§ 250-2. Mandatory recycling program established.

A. For the purpose of recycling, on or after the date fixed and promulgated by regulation issued by the Mayor and Council of the Borough of Dunellen in accordance with the terms hereof, it shall be mandatory for all residents and
nonresidents, who are owners, lessees or occupants of commercial or noncommercial structures located within the Borough of Dunellen, to separate used newspaper, used paper, clean corrugated cardboard, glass and aluminum cans from all other solid waste produced by any such person and deliver such items to the designated dropoff point in the Borough of Dunellen or a recycling center of their choice, or as the Mayor and Council shall direct by regulation as herein provided.

B. There is hereby established a program for the mandatory separation of solid waste consisting of steel cans, plastic containers, mixed paper, textiles, brush, corrugated cardboard from residential, office and commercial sources, newspapers, aluminum cans, glass containers, leaves, motor oil and high-grade office paper from commercial sources. [Added 1-16-1996 by Ord. No. 096.01]

§ 250-3. Items designated for recycling.

The owner, lessee and occupant of any commercial or noncommercial structure located within the Borough of Dunellen shall separate and place for disposal or removal or collection or deliver to the designated dropoff point in the Borough the following items, which shall conform with the following regulations:

A. Used newspaper, used paper, and clean corrugated cardboard shall be bundled separately using string or twine and secured in bundles not exceeding 50 pounds and shall not be contained in plastic or paper bags.

B. Glass and aluminum cans shall be contained in suitable containers supplied by owners, lessees or occupants.

C. Glass and aluminum containers shall be thoroughly rinsed before disposal, removal, collection or dropped off.
§ 250-4. Manner of separation and placement for removal. [Added 1-16-1996 by Ord. No. 096.01]

A. The occupant or owner of any residence, business, institution or commercial building or store within the Borough shall, unless provided for in this article to the contrary, separate and place for removal in the manner provided the following recyclables:

1. Newspaper and corrugated cardboard must be placed at the curb in segregated, tied bundles not greater than 12 inches in height.

2. Mixed paper, including office paper, must be placed at curb in the mixed-paper container.

3. Glass containers, aluminum cans, plastic containers and steel cans shall be commingled in a commingled container and placed at the curb.

4. Textiles shall be segregated in the textile bag and placed at the curb.

5. All residents shall separate, sort and recycle leaves, motor oil and brush in accordance with regulations promulgated by the designated agent of the municipality.

B. All multifamily dwellings with five or more units, schools, public buildings and other institutions, where so directed by the Recycling Coordinator or other Borough agent, shall deposit the recyclables set forth in Subsection A in on-site containers provided by the Borough or its agents.

C. The occupant and/or owner of any commercial, office or industrial building or other institution may demonstrate an alternative to the recycling program as set forth herein. Any such alternative program shall be submitted to the Recycling Coordinator or other designated agent of the municipality for approval. Until said approval is forthcoming, said owner/occupant shall comply with the provisions of this article.

250:6 03 - 15 - 2003
§ 250-5. Recyclables become property of Borough at dropoff.

From the time of dropoff at the designated center of used newspaper, used paper, clean corrugated cardboard, glass and aluminum cans in accordance with the terms hereof, such used newspaper, used paper, clean corrugated cardboard, glass and aluminum cans shall be and become the property of the Borough of Dunellen or its authorized agent. It shall be a violation of this article for any person unauthorized by the Borough of Dunellen to collect or remove or cause to be collected or removed any such recyclables. Each such collection in violation hereof from any one or more sources shall constitute a separate and distinct offense punishable as hereinafter provided.

§ 250-6. Recycling Coordinator; rules and regulations; agreements for collection.

A. The mandatory recycling program shall be supervised by the Recycling Coordinator or such other person designated as the administrator. The Recycling Coordinator or other designated person shall have the authority to promulgate regulations concerning this program. [Added 1-16-1996 by Ord. No. 096.01]

B. The Mayor and Council is hereby authorized and directed to establish and promulgate reasonable regulations as to the manner, days and times for the collection of used newspaper, used paper, clean corrugated cardboard, glass and aluminum cans in accordance with the terms hereof. The governing body may change, modify, repeal or amend any portion of said rules and regulations.

C. The Borough Council may enter into any agreement as permitted by law with any other municipality, county or other body politic of the State of New Jersey for recycling collection. [Added 1-16-1996 by Ord. No. 096.01]
§ 250-7. Violations and penalties.

A. Any person, firm or corporation who violates or neglects to comply with any provision of this article or any regulations promulgated pursuant thereto shall, upon conviction thereof, be punished by a fine not exceeding $500, except that the maximum fine for failure to comply with §§ 250-2 and 250-3 hereof, and rules and regulations issued pursuant thereto, shall not exceed $5. No enforcement of this article shall be made until five months after the effective date of regulations authorized to be promulgated hereunder.

B. Noncompliance by any person or entity with the other requirements of the chapter, including failure to separate those materials herein made the subject of mandatory recycling, shall receive, for the first offense, a notice of violation and for the second offense, a warning that any additional violations may result in the filing of a complaint in Municipal Court wherein all such subsequent violations may result in a fine not exceeding $500 or imprisonment for a period not to exceed 30 days or both for such subsequent offense. [Added 1-16-1996 by Ord. No. 096.01]

§ 250-8. Institution of action by Recycling Coordinator.

It shall be the duty of the Recycling Coordinator or his authorized designee to enforce all of the provisions of this article. Upon his becoming aware of any violation of any provision of this article, the Recycling Coordinator or his authorized designee shall institute such action as may be necessary to terminate the violation including issuing a summons to appear in the Dunellen Borough Municipal Court or any other appropriate tribunal.
§ 250-9. Duty to notify residents of program. [Added 1-16-1996 by Ord. No. 096.01]

The Borough Administrator and Director of Public Works shall in conjunction with the Recycling Coordinator develop and disseminate to all residents a summary of the general provisions of this article and or all county-wide recycling programs and services, including but not limited to an itemization of recyclables to be source separated, the manner of separation, location and the schedule for collection.

ARTICLE II
County Recycling Plan
[Adopted 1-16-1996 by Ord. No. 096.03]

RECYCLING ORDINANCE — Ordinance Nos. 5-87 and 96.01 of the Borough of Dunellen (Article I of this chapter), the ordinance enacted by the municipality establishing the mandatory municipal recycling program implemented in accordance with the Solid Waste Management Act and the county plan, as the same will be amended by the municipality to include the additional designated recyclables as set forth in Ordinance Nos. 96.01 (amendment to Article I) and 96.02 (this Article II), and as the same may be amended in the future from time to time for other purposes.

RECYCLING SERVICES — All of the duties, obligations, and services to be provided by the contractor that are related to the collection, transportation, separation, processing, storage, sale or disposition, or any combination thereof, of the Authority-collected recyclables and the return of same to the economic mainstream in the form of raw materials or products.

RESIDENTS — Private, commercial and institutional residents of the municipality that are required to recycle designated recyclables pursuant to the Recycling Ordinance.

STEEL CANS — Tin-plated, bimetal and other ferrous food and beverage containers.

TEXTILE BAG — A special bag to be provided by the Authority for the collection for textiles, or such other container to be designated by the Authority for such purpose.
TEXTILES — Clean, dry clothing or other fabric measuring at least one foot by one foot in size.

§ 250-11. Items mandated for recycling.

All residents of Borough of Dunellen shall recycle, or cause to be recycled, the following categories of recyclables:

A. Newspaper.
B. Aluminum cans.
C. Glass containers.
D. Plastic containers.
E. Steel cans.
F. Corrugated cardboard.
G. Mixed paper.
H. Textiles.
I. Motor oil.
J. Leaves.
K. Brush.

§ 250-12. Adoption of county plan; responsibility of Borough.

Pursuant to the Recycling Act, each resident of the Borough of Dunellen shall be required to comply with the recycling plan of the Borough of Dunellen, adopting the Middlesex County recycling plan, to meet the state-mandated recycling goals. To effectuate and implement the Borough recycling plan, it is hereby required that:

A. The Borough of Dunellen hereby adopts this section to provide for recycling within its borders pursuant to the
§ 250-12  DUNELLEN CODE

Recycling Act adopting herein the Middlesex County recycling plan as its official municipal recycling program; and

B. All residential and commercial contracts for solid waste collection and/or disposal within the Borough of Dunellen shall be consistent with this section and the Middlesex County recycling plan.

C. The Borough of Dunellen shall heretofore provide for a collection system for leaves generated from residential premises, and require that persons occupying residential premises within these municipal boundaries shall source-separate leaves from solid waste generated at those premises and, unless leaves are stored or recycled for composting or mulching by the generator, place the leaves for collection in the manner provided in Article I of this chapter.

D. The Borough of Dunellen shall heretofore provide for a collection system for brush generated from residential premises within these municipal boundaries. Brush shall be source-separated from solid waste generated at those premises, and the brush placed for collection in the manner provided in Article I of this chapter.

