Message from the Mayor Jason F. Cilento September 2022

In this September *Message from the Mayor*, I would like to share some of the Borough's recent park improvement initiatives.

The basketball court projects at both Gavornik Park and Morecraft Park are now complete. The newly paved courts recently received basketball court striping. Two new benches were also installed at each court. On behalf of the Borough of Dunellen, I extend our gratitude to our friends at the Middlesex Department of Public Works for assisting the Dunellen Department of Public Works on these projects. This partnership made these valuable community improvements possible.

I am pleased to announce additional park improvements for Morecraft Park. New playground equipment has been ordered and is expected to be delivered and installed this Fall – pending any unexpected supply chain delays. The Dunellen Department of Public Works has been preparing a reconfigured playground area, which has been enlarged and moved away from the basketball court to create a safe space for children to play. The Borough Council and I approved a contract with MRC (Game Time Equipment) to install the new equipment. This project is being funded by a community benefit donation made by the developers of 528 North Avenue, Community Development Block Grants and capital improvement expenditures for park improvements.

We look forward to continuing to make progress in improving Dunellen. I am always available to listen to your ideas and concerns. My Borough cell phone number is (732) 882-4551 and my email is jcilento@dunellen-nj.gov.

Yours very truly,
