SCHOOL AGE EXTENDED LEARNING

Old Colony YMCA 2020-2021 Registration (ages 5-12) Easton Branch

Positive Youth Development is at the core of everything we do. Every day, we support young people and support them to reach their fullest potential. We strive to create environments where children can learn and grow. This year it is imperative we engage our students throughout the learning day through positive relationships with YMCA staff and structured enriching curriculum that supports social and emotional development. **At this time we are accepting registrations for School Age programs. We are offering Full Day and Before & After School for children throughout the school year, Monday – Friday for any students in virtual hybrid learning programs.** Before & After School programs will be held at each school for in-person learning days, while Full Day care will be held at our Barrows Street location for remote learning days.

A separate registration form for each child needs to be completed, along with a non-refundable \$30 fee per child. A MA Department of Early Education & Care enrollment packet and more information will be sent once your registration is processed. This packet must be submitted at least 1 week prior to attending the program for review and processing. No child will be permitted to attend without a completed enrollment packet.
