

MAILBOX SUPPORT POLICY
June 1st, 2023

GENERAL REQUIREMENTS:

Installation of these mailbox supports may not be suitable for all County Roads (i.e. Municipal County streets with curb & gutter). They were designed and intended for use on rural roadway cross-sections to benefit both the County Highway Department and the landowner. Use of these supports in locations determined unsuitable by the County Engineer may be supplied for **\$50.00**.

COUNTY ROADS, CSAHS & TOWNSHIP ROADS:

\$50.00 (materials + installation)

Must be installed by the County -- cannot be picked up and installed by the citizen.

THESE TOWNSHIPS PAY FOR MAILBOX SUPPORTS:

Eckvoll	Nelson Park	Parker	West Valley
Holt		Sinnott	Vega
Huntly	New Solum	Viking	Bloomer (pays ½)

REINSTALLATION OR MOVING OF SUPPORTS:

Any stand that needs to be moved will be charged a \$50.00 reinstallation fee. The stand cannot be reinstalled by the citizen.

MAILBOX OR SUPPORT REPLACEMENTS DAMAGED BY THE COUNTY:

The County will not replace damaged substandard mailbox supports, nor will the County replace damaged mailboxes if on a substandard support. The County will replace, at no charge, standardized mailboxes and supports damaged by County equipment.

*Tell person calling that it is their responsibility to check with their postmaster to make sure the stand is put in the correct place. They will be charged the \$50.00 reinstallation fee if we need to come out again.

April 18, 2012

The State Hwy Department is allowing us to put up mailboxes in their right of way. They are giving our phone number to residents calling and wanting mailbox stands put up on the TH roads.
