REPORTS:

Mr. Petracca: no report.
Mr. Baudendistel: asked about the Municipal Alliance budget. Is there a line item in our Budget? NO. It was added in with the Chapter 159 Resolution last meeting; 2) he passed on to Mr. Olsen the PBA contract proposal which Mr. Olsen will review; 3) asked about meeting with potential developers for Skinner Plaza. He will move forward with this; 4) asked about the burned out buildings on North Avenue. He would like a letter to the owners to encourage them to repair or rehabilitate for the good of the downtown; 5) asked about the application for environmental grant for the Strip Joint; 6) continued the discussion on the Welcome to Dunellen sign. Wondered if we could charge more than base cost. General discussion on the merits of charging more as it is advertising for the sponsor. Mr. Bruder will look into whether we actually can charge more than cost; 7) ready to go on 519 Front Street? Yes.
Mr. Bachorik: no report.
Mr. Lowder: is getting some samples of acoustic tiles for the Senior Center and will present findings at the next meeting
Mayor Seader: 1) The Haunted Trail went well and they may have grossed upwards of $11,000. Thanked Ron and the DPW for their help, and the Police, Fire and Rescue. Well attended and Big Joe Henry from 101.5 plugged the event; 2) Open Space grant for Columbia Park is being voted on Thursday night. It is a 50% match; 3) the hole at Gertrude and Grove was repaired by B&W; 4) thanked the road department for saving us maybe $40,000 by fixing the Sewer Jet by themselves (Mike Aiello and Bobby Madden).
Mr. Gianchiglia, Tax Assessor: reported to the Council that the new tax map is being created by CME and he and his staff are reviewing the pages. He has some examples of RFPs for the revaluation and he will go over them with Mr. Robins. He and Mr. Robins have met monthly with representatives of the Division of Taxation and the meetings have been smooth and productive. He expects that we will submit the maps to Trenton which will review and most likely send us back with comments. A lengthy process.

COUNCIL DISCUSSION

Best Practices

Mr. Robins explained the purpose of the annual Best Practices Inventory and how it has changed this year. The Council specifically discussed the Dunellen Parking Authority regarding its role and continued value to the municipality. Mr. Olsen, Treasurer of the Dunellen Parking Authority, gave a detailed explanation of the workings of the DPA and its finances. He presented various draft resolutions or statements of policy that could be incorporated into other ordinances and Council discussed them. This report is attached to the minutes. The preface of his report is:
Best Practices Inventory, 2016

This year, the Best Practices Inventory consists of 30 questions. The questions deal with a wide range of local government matters such as union contracts, benefits, bidding procedures, and finances. In order to avoid losing a percentage of state aid payments, a municipality must answer “Yes” or “Not Applicable” on at least 22 questions.

A new feature of the Best Practices Inventory for this year is the ability to “cure” a NO answer by discussing and formulating a policy or plan in response to the question before the due date of submitting the Inventory, October 21, 2016.

The attached sheets are questions that either need Council discussion, thus demonstrating an awareness of the topic, or a brief discussion of a draft of a policy or plan.

Due to the limited size of our municipality, or because of long-standing practices that cannot reasonably be altered, I am presenting to the Council only those questions for which there is a chance to “cure” by formulating a plan or having a discussion.

PUBLIC PORTION

No one from the public spoke.

Mr. Olsen thanked the Mayor and Council for sympathy and support upon the loss of his father-in-law, former Dunellen Mayor Laurence Anzovino.

On the motion of Mr. Petracca and seconded by Mr. Baudendistel it was moved to accept the following:
