**AMENDMENT TO THE FIRST AMENDED AND RESTATED MODERATE INCOME  
HOUSING PROGRAM ADMINISTRATION SERVICE AGREEMENT**

Midvale City, Utah

This Amendment to the First Amended and Restated Service Agreement to Administer Revised Housing Programs (this “Amendment”) is entered into as of this 14th day of December, 2023 by and between the Redevelopment Agency of Midvale City (“RDA”), a public body, and Salt Lake Neighborhood Services DBA NeighborWorks Salt Lake (“Contractor”), a Corporation.

**Background**

The Parties executed the First Amended and Restated Service Agreement to Administer Revised Housing Programs on September 19, 2023 (“Restated Service Agreement”) attached as Exhibit A.

The RDA has received Community Development Block Grant (“CDBG”) funding for the RDA’s Home Repair Loan Program (“Project” or “Program”) and is subject to an agreement between Salt Lake County and Midvale City signed on December 6, 2023 (“County Agreement”), attached as Exhibit B.

In the Restated Service Agreement, the Parties agreed that the “final programs must be compliant with all federal and state requirement including, but not limited to, CDBG requirements.”

The Restated Service Agreement also states that Contractor will launch and administer the programs and will “assist the RDA in compiling and submitting any compliance reports required by law,” file “any necessary reports with regulatory agencies,” and take “any other steps reasonably necessary to operate the programs and accomplish their state goals.”

The County Agreement requires that all the RDA’s subcontractors doing CDBG work be subject to the requirements of the agreement and a list of applicable CDBG and other federal requirements.

The Parties wish to amend their Restated Service Agreement to include the provisions required by Salt Lake County.

Therefore, in consideration of the mutual promises contained in this Amendment, the Parties agree as follows:

1. Amendment. This Amendment amends the Restated Service Agreement and remains in force for the duration of the Restated Service Agreement and any successor agreements.
2. Incorporation of County Agreement. This Amendment hereby incorporates all provisions of the County Agreement in their entirety as required by Paragraph 22(d)(ii)(c) of the County Agreement. This Amendment is subject to any future amendments to the County Agreement.
3. Inclusion of CDBG Money in the Program. The RDA shall provide additional funding for the Program managed by Contractor in the amount of \$100,000.00 to be used during the term of the County Agreement.
4. Documentation for Reimbursement. Contractor agrees to provide the RDA with whatever documentation is necessary for the RDA to obtain reimbursement from Salt Lake County pursuant to Paragraph 8 of the County Agreement.
5. Special Conditions. Contractor's performance under the Restated Service Agreement will be subject to the following special conditions related to CDBG funds:
  - A. Compliance. Contractor agrees to comply with the requirements of the CDBG Program regulations found at 24 CFR part 570 and all incorporated and related Federal regulations, statutes, policies, and directives, as applicable. Contractor also agrees to comply with all other applicable Federal, State, and local laws, regulations, policies, and Salt Lake County program directives governing the funds and services provided under the Restated Service Agreement including but not limited to 2 CFR part 200.
  - B. Licensing. Contractor will obtain all licenses, permits and/or certificates required by Federal, State, and local government statutes, laws, ordinances and/or regulations required by every governmental jurisdiction in which the Project is provided for the duration of the Restated Service Agreement. Contractor shall have said licenses, permits, and certificates available during normal business hours for inspection by the City.
  - C. Grantor Recognition. Contractor shall ensure recognition of the role of HUD in providing services through the Restated Service Agreement. All activities, facilities, and items funded under the Restated Service Agreement shall be prominently labeled as to funding source. In addition, Contractor will include a reference to the support provided herein in all publications made possible with funds made available under the Restated Service Agreement.

- D. Build America, Buy America Act. The Build America, Buy America Act (“BABA”) (Pub. L. No. 117-58, §§ 70901-52) enacted as part of the Infrastructure Investment and Jobs Act (“IIJA”) (Pub. L. 117-58) on November 15, 2021, established a domestic content procurement preference for all Federal financial assistance obligated for infrastructure projects after May 14, 2022. Recipients of an award of Federal financial assistance from a program for infrastructure are hereby notified that none of the funds provided under this award may be used for a project for infrastructure unless: (1) all iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States; (2) all manufactured products used in the project are produced in the United States—this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than fifty-five percent (55%) of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and (3) all construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project. When necessary, recipients may apply for, and the agency may grant, a waiver from these requirements. The agency should notify the recipient for information on the process for requesting a waiver from these requirements. (a) When the Federal agency has made a determination that one of the following exceptions applies, the awarding official may waive the application of the domestic content procurement preference in any case in which the agency determines that: (1) applying the domestic content procurement preference would be inconsistent with the public interest; (2) the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or (3) the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than twenty-five percent (25%).

A request to waive the application of the domestic content procurement preference must be in writing. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than fifteen (15) days and must be reviewed by the Made in America Office.

