8.1 Micro-Mobility Industry

Arrange a meeting with the micro-mobility industry players who had requested locations in the City for their vehicles to operate from, as it relates to the way forward and the requirements of the COH.
(CEO/City Secretary)

8.2 Assault in Par-La-Ville Car Park

Contact the victim of assault in the PLV car park, with further developments, following the Chairman's email dated 16 September 2022. **(CEO/City Secretary)**

8.3 Angle Street Speed Bump

Following the community survey, carry out the installation of the speed bumps on Angle Street by the end of 2021. **(COO/City Engineer)** This would be carried out on approval of the new Traffic Calming Policy.

8.4 Traffic Calming Policy

As there were no regulations in Bermuda for creating speed bumps, the COH would write a Speed Bumps Policy. **(COO/City Engineer)** The COO/City Engineer presented a draft Traffic Calming Policy noting that diagrams would be added. It was thought that imperial measurements could be included and the emergency services would include the police. The Mayor noted a contradiction in the first paragraph referring to Dundonald Street which currently had several speed bumps and where there was frequent freight traffic.

8.5 Paving Works Schedule

After survey, the results of the annual sidewalk and road assessments would be published to inform the community of upcoming works due to take place in the coming year. In 2022, this would include all work carried out since 2014. **(COO/City Engineer)** The COO/City Engineer said that the Asset Management Plan had been completed in conjunction with advices from the Residents Advisory Committee. The Public Relations Manager was currently formatting a document which would be published. The maps were awaited to be included.

8.6 Concessions to Encourage Building Projects

Forwarded from the Board Meeting held on 5 October 2022, to compile a list together with criteria, as it relates to potential concessions which the COH could offer to encourage building projects in the City. **(CFO/Acting City Secretary)** The Mayor said that the concessions which could be offered were limited and the COH would not be in a position to alter rates. He suggested that the matter be held over until the spring next year, to consider how the COH could be pro-active in encouraging projects in light of the Government proposal for development of North Hamilton. Perhaps the COH could consider incentives for projects in keeping with the area, at that time.

8.7 Proposal for Ice Machine

Write to Mr. Artie Darrell to deny his request, as it related to the installation of an Ice Machine near No.1 car park or Albuoys Point. **(CEO/City Secretary)**

8.8 Proposal for Rent of 3 Point Pleasant Road (Hodge Podge)

As there had been no decision on the proposal to rent the property to DeBraga as a childcare facility, arrange a meeting with Coldwell Banker and the CEO/City Secretary, to explore other possibilities for advertising the COH rental property at 3 Point Pleasant Road. **(COO/City Engineer)**

8.9 Residential Parking Permits for Atlantis

Make a search of the files for historical letters and documentation from Sir John Swan and the COH, as it related to a possible agreement for the provision of car parking in the adjacent lot, for the 61-unit Atlantis condominium residents. **(CFO/Acting City Secretary)**

Make a search of the Planning Department's approval documentation, as it related to residential parking for the 61-unit Atlantis Condominium building. **(COO/City Engineer)**

At the Board Meeting held on 7 December 2022, the Board approved that residents of the Atlantis Condominium building, upon application for 2023 Residential Parking Permits, would be advised that the COH would not issue permits until completion of its investigations with the Ministry of Planning and its own documentation, to determine whether there was an agreement or Resolution related to residents car parking charges.

8.10 Overhanging Trees on Princess Street

Respond to Councillor Edwards' email as it relates to overhanging trees on Princess Street which were entangled with overhead cables. **(COO/City Engineer)**

9. Resolutions Approved by the Minister

That the Board approve that residents of the Atlantis Condominium building, upon application for 2023 Residential Parking Permits, would be advised that the COH would not issue permits until completion of its investigations with the Ministry of Planning and its own documentation, to determine whether there was an agreement or Resolution related to residents car parking charges.

That the Board approve that residents of the Church Street (east of the Cathedral) and 6 Dundonald Street developments, upon application for Residential Parking Permits, would be advised that the COH would not issue permits as there would be provision of pre-determined car parking, as approved by the Planning Department.

That the Board approve to sponsor Mr. Glenn Fubler's Claudette Colvin 2 March Anniversary Event, to be held on Thursday, 2 March 2023, at Freedom Square and the Earl Cameron Theatre. Sponsorship would be for the waiver of venue rental fees. Labour and all other costs would be chargeable.

That the Board approve to sponsor the community event for the combined 100-year Anniversary Celebrations of the Bermuda National Gallery and the Bermuda Society of Arts, and City Hall and Arts Centre as Bermuda's centre for visual and performing arts. The event would be held on 11 December 2022 from 3.00 pm to 5.00 pm, utilising City Hall Foyer, the Front Lawn and Steps, and the Earl Cameron Theatre.
