The Middlesex County Improvement Authority’s Program collects recyclables in single-stream fashion.

All curbside recyclable items, such as bottles, cans, paper, and small flat cardboard can be mixed together in a single recycling container. Do not put recycling in bags.

WE DO NOT ACCEPT PLASTIC BAGS.

Proper Containers

Blue containers with the Middlesex County logo are used for single-stream collection in the MCIA’s program. Overflow can be placed in your own unlidded plastic or metal containers 32 gallons or smaller and not more than 50 lbs. Do not overfill containers.

New Homeowners: Welcome! Contact your municipal recycling coordinator within three months of moving in to obtain a free container (contact info listed in Recycling Service Information section of this brochure).

Curbside Collection: Place your full containers on the curb before 6 am on collection day (times are subject to change). Be sure to label them with your name and address.

Not Accepted: Recyclables in plastic bags or in containers not at the curb. Do not leave them near the house, garage, or at the top of the driveway.

Replacement Containers: If your containers are lost, stolen, or broken, replacement containers can be purchased from your municipal recycling coordinator (contact info listed in Recycling Service Information section of this brochure).
