

# LOWCOUNTRY AREAWIDE WATER QUALITY MANAGEMENT PLAN

## Amendment 9

Delta Plantation may construct a wastewater treatment plant (WWTP) with a capacity of 55,000 gallons per day with the City of Hardeeville as owner, operator, and manager of the facility. All permits will be in the name of the City of Hardeeville.

### **Addition to page 44, Chapter 4, Roles and Responsibilities**

On Figure 4-4 add the planning boundaries for Delta Plantation WWTP.
