

East China Township Master Plan Public Workshop

LOCATION:

East China Township Hall

5111 River Road

East China, MI 48054

DATE:

Mon., October 23, 2023

TIME:

5:30 PM

Please join us for this Public Workshop, where you will have an opportunity to **share your thoughts about the future of East China Township!** The meeting will begin with a presentation of the online citizen survey results. It will then feature exercises where you will work with others to confirm community values and identify strategies for land use, development, transportation, preservation, and other aspects of community life.

East China Township is preparing a new Master Plan. The Plan will establish a renewed vision for land use and development, which is consistent with the overall character of the Township. This vision will guide local elected officials, Township staff, and the Planning Commission in making informed land use and development decisions.

The Plan has a long-range focus, exploring needs and goals over the next 5 to 20 years.
