## ADVERTISEMENT FOR BIDS - LAWN MAINTENANCE

East China Township will receive sealed bids until **July 14, 2022** at the East China Township Hall, 5111 River Rd., East China, MI, 48054. **No proposals will be accepted after 9:00am.** No proposals will be accepted via fax or email.

Specifications and bid documents will be available on the Township website at [www.eastchinatownship.org](http://www.eastchinatownship.org). and on MITN.

The bid consists of furnishing all labor and equipment necessary for mowing and trimming of lawns at Township properties as described in the bid specifications. There will be a pre-bid meeting July 8, 2022 at 10:00 am at East China Township Hall, 5111 River Road East China MI 48054. Attendance is not mandatory, but highly suggested. Any questions by contractors may be asked at this pre-bid meeting.

Please send all questions to [DPW@eastchinatownship.org](mailto:DPW@eastchinatownship.org) . All questions submitted will be discussed at the pre-bid meeting. Questions being asked after the pre-bid meeting will be accepted up until 2:00pm July 8, 2022. At that time, those questions with responses will be sent to all persons via email that attended the pre-bid meeting, if an email has been provided at the meeting.

**A. Bidding Requirements:**

1. All bids are to be submitted on the attached bid proposal form in a sealed envelope.
2. East China Township is exempt from all Federal and State taxes.
3. Successful bidder is responsible for public liability, personal injury, and worker's compensation insurance.
4. The insurance requirements are outlined in this packet.
5. The bidder must provide proof of said insurance and name the East China Township as an additional insured at time of award.
6. All bids shall include firm price proposals. Fuel costs are to be included in the proposal.
7. Any exceptions to the specifications shall be stated in the bid proposal form.
8. All bidders shall supply documents regarding information on their past performance.
9. Low bidders will be subject to a post-bid interview at which time the Township can qualify the contractor of experience and equipment necessary to complete the services.
10. The bidder will be responsible to inspect the sites of the proposed work to determine all conditions
11. Contractor must provide all equipment and labor to complete the contract.
12. Contractor will be responsible for any damage caused as a result of performing the contract.
13. Subcontracting is prohibited.
14. The mowing completion date shall not be later than Friday of each week during the contract term.
15. Consideration must be given to soil conditions prior to mowing.
16. The bidder to whom the contract has been awarded will be required to execute the agreement within seven days of the award notice. If the bidder fails to do so the bid and contract award will be considered as abandoned. All bidder rights and interest in the contract will be declared forfeited to ECT and the work may be awarded to another.
17. It is the intent to award this bid in its entirety to one bidder. However, ECT retains the right to accept or reject (in part or whole) any and all bids received. Any proposal wishing to be withdrawn by the bidder must be done in writing prior to the time of bid opening on the above listed date. Any bid award is subject to review and approval by ECT. All bid results will be made available to the public after the RFP is awarded. In determining the lowest or highest responsible bidder, ECT reserves the right to consider, in addition to price, the experience and/or past performance of the bidder.
18. ECT reserves the right to terminate the contract at any time, for any reason, whether before, after or during the term of work. Upon written notice of termination, the contractor will be entitled to payment of all sums due the contractor for work completed at the date of such notice according to the contract documents.

19. ECT shall expect any onsite contractor to conduct themselves in a professional manner. Foul language, inappropriate conversation/music that can be heard by the public is not acceptable. Contractor shall proceed into and out of the public areas at slow/child safe speeds. Smoking near the public or in smoke free zones is Prohibited. Smoking cigarettes within 25' of any building is prohibited. Throwing cigarette butts on the ground is a form of litter and is not acceptable. Operating equipment in what is deemed as an "irresponsible or dangerous" manner shall be grounds for immediate removal. Contractor's attire shall be presentable, no holes in pants may be visible from the waist to the thigh. Exposed undergarments will be prohibited.
20. Onsite landscape tow vehicle shall have a back-up alarm. Landscape trailer gate is to be stowed in the upright position when not in use. Gas cans/equipment must be stored safely to limit access by public. Tow vehicle/trailer shall not park in a way that will hinder the flow of pedestrian or vehicle traffic nor block access to any Residential or Township building, driveway, or vehicle during lawn service. DPW Supervisor will direct contractor to preferred parking locations at Township buildings for services rendered during business hours. No lawnmower, string trimmer, blower, edger, or any other equipment shall be left "running" or "on" at any given time, without being manned by the operator.
21. This contract may be extended for one additional year. The option to renew requires the mutual agreement of both parties. Refusal by either party to exercise this option to extend will cause this contract to expire.
22. The DPW Supervisor is the point of contact and will verify the contract details were completed each week.
23. Request invoicing once per month, end of month invoices will be reviewed and submitted for payment with terms net 30.