- E. Uniform Requirements. Contractor and its agencies or instrumentalities and subcontractors shall comply with applicable uniform administrative requirements, cost principles, and audit requirements as described in 2 CFR part 200 and as modified by 24 CFR § 570.502. The Super Circular supersedes and consolidates the requirements from OMB Circulars A-21, A-50, A-87, A-89, A-102, A-110, A-122 and A-13.
- F. Other Program Requirements. Contractor shall comply with the Program requirements set forth at 24 CFR §§ 570.600 - 570.614. Except, Contractor shall not be required to assume the environmental responsibilities described at 24 CFR § 570.604 or the review process under 24 CFR part 52.
- G. Financial Management. Contractor agrees to comply with the standards for financial and program management in accordance with 2 CFR part 200, Subpart D, and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.
- H. Cost Principles. Contractor, as specified in 24 CFR § 570.502(a), shall administer the Program in conformance with 2 CFR part 200, Subpart E, as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.
- I. Documentation and Record-Keeping.
- i. Records to Be Maintained. Contractor shall maintain all records required by the federal regulations specified in 24 CFR § 570.506, pertinent to the activities to be funded under the Restated Service Agreement.
  - ii. Retention. Records shall be retained for the periods set forth at 24 CFR § 570.502(a)(7)(ii) and 2 CFR § 200.333. The retention period for individual CDBG activities shall be the longer of three (3) years after the expiration/termination of the agreement or after the submission of the annual performance and evaluation report in which the specific activity is reported on for the final time by Salt Lake County. Records subject to reversion of assets or change or use provisions must be maintained for as long as those provisions continue to apply to the activity. Records of outstanding loan balances or other receivables or contingent liabilities must be retained until such receivables or liabilities have been satisfied. Records for non-expendable property acquired with funds under the Restated Service Agreement shall be retained for three (3) years after final disposition of such property. Records for any displaced person must be kept for three (3) years after he/she has received final payment. Notwithstanding the above, if there is litigation, claims, audits, negotiations, or other actions that involve any of the records cited and that have started before the expiration of the three (3) year period, then such

records must be retained until completion of the actions and resolution of all issues, or the expiration of the three (3) year period, whichever occurs later.

- iii. Client Data. Contractor shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level, or other basis for determining eligibility and description of service provided. Such information shall be made available to the RDA monitors or their designees for review upon request.
- iv. Disclosures. Contractor understands that client information collected under the Restated Service Agreement is private and the use or disclosure of such information, when not directly connected with the administration of Salt Lake County's, the Midvale City's, the RDA's, or Contractor's responsibilities with respect to services provided under the Restated Service Agreement, is prohibited without a lawful court order unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.
- v. Property Records. Contractor shall maintain real property inventory records, which clearly identify properties purchased, improved, or sold. Contractor will adhere to 2 CFR Section 200.329, which requires annual reporting of real property for which there is a Federal interest. If the Federal interest extends beyond fifteen (15) years, the reporting periods are multiyear reporting periods.
- J. Close-Outs. Contractor's obligation to the RDA shall not end until all close-out requirements, which are set forth at 2 CFR Section 200.343, are completed. Activities during this close-out period shall include, but are not limited to, making final payments, disposing of Program assets (including the return of all unused materials, equipment, unspent cash advances, Program income balances, and accounts receivable to Salt Lake County) and determining the custodianship of records.
- K. Audits & Inspections. All Contractor records with respect to any matters covered by the Restated Service Agreement shall be made available to the RDA, grantor agency, their designees, or the Federal government, at any time during normal business hours, as often as the RDA or grantor agency deems necessary, to audit, examine and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by Contractor within a time period as agreed upon by the RDA and Contractor after receipt by Contractor. Failure of Contractor to comply with the above audit requirements will constitute a violation of this Amendment and may result in the withholding of future payments or refunding of payments to the RDA. Contractor hereby agrees to have an annual agency audit conducted in accordance with current Salt Lake County policy concerning subrecipient audits and, as applicable, 2 CFR part 200, Subpart F.
- L. Program Income.

- i. All program income, as defined at 24 CFR § 570.500(a), will be returned to the RDA immediately upon being earned. Program income is defined in § 570.500(a) of the Rules and Regulations as gross income received by Contractor which is directly generated from the use of the CDBG funds provided hereunder, except as specifically excluded under 24 CFR § 570.500(a)(4).
  - ii. Any program income in possession of Contractor that has not been returned to the RDA when the Restated Service Agreement expires or is terminated or is received by Contractor after the Restated Service Agreement expires or is terminated, shall be transferred or paid to the RDA in accordance with the provisions of Paragraph 5.O, entitled Reversion of Assets.
- M. Indirect Costs. Indirect costs may be charged if Contractor develops an indirect cost allocation plan, prepared in accordance with 2 CFR part 200, Subpart E, for determining the appropriate Contractor's share of administrative costs and shall submit such plan to Salt Lake County for approval.
- N. Progress Reports. During the actual conduct of the Project, Contractor shall prepare and submit to the RDA every three (3) months, or as otherwise specifically requested by Salt Lake County, a detailed project status report. The report format shall be as approved by Salt Lake County but must show, at a minimum, the current performance status of the Project being reported, the costs and contractual commitments incurred to date that have been charged to that Project, the beneficiaries of the Project, the money leveraged by CDBG-funded Activity, information relating to the HUD performance indicators and any CDBG program income received on that Project for the period preceding the report date.
  - i. Reversion of Assets. As provided in 24 CFR § 570.503(b)(7), upon the expiration or termination of the Restated Service Agreement, Contractor shall release to the City any unexpended CDBG funds provided under the Restated Service Agreement, all Program income in its possession which it has not returned to the RDA and any accounts receivable attributable to the use of CDBG funds provided under the Restated Service Agreement. Contractor shall not acquire real property under its performance of the Restated Service Agreement.
- O. Procurement. Contractor shall procure all materials, property, or services in accordance with the Procurement Standards of 2 CFR part 200, Subpart D, except, to the extent that Salt Lake County's Purchasing Procedures are more restrictive, Contractor shall follow Salt Lake County's procedures pursuant to Chapter 3.20 of the Salt Lake County Code of Ordinances. In the event the procurement standards of Contractor are more restrictive than those in Chapter 3.20 or 2 CFR §§ 200.317 - 326, the more restrictive standards and requirements will apply.
- P. Equipment. Equipment means tangible nonexpendable personal property having a useful life of more than one (1) year and an acquisition cost of five thousand dollars

