APPLICANT SIGNATURE Section 23a of the State Construction Act of 1972, PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines.

Signature of Licensee or Homeowner (Homeowner must also sign affidavit below) Date

HOMEOWNER AFFIDAVIT - I hereby certify the electrical work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the State Electrical Code and **shall not be enclosed, covered up**, or put into operation until it has been **inspected** and **approved** by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.

Signature of Homeowner Date

PLAN REVIEW REQUIRED

Plans must be submitted with an application for plan examination before a permit can be issued, except as listed below.

Plans are not required for the following:

- 1: When the electrical system rating does not exceed 400 amps and the building is not over 3,500 square feet in area.
- 2: Work completed by a governmental subdivision or state agency costing less than \$15,000.00

If work being performed is described above, check box below **"Plans Not Required"**

What is the rating of the service or feeder in ampere? _____ What is the building size in square feet? _____

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

MOBILE HOME UNIT SITE: When installing a site service in a park, the permit application must include the application fee, plus the number of park sites. When setting a HUD mobile home in a park, a permit must include the application fee and a feeder. A licensed electrical contractor shall do this. When setting a HUD mobile home or pre-manufactured home on private property, a permit must include the application fee, service and feeder.
