Following the community survey, carry out the installation of the speed bumps on Angle Street by the end of 2021. **(COO/City Engineer)** The COO/City Engineer said that the quotes and schedule for asphalt paving in 2022 was awaited from the contractor, following which the speed bump could be installed during the summer.

8.3. Traffic Calming Policy

As there were no regulations in Bermuda for creating speed bumps, the COH would write a Speed Bumps Policy. **(COO/City Engineer)** The COO/City Engineer presented a draft Traffic Calming Policy noting that diagrams would be added. It was thought that imperial measurements could be included and the emergency services would include the police. The Mayor noted a contradiction in the first paragraph referring to Dundonald Street which currently had several speed bumps and where there was frequent freight traffic.

8.4. Official Naming of Dudley Eve Park Event

Schedule a date for the official naming of Dudley Eve Park event with full PR, after installation of the stair structure and park signage. **(COO/City Engineer)** The COO/City Engineer said that construction of the stairs had been completed and was awaiting installation of the railings. 9. Resolutions Approved by the Minister

That the Board approve, in the spirit of assisting the re-establishment of the Bermuda tourism industry in 2022, as it relates to the Sail GP Block Party to be held on 11 May 2022, that the COH would waive the labour costs normally associated with an event such as this.