(\$5,000.00) or more per unit (2 CFR § 200.33). Contractor shall comply with 2 CFR Part 200, Subpart D, as modified by 24 CFR § 570.502(a)(6) and Salt Lake County policy regarding the use, maintenance, and disposition of equipment. In the event the policies of Contractor are more restrictive than those in 2 CFR Part 200, Subpart D, the more restrictive standards and requirements will apply.

Q. Environmental Conditions.

- i. Air and Water. Contractor agrees to comply with the following requirements insofar as they apply to the performance of the Restated Service Agreement:
  - a. Clean Air Act, 42 U.S.C., § 7401, et. seq.
  - b. Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251, as amended, relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in Section 114 and Section 308 and all regulations and guidelines issued thereunder.
- ii. Flood Disaster Protection. In accordance with the requirements of the Flood Disaster Protection Act of 1973, 42 U.S.C. § 4001, Contractor shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).
- iii. Lead-Based Paint. Contractor agrees that any construction or rehabilitation of residential structures with assistance provided under the Restated Service Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR § 570.608 and 24 CFR Part 35. Such regulations pertain to all HUD-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint poisoning and the advisability and availability of blood lead level screening for children aged six and under. The notice should also point out that if lead-based paint is found on the property, interim controls or paint stabilization may be undertaken.
- iv. Historic Preservation. Contractor agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, 16 U.S.C. § 470, as amended and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of the Restated Service Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty (50) years old or older or that are included on a Federal, State, or local historic property list.

6. Personnel & Participant Conditions.

A. Civil Rights.

i. Nondiscrimination and Equal Opportunity.

- a. Contractor and all persons acting on its behalf, agree to comply with the non-discrimination and equal opportunity requirements set forth in 24 CFR § 5.105 and with all Federal, State, and County laws governing discrimination, and they shall not discriminate in the application, screening, employment, participation, or any other involvement of any person in relation to any phase of the Project(s).
- b. Contractor will not discriminate against any employee or applicant for employment because of race, color, creed, religion, ancestry, national origin, sex, disability or other handicap, age, marital/familial status, or status with regard to public assistance.
- c. Contractor will take affirmative action to ensure that all employment practices are free from such discrimination. Such employment practices include but are not limited to the following: hiring, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places notices setting forth the provisions of this nondiscrimination clause.

Contractor must comply with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR Part 60, as enforced by the Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.

- b. Contractor has had an opportunity to review and complies with Salt Lake County's policy enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations.

- iii. Land Covenants. The Restated Service Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and 24 CFR §§ 570.601 and 602. In regard to the sale, lease, or other transfer of land acquired, cleared, or improved with assistance provided under the Restated Service Agreement, Contractor shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that Salt Lake County and the United States are beneficiaries of and entitled to enforce such covenants. Contractor, in undertaking its obligation to carry out the Program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant and will not itself so discriminate.
- iv. Section 504. Contractor agrees to comply with any Federal regulations issued pursuant to compliance with Section 504 of the Rehabilitation Act of 1973 (290 U.S.C. 706), which prohibits discrimination against the disabled in any federally assisted program. Salt Lake County may provide Contractor with any guidelines necessary for compliance with that portion of the regulations in force during the term of this Agreement.

B. Affirmative Action.

- i. Approved Plan. Contractor agrees that it shall be committed to carrying out an Affirmative Action Program in keeping with the principles as provided in President's Executive Order 11246, as amended by Executive Orders 11375, 11478, 12086, and 12107 regarding Equal Employment Opportunity programs; and implementing regulations at 41 CFR part 60.
- ii. WMBE. Contractor will use its best efforts to afford minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Restated Service Agreement in keeping with the principles as provided in President's Executive Order 11625, as amended by Executive Order 12007 (Minority Business Enterprises); Executive Order 12432 (Minority Business Enterprise Development); and Executive Order 12138, as amended by Executive Order 12608 (Women's Business Enterprise). As used in this Agreement, the term "minority and Women's business enterprise" means a business of at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are those groups of U.S. citizens found to be disadvantaged by the Small Business Administration pursuant to Section 8(d) of the Small Business Act. The RDA may rely on written representations by businesses regarding their status as minority and women business enterprises in lieu of an independent investigation.

