- C. The apartments or rental units above or adjacent to the commercial property shall be billed at a flat rate of \$350.00 per apartment or rental unit to be paid in equal installments semi-annually. The sewer fee for the commercial parts of a mixed-use commercial/residential property, or of an entirely non-residential property, shall be \$4.25 per 1,000 gallons of water used at the property (whether determined by meter or estimate), but no less than the minimum annual usage charge of \$350.00. Where water usage cannot be determined by meter reading, the Sewer Utility fee shall be based on the property's estimated water usage, which estimate shall be calculated using best engineering practices

for the property in question. Sewer user fees are to be paid to the Dunellen Borough Sanitary Sewer Utility on the 15th day of April and 1st day of September, following each period for which sewer service has been provided or available.

D. There shall be an annual sewer Administrative/Facility charge for all non-residential improved properties, residential properties with five or more units, and mixed residential/commercial properties, of \$150.00 in addition to the above rates described in Subsection C above. This charge is payable semi-annually in the amount of \$75.00 and is to be paid in concert with the sewer service charges.

E. Any single-family residential property that qualifies for the senior citizen tax deduction shall also be afforded a discount of \$100.00 from the residential property fee set forth in Subsection A above.

F. The foregoing rates and charges have been calculated in accordance with Chapter 230-7 and shall be subject to annual revision based upon the Borough and its Sewer Utility's financial obligation to PARSA and/or MCUA. In addition, separate fees or charges may be imposed by the Borough's Sewer Utility upon specific users or one or more categories of users to defray fines, penalties or other extraordinary charges that may be imposed by PARSA and/or MCUA. Payment of such separate fees or charges shall be in accordance with the requirements set forth in Chapter 233-36.
