 - DDAs ARE THE MOST INVOLVED WITH THE DOWNTOWN DEVELOPMENT AREA;
 - DDAs HAVE SOME SPECIAL POWERS THAT CAN BE VERY HELPFUL IN SPECIAL SITUATIONS;
 - DDAs' DIRECTORS REPRESENT THE DOWNDOWN STAKEHOLDERS; AND
 - DDAs HAVE AN IMPORTANT ROLE TO PLAY!

Background:

The City of Doraville currently owns a 2004 Crown Victoria. The Asset Forfeiture fund currently owns a 2008 Chrysler 300. The Police Department desires to transfer the Chrysler 300 to the General Fund for the use of the City Manager. The Police Department would then use Asset Forfeiture funds to purchase a new more fuel efficient vehicle to replace the vehicle being transferred thus reducing the cost of operating both the Police Department's new vehicle and the City Manager's vehicle.

The laws governing Asset Forfeiture funds require that the fund receive fair market value for the vehicle. Fair market value has been determined to be \$10,000 based on data from Edmunds.com. The City currently has an insurance claim pending for a wrecked police vehicle. The proceeds from this claim are expected to be approximately \$10,000.

The proceeds from the insurance claim are being amended into the revenue budget and a line item is being created in the City Manager's budget to purchase the Chrysler 300 from the Asset Forfeiture fund.

Analysis:

See Attachment

If the police Asset Forfeiture funds are used to purchase the new car for the police department then the annual savings to the general fund for fuel in the vehicles is roughly \$2,642.

(If we assume the average gas price of \$3.70)

This equates to \$13,211 in savings for fuel over five years.

The maintenance savings on the Chrysler over the Crown Vic through 150,000 miles is \$5,127.50 if you take the midpoint between the high and low estimates.

Using these assumptions the total savings over five years is \$18,399.

The transfer from the general fund to the Police Seized Property Fund will be approximately \$10,000. (The transfer will use revenue from the sale of the Crown Victoria and the insurance payment for the wrecked squad)

This generates a net savings to the general fund of \$8,399.

Purpose:

To amend the current fiscal year budget to include proceeds from the insurance claim and provide a line item in the City Manager's budget from which to purchase the Chrysler 300 from the Asset Forfeiture fund.