- iii. Access to Records. Contractor shall furnish and cause each of its own subcontractors to furnish all information and reports required by the RDA and will permit access to its books, records, and accounts by the RDA, Midvale City, Salt Lake County, HUD or its agent, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.
- iv. EEO/AA Statement. Contractor will, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that it is an Equal Opportunity or Affirmative Action employer.
- v. “Section 3” Compliance. The following Section 3 Clause applies to all subrecipients of HUD funding as well as all contracts and subcontracts for the construction, reconstruction, conversion, or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), and other public construction on projects that meet the definition of a Section 3 Project found in 24 CFR § 75.3(a)(2) and assisted with HUD funds in an amount that exceeds the funding thresholds found in that section.
  - a. The work to be performed under the Restated Service Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (“Section 3”). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
  - b. The Parties to this Amendment agree to comply with HUD's regulations in 24 CFR Part 75, which implement Section 3. As evidenced by their execution of this Amendment, the Parties to this Amendment certify that they are under no contractual or other impediment that would prevent them from complying with the Part 75 regulations.
  - c. Contractor agrees to include this Section 3 Clause in every subcontract subject to compliance with regulations in 24 CFR Part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the contractor or subcontractor is in violation of the regulations in 24 CFR Part 75. Contractor will not contract with any contractor or subcontractor where Contractor has notice or knowledge that the contractor or subcontractor has been found in violation of the regulations in 24 CFR Part 75.
  - d. Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after Contractor is selected but before the Amendment is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 75 require employment opportunities to be

directed, were not filled to circumvent the RDA's obligations under 24 CFR Part 75.

- e. Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of the Restated Service Agreement for default, and debarment or suspension from future HUD-assisted contracts.
- f. Contractor will require all contractors and subcontractors for this Project to report Section 3 compliance information immediately upon request to the RDA and to maintain records demonstrating such compliance for a period no shorter than the record retention period set in Paragraph 5.I of this Agreement.
- g. Indian and Tribal preferences. Contracts, subcontracts, grants, or subgrants subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)) or subject to tribal preference requirements as authorized under 101(k) of the Native American Housing Assistance and Self-Determination Act (25 U.S.C. 4111(k)) must provide preferences in employment, training, and business opportunities to Indians and Indian organizations, and are therefore not subject to the requirements of this part.
- vi. Subcontract Provisions. Contractor will include the provisions of Paragraphs 6.A, Civil Rights, and 6.B, Affirmative Action, in every subcontract, specifically or by reference, so that such provisions will be binding upon each of its own subcontractors.

C. Labor Standards.

- i. Davis-Bacon.
  - a. For all contracts and subcontracts for construction, alteration, or repair in excess of two thousand dollars (\$2000.00), Contractor agrees to comply with the requirements of the Secretary of Labor in accordance with the provisions of the Davis-Bacon Act, 40 U.S.C. §276a1-276a7, as amended, including(a)(1) Minimum wages, (a)(2) Withholding, (a)(3) Payrolls and basic records, (a)(4) Apprentices and trainees, (a)(5) Compliance with Copeland Act requirements, (a)(6) Subcontracts, (a)(7) Contract termination: debarment, (a)(8) Compliance with Davis-Bacon and Related Act requirements, (a)(9) Disputes concerning labor standards and (a)(10) Certification of eligibility.
  - b. Contractor agrees that, except for the rehabilitation or construction of residential property containing less than eight (8) units, all contracts or subcontracts in excess of two thousand dollars (\$2,000.00) for construction, renovation or repair work financed in whole or in part with assistance provided under the Restated Service Agreement, shall comply with federal requirements pertaining to such contracts and with the applicable

requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided, that if the wage rates higher than those required under the regulations are imposed by State or local law, nothing hereunder is intended to relieve Contractor of its obligation, if any, to require payment of the higher wage. Contractor shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

- ii. Work Hours. Contractor agrees to comply with the requirements of the Contract Work Hours and Safety Standards Act, 40 U.S.C. § 327; and the Copeland “Anti-Kickback” Act; 40 U.S.C. § 276c and all other applicable Federal, State, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Contractor shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the RDA for review upon request.

D. Contracting.

- i. Assignments and Contracting. The responsibility for the performance of the Restated Service Agreement shall not be assigned, transferred, or contracted out by Contractor without the prior, written consent of the RDA. Contracts or purchase orders by Contractor for the acquisition of equipment, materials, supplies, or services for the Project do not require the consent of the RDA but shall be done in accordance with the competitive bidding requirements required by Paragraph 5.O above and any applicable State laws and local government ordinances.
- ii. Subcontracts.
  - a. Approvals. Contractor shall not enter into any subcontracts with any agency or individual in the performance of the Restated Service Agreement without the consent of the RDA prior to the execution of such agreement.
  - b. Monitoring. Contractor will monitor all subcontracted services on a regular basis to assure contract compliance. Results of monitoring efforts shall be summarized in written reports and supported with documented evidence of follow-up actions taken to correct areas of noncompliance.
  - c. Content. Contractor shall cause all of the provisions of this Amendment in its entirety to be included in and made a part of any subcontract executed in the performance of the Restated Service Agreement.
  - d. Selection Process. Contractor shall undertake to ensure that all subcontracts let in the performance of the Restated Service Agreement shall be awarded on a fair and open competition basis. Executed copies of all subcontracts shall be forwarded to the RDA along with documentation concerning the selection process.

- e. Debarment and Suspension. No contract shall be made to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs in accordance with Executive Orders 12549 and 12689, "Debarment and Suspension" as set forth at 24 CFR Part 24.
- f. Subcontract Provisions. Contractor will include the provisions of Paragraphs 6.A, Civil Rights, 6.B, Affirmative Action, 6.C.i Davis-Bacon Act, and Section 3 Clause in every subcontract, specifically or by reference, so that such provisions will be binding upon each of its own subgrantees or subcontractors.

