Downtown Committee  
Meeting Minutes July 19, 2016

Attendees:  Ken, Peg, Heidi, Jason, Bill, Adam, Martha  
Absent: 

Ongoing - The team agreed to focus on our mission and how we can improve Dunellen spending our time on both window displays and marketing 

Old Business  

Window displays:  
Team agreed this is worth focusing on. The contacts we thought we had are not interested so we need to continue our search for an expert in this area. 
Update: Team is having difficulty finding a college or any other resource to help with the design. 
One last hope is FIT, which Peg is going to contact 
  • Peg will contact FIT 
  • Martha will ask her sign business owner if he would do the photo shop for window enhancements 
  • Martha agreed to take a current photo of each business store front so we can select which we would like to focus on first 
Ken sent an email with tips on window decorating and sample pictures, which will be sent to new businesses after they receive our welcome letter

Marketing Dunellen  
We will continue to drive the marketing initiative. Bill sent out the packets Maria brought to the meeting. These packets went out to 40 area real estate agencies within a 5 mile radius. 
The group will continue to identify key franchises we would like to have in town and set up meetings and/or send information 
  • Maria will send the list of the 40 real estate agencies that received or packets, and will divide the list evenly.  Never sent, Maria to follow up. 
    o We all agreed to call them as a follow up to ensure receipt and to see if they have any questions.  Closed – too late 
  • Jason will write the script for us to use. Draft of script was emailed to team, no comments made so the team needs to agree on the script. Is it too late now to do this?  YES 
  • Ken agreed to meet with the developer of Art Color and let them know Trader Joe’s may have interest in Dunellen.  Ask them to initiate the contact. Trader Joe’s has an average income requirement we do not meet 
  • Ken to send out the map of open space in Dunellen- Completed – Sent to Maria and Jason 
  • Heidi has a special guest for our April 19th meeting who will share experience on how to market Dunellen.  Guest has not been scheduled, maybe at next meeting
