

CONVENIENT SUMMER VACCINE CLINIC (ages 12+)

We are all anxious to get back to “normal” operations after all the challenges presented by COVID-19.

As we look forward to the 2021-2022 school year, our goal is to avoid any interruptions to in-person learning. Current [DESE guidance](#) along with DPH policy, exempt fully vaccinated individuals from needing to quarantine if they are identified as close contacts to a COVID-19 positive individual.

In an effort to provide easy and convenient access to vaccinations, the Town of Easton, in Partnership with the Rite Aid Pharmacy, will hold a vaccination clinic.