E. Conduct.

- i. Conflict of Interest. Contractor agrees to abide by the provisions of 24 CFR § 570.611 and 2 CFR § 200.112 with respect to conflicts of interest and certifies that it presently has no financial interest and shall not acquire any financial interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under the Restated Service Agreement. These conflict-of-interest provisions apply to any person who is an employee, agent, consultant, officer, elected official or appointed official of the RDA, or of any designated public agency or subrecipient receiving funds under the CDBG Entitlement program.
- ii. Ethical Standards. First Amended and Restated Service Agreement to Administer Revised Housing Programs

*[attachment follows]*

# First Amended and Restated Moderate Income Housing Program Administration Services Agreement

This first amended and restated Agreement to provide administrative services for the Moderate Income Housing Program of the Redevelopment Agency of Midvale City is executed on September 19, 2023, by the Redevelopment Agency of Midvale City ("RDA"), a public body, and Salt Lake Neighborhood Housing Services DBA NeighborWorks Salt Lake, a Corporation ("Contractor").

## Background

The RDA operates a Moderate Income Housing Program, which provides a Down Payment Assistance (DPA) Program and a Home Repair Loan/Grant Program (HRLP).

The RDA seeks to contract with an organization that has experience working with low to moderate income households seeking financial assistance to either purchase their first home or repair their home and that has experience with Community Development Block Grants (CBDG) funds.

On 4/27/2023, the RDA issued Request for Proposal # MID23-121 for qualified bidders to provide the RDA with administrative services for the DPA and HRLP programs.

Contractor represented to the RDA that it is qualified to provide the RDA with administrative services for the DPA and HRLP programs ("the Programs") and submitted a proposal to provide such services.

In accordance with Midvale Municipal Code 3.02.130, the RDA determined that Contractor was the responsive responsible bidder.

On August 8, 2023, the RDA Board adopted Resolution No. 2023-10RDA and approved the Moderate Income Housing Program Administration Services Agreement with Salt Lake Neighborhood Housing Services.

After the execution of the agreement, the Parties needed to adjust several terms for Salt Lake Neighborhood Housing Services due to their costs.

The RDA and Salt Lake Neighborhood Housing Services desire to adopt an amended and restated agreement so that Salt Lake Neighborhood Housing Services may continue to administer the RDA's Moderate Income Housing Program.

Therefore, in consideration of the mutual promises contained in this Agreement, the Parties agree as follows:

# First Amended and Restated Moderate Income Housing Program Administration Services Agreement

This first amended and restated Agreement to provide administrative services for the Moderate Income Housing Program of the Redevelopment Agency of Midvale City is executed on September 19, 2023, by the Redevelopment Agency of Midvale City (“RDA”), a public body, and Salt Lake Neighborhood Housing Services DBA NeighborWorks Salt Lake, a Corporation (“Contractor”).

## **Background**

The RDA operates a Moderate Income Housing Program, which provides a Down Payment Assistance (DPA) Program and a Home Repair Loan/Grant Program (HRLP).

The RDA seeks to contract with an organization that has experience working with low to moderate income households seeking financial assistance to either purchase their first home or repair their home and that has experience with Community Development Block Grants (CBDG) funds.

On 4/27/2023, the RDA issued Request for Proposal # MID23-121 for qualified bidders to provide the RDA with administrative services for the DPA and HRLP programs.

Contractor represented to the RDA that it is qualified to provide the RDA with administrative services for the DPA and HRLP programs (“the Programs”) and submitted a proposal to provide such services.

In accordance with Midvale Municipal Code 3.02.130, the RDA determined that Contractor was the responsive responsible bidder.

On August 8, 2023, the RDA Board adopted Resolution No. 2023-10RDA and approved the Moderate Income Housing Program Administration Services Agreement with Salt Lake Neighborhood Housing Services.

After the execution of the agreement, the Parties needed to adjust several terms for Salt Lake Neighborhood Housing Services due to their costs.

The RDA and Salt Lake Neighborhood Housing Services desire to adopt an amended and restated agreement so that Salt Lake Neighborhood Housing Services may continue to administer the RDA’s Moderate Income Housing Program.

Therefore, in consideration of the mutual promises contained in this Agreement, the Parties agree as follows:

## **Agreement**

1. **Scope of Services.** The Contractor agrees to provide the following services for the RDA's Moderate Income Housing Program in accordance with the following requirements ("Services"):

- A. **Refine and Design RDA DPA Program and HRLP**

The RDA has drafted documents outlining and describing the scope and goals of the DPA Program and HRLP (attached as **Exhibits A and B**, respectively). The selected Contractor, using their experience and expertise, will develop loan programs that are effective, efficient, and in harmony with the RDA's stated goals in accordance with the bid documents submitted by Contractor (attached as **Exhibit C**). The final programs must be compliant with all federal and state requirements including, but not limited to, CDBG requirements. The final programs will include details regarding the execution of the tasks listed below under subsection 1.B. The program documents must have adequate detail that the RDA or another future vendor could take over the program at any time and continue to administer the programs.

The final programs and program documents must be completed and approved by the RDA Board no later than September 19, 2023.