## East China Township Request for Proposal

### **B. Lawn Maintenance Services Scope of Work**

The Charter Township of East China (herein referred to as ECT) is seeking to retain a contractor for general lawn maintenance services. These services include furnishing all labor and equipment necessary for the mowing and trimming of properties as described in this scope. Services also include removal of grass, leaf cuttings, and materials remaining as a result of such mowing and trimming as described in the bid specifications. All work will be under the DPW Supervisor direction. The terms of this contract will begin upon execution of the agreement and run through November 28<sup>th</sup>.

**A. MOWING – Detailed Description:**

*(Items listed Below should be considered in pricing “CUT/ TRIM” on the proposal)*

1. Excessive grass clippings shall be collected and disposed of. Clippings to be bagged/removed from all areas.
2. Serviced Turf height not to exceed 3”. And display a uniformed appearance.
3. All clippings blown off walks, paths, roads, driveways, parking lots, tables, benches, buildings, equipment, landscaping stones weekly.
4. Remove/ Dispose of any Sticks, Branches, Litter, or any other lawn debris discovered while providing services. Items mowed over are expected to be collected by contractor prior to vacating premises. Items retrieved are to be removed by contractor not disposed of on site.
  - i. DPW Supervisor may permit use of dumpster for specific purposes however NO lawn debris is to be disposed of on any Township properties.
5. Ditches to be maintained weekly. ALL areas Whipped and Mowed.
6. Weed whips to be used on ditch banks and ditch bottoms if conditions do not allow lawn mowers to be utilized without creating ruts. Whatever form of maintenance is required for ditches to be maintained weekly.
7. Shall maintain a manageable mower speed around the base of any stationary object/trees to reduce the risk of damaging the Turf, Objects or Trees.
8. Shall maintain a safe manageable mower speed in high traffic areas (foot traffic or otherwise).
9. Must disengage blades when any pedestrian, pet, child, or vehicle, or other is nearing. Always being mindful of the surroundings, mower speed and direction of the decks discharge.
10. Deck discharge shall always be in the opposite direction of any pedestrians, children, pets, vehicles, damageable objects, or structures.

**B. WEED CONTROL – Detailed Description:**

*(Items listed Below should be considered in pricing “WEED CONTROL” on the proposal)*

- All chemical controls must be applied under the supervision of a licensed and qualified herbicide applicator, following the procedures set forth in the labeling of the product, as required by law.

**Post Emergent Control** *(Per agreed upon proposal for each designated location)*

1. All areas shall be kept free of weeds. Chemical and/or mechanical means may be used as appropriate. (Per agreed upon proposal for each designated location)
2. Before applying herbicides, the type of weed shall be identified and the control selected accordingly, using the most effective control for the species, the location, and the season.
3. Expectations for “Weed Control” –
  - i. Areas requesting “Price/Spray, Price/Season,” weeds shall not be allowed to grow in paved areas such as driveways, walks, curbs, or, gravel driveways, landscaping stones, mulch, or fence-lines. Application requirements differ per each location. Weeds may be removed manually or sprayed with an herbicide. Dead weeds shall be removed from treated landscaped areas at Township Hall.
4. Post emergent control is NOT permitted in turf areas.

5. The DPW Supervisor shall be provided with the labeling (MSDS) for each herbicide proposed and receive approval before the product is applied.
6. Post emergent shall be sprayed at the manufacturer's recommended rates and only when weather conditions are appropriate.
7. Contractor is responsible for damages incurred from misuse of chemicals, overspray, killing plantings or contamination related to misuse.
8. DPW Supervisor may approve spraying around semipermanent items in yards such as objects infrequently moved, buildings, equipment, etc. Unless specified on this proposal as a request for pricing, spraying of areas such as this would be at contractors' expense as permitting use of herbicide would alleviate expense of gas-powered equipment to maintain areas and only as permitted by DPW Supervisor.
9. Treated Fence-lines: Spray shall not be broadcasted to a spread of over 4" on either side of the center of Fence-line.
10. Treated Buildings or Objects: Spray shall not be broadcasted to a spread of over 4"-6" from any Building or Objects.
11. Contractor is responsible for ensuring that ALL areas treated are to be in a uniform appearance – without overspray.

**C. STICK EDGING – Detailed Description**

*(Items listed Below should be considered in pricing "MONTHLY STICK EDGING" on the proposal)*

1. Stick Edging to be completed ONCE MONTHLY:
2. Edging shall be performed with a blade type mechanical edger. The cut edge should appear as a clean, straight line
3. Stick Edge along ANY concrete edge, walkways, picnic areas once per month
4. Date of edging required on monthly invoice
5. Spoils from edging picked up and removed, remnants to be blown, broomed, or washed off.

