

"Best Kept Secret in Northern Minnesota"

Marshall County Park at Florian

Seasonal Camper meeting 05-17-2021 7:00 pm

Board members present: Sharon Bring, Kristi Evans, Jeff Kroll, Larry Nybladh, Alysa Tulibaski Loren Lusignan, park manager, Jim Stafford, Building and Projects: Rodger Haugtvedt

An open meeting to share the water and electrical upgrades plan with seasonal campers was held. A park plan layout and state guidelines were handed out to those in attendance.

The following questions/comments/concerns were brought up:

Sites 5, 6 and 7 will be relocated into the park.

Campground laws, MN State Website, asked to email that out to campers.

It was noted that each seasonal lot must be minimum of 2000 sq feet. In order to upgrade our county park, we must abide by these state mandates.

Dirt will be hauled in and out where needed. The ditch will remain.

If a spot is eliminated, who will move there? All will shift down.

Pulling in camper vs. backing camper in.

How will people move decks? Campers are responsible for this.

Tree(s) may have to be trimmed or cut down.

Who will move my rocks that were installed under neath campers?

Site 21 wants to continue to face the lake.

Keep site, but numbers will change.

Each site back/center will have the electric and water hook ups.

Expansion idea was brought up, or adding water and electric to primitive.

Camper can be placed on edge of lot, doesn't have to be centered.

Site 24, looks like most of lot is a ditch.

Asked if lot rent will increase next year. That has not been determined yet.

Asked if there were grants to cover this project.

Fees were brought up. Keep raising them, but don't see any changes, improvements, or additions.

This project will cost \$\$\$, need to work with Commissioners so they help fund this project so entire cost is not placed onto seasonal campers.

Staffing was brought up:

Kids sitting in office.

Garbage pick up

Suggestion of hosting more seasonal camper meetings 2x-3xs per year.

Suggestion to use the Remind app to notify campers and continue communication.

Ask was made to fix electric for this year to get through season before project.

Noted that not all received the internet survey, will be resent.

Ask for a dog area, to let off leash.

Camper meeting concluded at 9:25 pm

Board meeting

Sharon called the mtg to order at 9:34 pm

Loren made a motion to approve minutes. Kristi 2<sup>nd</sup>. All approved, motion carried.

Rodger will check into how long state approval will take?

Loren made a motion to recommend the BOC to proceed with park infrastructure plan contingent upon state approval. Using this time to continue to get Park Board and camper's input.

Sharon 2<sup>nd</sup> the motion.

Yes: Sharon, Larry, Loren, Kristi, Alysa No: Jeff

Motion Carried.

Meeting adjourned 11:06 p.m.

Respectfully submitted by: Alysa Tulibaski, Secretary