- B. **Administration of RDA's DPA Program and HRLP**

Once the DPA Program and HRLP are finalized and approved by the RDA, the selected Contractor will launch and administer both programs as described in the bid documents submitted by Contractor (Exhibit C). It is anticipated that the selected Contractor will be responsible for the following tasks and any other tasks identified in the program documents during the term of the Agreement:

- I. Reviewing loan applications.
- II. Approving or denying loan applications.
- III. Closing approved loans with applicants in a timely manner.
- IV. Coordinating property inspections.
- V. Reviewing contractor bids.
- VI. Overseeing deeds of trusts.
- VII. Providing outreach and promoting the programs, including translated materials and resources for Spanish speaking communities in Midvale.
- VIII. Work with Midvale City Communications Department to promote the programs.
- IX. Reporting at least quarterly to the RDA on program performance.
- X. Monitoring loans throughout their lifetime.
- XI. Enforcing loan violations.
- XII. Providing homeownership education and other support to Midvale residents.

- XIII. Assisting the RDA in compiling and submitting any compliance reports required by law or as a condition of funding.
- XIV. Filing any necessary reports with regulatory agencies.
- XV. Keeping and maintaining records related to applications, loans, and transactions such that they can be delivered to the RDA electronically when the programs or the contract has ended.
- XVI. Providing the RDA with audited financial statements pertaining to the Programs and with Contractor's annual financial reports.
- XVII. Taking any other steps reasonably necessary to operate the Programs and accomplish their stated goals.

The RDA anticipates providing \$250,000 in loans per year for the DPA Program and \$150,000 in loans/grants per year for the HRLP. After the programs launch, the RDA will be seeking federal funding and grants to continue to resupply or potentially increase the programs' funding. As of the execution date of this contract, the Salt Lake County has tentatively awarded the RDA an additional \$75,000 in CDBG funds for HRLP loans/grants.

Contractor must begin administering the DPA Program and the HRLP no later than October 2, 2023.

## 2. Term.

- A. **Termination Date.** The Agreement will take effect on the date listed at the beginning of the Agreement. Unless otherwise terminated, the Agreement will terminate on September 19, 2025.
- B. **Renewal.** This Agreement may be renewed at the option of the RDA for a period of up to 10 years. The RDA may only exercise its option to renew this Agreement if the Contractor has acquired cyber liability insurance in the amount of \$1,000,000 per occurrence and \$2,000,000 aggregate. This coverage must be maintained for at least five years after the termination of this Agreement and is subject to all of the requirements of Subsections 13(B)-(F) of this Agreement. The annual administration fee under Section 3 may be amended to adjust to the RDA's portion of the cyber liability insurance premiums for the 10-year renewal period. Such amendment must be made by the written consent of both Parties.

## 3. Compensation. The RDA agrees to pay the Contractor the following for performed Services:

Item	Cost	Unit

**4. Payment.**

A. **Invoices.** After finishing design of the DPA and HRLP programs and acceptance by the RDA, Contractor must submit an invoice for the contracted amount for that service. Thereafter, Contractor must submit an invoice for each loan/grant processed. Invoices must include an invoice number, the date the service was provided, the names of personnel providing the service, the type of service performed, and the total extended dollar amount.

B. **Payment.**

The RDA will issue payments to Contractor, for any undisputed charges, within 30 days after receipt of invoices. The Parties will resolve any disputed charges in accordance with Section 10 of this Agreement.

**5. Non-appropriation of Funds or Changes in Law.** Upon 30 days written notice delivered to the Contractor, this Agreement may be terminated in whole or in part at the sole discretion of the RDA, if the RDA reasonably determines that:

- A. a change in federal, state, or City law materially affects the ability of either Party to perform under this Agreement;
- B. a change in available funds affects the RDA's ability to pay under this Agreement; or
- C. the RDA fails to fully fund the Services.

If the Agreement is terminated under this Section, the RDA will reimburse Contractor for the Services approved and properly performed until the effective date of said notice. The RDA is not liable for any performance, commitments, penalties, or liquidated damages that accrue after the effective date of said written notice.

**6. Standard of Care.** The Contractor represents and warrants that the Services provided by the Contractor under this Agreement are provided in a manner consistent with the level of care and skill ordinarily exercised by or under the direction of members of Contractor's profession currently practicing in the Parties' locality and under similar conditions. The list of remedies under this Section is not exhaustive or exclusive. Either Party may pursue any other right or remedy available to it, either in law or equity, on account of the other Party's default. Either Party may use any combination of remedies available.

9. **Termination.**

- A. **Default.** This Agreement may be terminated for cause by the non-defaulting Party by providing written notice to the defaulting Party. - B. **Convenience.** This Agreement may be terminated for convenience by either Party by providing 30 days' written notice to the other Party.
- C. **Compensation.** Upon termination of this Agreement, all accounts and payments will be processed according to Sections 3 and 4 for approved and properly performed Services completed prior to the effective date of the written notice.

Contractor agrees that in the event of termination for cause or convenience, Contractor's sole remedy and monetary recovery from the RDA is limited to full payment for all services approved and properly performed and completed prior to the effective date of the written notice.