**D. TRIMMING/ TRIM EDGING – Detailed Description**

*(Items listed Below should be considered in pricing "CUT/ TRIM" on the proposal)*

1. All lawn edges along sidewalks and curbs shall be Trim Edged before each mowing during the active growing season/duration as part of the weekly maintenance contract.
2. A monofilament line trimmer shall be used to trim around all obstacles within the lawn area. Care shall be taken to ensure that the bark of trees and shrubs are not damaged or stripped by the line trimmer.
3. Lawn sprinkler heads shall only be Trim Edged to allow for proper distribution of water.
4. All Culverts, ditch ends, signposts, trees, fence lines, hydrants, mailbox, borders, curbs, tire blocks, landscaping, sheds, buildings, objects are maintained Weekly.
5. DPW Supervisor may approve spraying around semipermanent items in yards such as objects infrequently moved, buildings, equipment, etc. Unless specified on this proposal as a request for pricing, spraying of areas such as this would be at contractors' expense as permitting use of herbicide would alleviate expense of gas-powered equipment to maintain areas and only as permitted by DPW Supervisor.
6. All areas trimmed should have a uniformed appearance.

**E. IRRIGATION SYSTEM / SPRINKLER HEADS – (Township Hall only)**

5. The contractor is required to familiarize themselves with locations of sprinkler heads at the Township Hall property. DPW Supervisor will do walk through with contractor.
6. Repairs to sprinkler equipment damaged by mowers or equipment operated by the contractor shall be the responsibility of the contractor, at no cost to East China Township. If repair work is not accomplished in a timely manner, DPW Supervisor shall have work completed and deduct loss from monthly payment.
7. Irrigation repairs shall be made with the same brand, make, and model of component where the use of a different part will adversely affect the systems efficiency.
8. It is recommended that the contractor perform sprinkler check/inspection after each mowing if there is concern of potential damage during lawn maintenance.
9. Immediately Flag all water leaks and/or system malfunctions and report damages to the DPW Supervisor.

**F. ANNUAL PRUNING – (Township Hall Only)**

*(Items listed Below should be considered in pricing “ANNUAL PRUNING” on the proposal)*

1. Trim/Prune new growth on trees/shrubs in landscaping on North and West sides of Township Hall building to keep a uniform neat appearance.
2. All trimmings to be removed/hailed away.

**OTHER REQUIREMENTS:**

- DPW Properties to be serviced no later than 3:00pm Monday – Friday.
- DPW Garage, and DPW Yard are fenced properties accessible only by auto gate. Arrangements for access is required with DPW Supervisor to make entry to these properties.
  - Set Day/ Time preferred for accessibility to properties.
- DPW properties closed on Federal Holidays.
  - DPW Properties are to be serviced on days prior to or after a Federal Holiday ensuring the properties receive weekly maintenance.
  - Holidays that could affect dates of service during the terms of this or future contract:
    - Memorial Day, July Fourth, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, Day after Thanksgiving Day.
- Must practice extra caution when near pedestrians, small children, pets, vehicles, objects, buildings/structures.
- If serviced areas are occupied and relocation is not possible due to time constraints, contractor shall inquire if pedestrian(s) can relocate for lawn maintenance to proceed. In any event there be children, elderly, or those with disabilities of any sort, contractor should relocate to another area until those individuals are able relocate themselves.
- In ALL cases of pedestrians using the bike path, contractor is to be mindful of their surroundings as well as wind direction, and always disengage blades or decelerate whips/blowers if debris is blowing in the direction of approaching or passing pedestrians.
- In the event of any fallen trees/large limbs/dead fall in maintained areas included in this proposal; contractor is to maintain manageable surrounding areas of the hazard. Contractor is not required to maintain the immediate area where growth may occur under or touching the hazard. Once hazard is removed contractor will resume maintenance in that area.
- Contractor must and sign and adhere to the East China Township Contractor Stormwater Compliance Agreement.

### Insurance Requirements:

Workers Compensation Insurance: The Contractor shall procure and maintain during the life of this contract Workers' Compensation Insurance, including Employers' Liability Coverage, in accordance with all applicable statutes of the State of Michigan.

Commercial General Liability Insurance: The Contractor shall procure and maintain during the life of this contract, Commercial General Liability Insurance on an "Occurrence Basis" with limits of liability not less than \$1,000,000 per occurrence and aggregate for Personal Injury, Bodily Injury, and Property Damages. Coverage shall include the following extensions: (A) Contractual Liability; (B) Products and Completed Operations; (C) Independent Contractors Coverage; (D) Broad Form General Liability Extensions or equivalent; (E) Deletion of all Explosion, Collapse, and Underground (XCU) Exclusions.
