## Additional Performance Credit Calculations and Supplemental Information

Describe below the progress made in meeting your program year work plan inspection goals. You must provide quantitative results for each compliance inspection and land application goal listed in your work plan.

A total of three inspections were conducted which met the required amount in the work plan. One inspection was done in the BWSR One Watershed One Plan (1W1P) area, another in the 50 - 99 AU category and the third inspection was in the 100 - 299 AU category. All three inspections were compliant and letters were mailed out with copies of their inspection results and compliance.