10. **Dispute Resolution.** Any dispute arising under or relating to this Agreement will be resolved in the following order:
- A. Good faith negotiations between the Parties;

11. **Laws and Regulations.** At all times during this Agreement, the Contractor and all Services performed under this Agreement must comply with all applicable federal, state, and City constitutions, laws, rules, codes, orders, and regulations, including, but not limited to, applicable licensure and certification requirements. 32. **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties and supersedes any and all other prior and contemporaneous agreements and understandings between the Parties, whether oral or written.
33. **No Third-Party Rights or Beneficiaries.** This Agreement does not create any third-party beneficiary rights. RDA and Contractor and their respective successors and permitted assigns are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. ## SERVICE AGREEMENT EXHIBIT A

---

### THE REDEVELOPMENT AGENCY OF MIDVALE CITY DOWN PAYMENT ASSISTANCE (DPA) PROGRAM

**Purpose:**

The Redevelopment Agency of Midvale City Down Payment Assistance Program provides loans/grants for low- to moderate-income first-time home buyers in Midvale City. The program seeks to provide equitable access to home buying, provide education to Midvale residents on home ownership, and increase home ownership in Midvale City.

**1. Midvale City General Plan and Housing Plan Goals & Strategies:**

Midvale City and the Redevelopment Agency of Midvale City adopted a shared Housing Plan in 2019. The following are goals and strategies adopted by the City and the RDA as part of the Housing Plan and the City's General Plan.

- 2. Focus Programs on Households Making 80% Ami or Less:** The City and the RDA shall focus incentive programs on Midvale City households making 80% or less of AMI. These households are the most likely to be housing cost-burdened, and often lack the ability to find the housing that meets their needs. Supporting household stability through affordability can contribute to greater social mobility and improved quality of life for the affected residents, as well as making them more financially resilient when faced with short-term financial issues, such as the loss of a job.
- 3. Down Payment Assistance Program for New Homeowners:** The City and the RDA shall work with regional housing partners to establish a down payment assistance program for new homeowners that make 60-80% of AMI. This program will allow potential homeowners the opportunity to receive funding from the City or the RDA for a down payment and/or closing costs associated with the purchase of a home in Midvale. A down-payment assistance program will help to incentivize home ownership in Midvale.
- 4. Provide Homeownership Education with Housing Partners:** Throughout the public consultation process, one of the frequent issues brought up was the lack of education on available housing resources throughout the City. The education program would focus on providing easy to understand and accessible education on available housing resources in the City. This program will be in cooperation with housing service partners in the City and Salt Lake County.

**Program Scope:**

Each year, the DPA Program will:

- A. Aid up to eight low-to-moderate income individuals/families at 80% AMI and below.

### THE REDEVELOPMENT AGENCY OF MIDVALE CITY HOME REPAIR LOAN/GRANT PROGRAM

#### **General Overview:**

The Redevelopment Agency of Midvale City established the Home Repair Loan/Grant Program (HRLP) to provide additional income assistance for low- to moderate-income homeowners. HRLP is designed to provide funding for low- and moderate-income families for improvements to address emergency repairs, eliminate blight, conserve energy, and preserve the housing community within the city limits of Midvale City. Funds are available on a first-come, first-served basis.

#### **Midvale City General Plan and Housing Plan Goals & Strategies:**

Midvale City and the Redevelopment Agency of Midvale City adopted a shared Housing Plan in 2019. The following are goals and strategies adopted by the City and the RDA as part of the Housing Plan and the City's General Plan.

**Focus Programs on Households Making 80% AMI or Less:** The City and the RDA shall focus incentive programs on households making 80% or less of AMI, which a significant portion of the City's households would qualify for income targeted programs. These households are the most likely to be housing cost-burdened and often lack the ability to find the housing that meets their needs. Supporting household stability through affordability can contribute to greater social mobility and improved quality of life for the affected residents, as well as making them more financially resilient when faced with short-term financial issues, such as the loss of a job.

**Provide a Financial Incentive to Improve Homes:** The City and the RDA shall establish a program to provide a financial incentive to improve the facades, structures, and systems of single-family homes throughout Midvale. A home repair incentive program could provide either a tax reimbursement through an annual program allocation or a zero-interest loan/grant to encourage homeowners and landlords to invest in their properties. This program would address issues of housing quality and neighborhood blight.

NeighborWorks Salt Lake was established in 1977 to revitalize neighborhoods experiencing blight and decline. We do this in partnership with public and private partnerships and local municipality funding is an important factor in this partnership.

In 1977, we offered weatherization services and home improvement loans in SLC East Liberty Park neighborhood. In 1982, we expanded to Salt Lake's westside community and offered weatherization, home improvement loans and developed new construction as affordable housing. In 2010, we expanded to Murray City to provide home improvement loans, build affordable housing and down payment grants.

As a 45-year-old community development organization, we are experienced in single and multifamily development. We partnered with housing authorities for senior housing and for-profit partners for mixed-income multifamily to build 166 units with 60% affordable and 40% market and 15,000 square feet of commercial. We have a successful track record of providing down payment grants and home improvement loans & grant services to Murray, West Valley, and Sandy.

In 2015, NeighborWorks was awarded \$3.6 million from Wells Fargo and in a 9-month period, we deployed \$15,000 grants to 225 families which resulted in leveraged investment of \$45,000,000 in mortgages in Salt Lake City.