E. The Borough of Dunellen shall, at a minimum, within 30 days after the adoption of this section and at least once every six months thereafter, notify all persons occupying residential, commercial, and institutional premises within these municipal boundaries of recycling opportunities and the source separation requirements of its ordinance and the Middlesex County recycling plan. In order to fulfill the notification requirements of this subsection, this municipality may, in its discretion, place an advertisement in a newspaper circulating in the municipality, post a notice in public places where public notices are customarily posted, include a notice with other official notifications periodically mailed to residential taxpayers, or any combination thereof, as the municipality deems necessary and appropriate.
§ 250-12  SOLID WASTE  § 250-12

F. The Borough of Dunellen shall prepare and distribute additional literature and other educational materials describing, among other things, the municipal recycling program established pursuant to the Recycling Ordinance; the County-wide recycling program and the recycling services to be provided within the geographic boundaries of the municipality; the designated recyclables to be source-separated; the manner or method of preparing source-separated material for collection; and the location and schedules for collection. All such literature and other educational materials shall be prepared in accordance with written guidelines established by the Authority and shall be approved by the Authority prior to distribution.

G. On the commencement date, the Authority will cause the contractor to commence the provision of recycling services for the Authority-collected recyclables for all residents. The Authority-collected recyclables shall be collected by the contractor at curbside at:

(1) All single-family or duplex residential locations.

(2) All multifamily dwellings with four or fewer units, and all small businesses. All multifamily dwellings with five units, schools, public buildings, hospitals and other institutions shall deposit the Authority-collected recyclables in on-site containers to be provided by the contractor.

H. The contractor shall collect Authority-collected recyclables on a biweekly basis. Collections will occur Monday through Friday and, at the contractor’s option, on Saturday, except for legal holidays, between the hours of 7:00 a.m. and 6:00 p.m.

I. At the time of placement of recyclable materials designated for collection by the recycling plan of the Borough of Dunellen at the curb or street side of residential units, said materials shall be considered the sole property of the Middlesex County Improvement Authority and shall be considered a conscious contribution.
§ 250-12 DUNELLEN CODE § 250-13

by that resident to the county recycling system for
collection by the Middlesex County Improvement Authority
or its agent.

J. Scavenging is prohibited (except by approval of town and
MCI).

§ 250-13. Method of separation and preparation for
collection.

A. The contractor will be responsible for collecting at the
curbside only Authority-collected recyclables that have
been separated and prepared for collection as follows:
newspaper and corrugated cardboard must be placed at
the curb in segregated, tied bundles with string or card
only (no wire or tape) not greater than 12 inches in height;
mixed paper, including office paper, must be placed at the
curb in the mixed-paper container; glass containers,
aluminum cans, plastic containers and steel cans shall be
commingled in a commingled container; and textiles shall
be segregated in the textile bag. Any Authority-collected
recyclables that are not prepared for collection in this
manner will be left at the curb by the contractor.

B. The Borough will be responsible for collecting leaves and
brush at the curb.

(1) Leaves shall be placed between the sidewalk and the
curb for pickup. Leaves containing branches, vines,
grass clippings and other debris will not be picked
up by the Borough.

(2) Brush. The Borough will collect tree branches,
shrubbery, other yard clippings and Christmas trees
(when appropriate) on or about the third Wednesday
of every month. Residents must notify the Public
Works Department of requests for chipping services
by the Monday before the third Wednesday of the
month. Materials should be tree branches and shrub
branches preferably longer than three feet. All

250:16  03-15-2003
materials should be stacked at the curb or as near to
the curb as possible. Hedge clippings, twigs, small
branches less than three feet (but not less than one
foot) must be bundled with string only (no wire) and
must be free of foreign debris, such as stones, dirt,
metal, sweepings and rakings. No lumber,
construction materials or roots are permitted. All
material to be chipped should be placed at the curb
by 8:00 a.m. on the collection day. Any material
placed at the curb that does conform with these
specifications will not be picked up by the Borough.

The enforcement of the recycling plan of the Borough of
Dunellen shall be provided individually and severally by the
Borough of Dunellen with regard to enforcement of this article,
and/or by the Borough's duly authorized agent and/or the New
Jersey Department of Environmental Protection.

§ 250-15. Violations and penalties.

Any resident of the Borough of Dunellen who is found to have
violated the provisions of this article shall be subject to the
following procedures and penalties:

A. A warning on the first three occasions that said article is
   violated, and thereafter;

B. A fine up to $500 per day of violation depending upon the
   extent of and circumstances of the violation to be assessed
   pursuant to N.J.S.A. 13:1E-9 by the duly authorized
   municipal officer or his designee, as authorized hereby and
   pursuant to the inclusion of this section within the
   Middlesex County Solid Waste Management Plan.
