

LOWCOUNTRY AREAWIDE WATER QUALITY MANAGEMENT PLAN

Amendment 11

Inverary Development may construct a wastewater treatment plant (WWTP) with a capacity of 500,000 gallons per day with Beaufort-Jasper Water Sewer Authority as owner, operator, and manager of the facility. All permits will be in the name of Beaufort-Jasper Water Sewer Authority.

Addition to page 44, Chapter 4, Roles and Responsibilities

On Figure 4-4 add the planning boundaries for Inverary WWTP.