## **SCOPE of WORK per EXHIBIT C**

1. **Location of applying organization:** 4843 S Poplar Street, Murray City, Utah 84107

2. **Experience/History of Success:**

NWSL was established in 1977 as a 501c3 non-profit community development organization in partnership with Salt Lake City Corporation and local lending institutions to provide revitalization services to neighborhoods experiencing blight and decline. The organization was tasked with creating a revolving loan fund for home improvement loans utilizing CDBG funds. Since that time NWSL has been awarded CDBG/HOME and TIF funds for home improvement loans, first and second mortgages and down payments grants/loans. NWSL has managed a residential portfolio of up to 200 loans valued at over \$5,000,000. As a Certified Development Financial Institution designated by the Department of Treasury in 1999, NWSL serves as a commercial lender for local and national non-profit community development organizations and provides loans for up to \$2,000,000. NWSL established the Affordable Housing Mission Investment Fund (AHMI) in 2010 and has since that time deployed nearly \$50,000,000 throughout the United States. The AHMI Fund is funded by local institutions. The residential lending is funded primarily by CDBG and HOME funds awarded by Salt Lake City, West Valley, Murray, and Sandy municipalities. NWSL expanded to Murray City in 2010 to provide revitalization services and acquired over a dozen blighted properties that were sold to low-moderate income families in the past five years. In FY 22, we provided 21 DPA grants ranging from \$20,000 to \$35,000 for an aggregate amount of \$649,000 that leveraged \$7,109,037 of mortgage investment in Murray City.

We comply and meet all expected requirements per HUD reporting and compliance requirements. In our many decades of lending and HUD/City audits findings have been immaterial. Independent and external audits have reported no non-compliance findings in any of our programs.

NWSL has a successful track record on residential and commercial lending. Our delinquency for the residential fund is less than 3% and 0% for the commercial fund.

The majority of customers served by NWSL are 80% and below as required by funding sources. However, as an organization that focuses on neighborhood revitalization and serves families 80% to 120%, we utilize private funding to minimize excluding middle income families.

NWSL is a HUD certified non-profit organization and requires 8-hour homebuyer education for first-time homebuyers from a HUD certified counselor. NWSL as a member of NeighborWorks America national network, we access on-line homebuyer education via e-home America and other sources for certification and access the following resources:

[https://www.rd.usda.gov/sites/default/files/MN\\_HomeBuyerEducationProviders.pdf](https://www.rd.usda.gov/sites/default/files/MN_HomeBuyerEducationProviders.pdf). Education for customers with home improvement loans is required to participate in one-hour education with loan officer to understand the loan process, costs and working with the contractors completing the improvements on their home. NWSL oversees the contractors and works closely with the homeowner to complete the process. Homeowner must approve completed work before the contractor is paid throughout the various stages of improvements.

NWSL lending staff are licensed and certified annually via the Nationwide Mortgage Licensing system. They must complete 10 hours continuing education annually to meet renewal requirements.

<https://mortgage.nationwidelicensingsystem.org/Pages/default.aspx>

As part of NWSL mission of neighborhood revitalization, we are intentional about reaching out to underserved populations and working with non-English speaking residents for nearly three-decades. Several staff at NWSL are bilingual in Spanish and we have access to volunteers who serve as translators for Tongan, Samoan, Vietnamese, and other languages.

Customers access NWSL grants and loans via appointments with lending staff or virtually through our website <https://www.nwsaltlake.org/>. All basic customer information is captured in a customer management system, Salesforce. The customer is assigned to a staff person and contacted within 24 hours via email for additional information or an appointment to start the qualification process. The customer meets with a loan officer in either the main office, Murray branch office or via zoom. Required information is gathered to qualify the applicant and processed. The process can range from 30 to 60 days contingent on customer cooperation. For home improvement loans: inspections are completed by a general contractor prior to processing the loan to determine improvement needs with health and safety assessment being a priority. The general contractor provides a rough estimate and shares with the customer and approves or declines moving forward with the cost of the improvements. If approved by the customer, the loan is processed and approved. Requests for bids by a minimum of three contractors are issued by NWSL and final decisions are made by the homeowner. Home improvements depending on the level of improvements and supply chain can range from one to six months. Contractors are required to be licensed and insured and are audited annually by NWSL to verify.

Once the DPA or loan is processed, approved, and closed, the customer information with terms and restrictions are sent to our servicer <https://www.amerinatls.com/>. Amerinat charges a set up fee and monthly servicing fee and monitors all and any activity related to the loan including funding restrictions and compliance. They submit monthly reports to NWSL on payment activity, delinquencies, and payoffs.

### **3. Program Implementation, Administration, and Timeline:**

- I. Based on the DPA program outline in Exhibit A, NWSL organization policies and administrative practices will:
  - a) Provide transparent operating and governance guidelines for staff, borrowers, and funding sources.

It is the policy of NWSL to adhere to all applicable state and federal rules and regulations. This Policy will be reviewed and approved annually by the NWSL Board of Directors ("Board").

#### **Loan Program Objective**

NWSL loan funds stimulate reinvestment within NWSL funded services areas by providing a way to finance repairs and improvements for residential properties and by facilitating the purchase of homes by new homeowners.

The loan fund is not meant to replace conventional lending activity, but rather is meant to:

1. Promote non-conventional lending in NWSL service neighborhoods.
2. Provide loan products to individuals who are not qualified for conventional lending, but who demonstrate ability to repay the loan; and
3. To assist and educate customers in qualifying for a NWSL loan or a conventional loan.
4. Provide financial and home ownership counseling and education.

The development of all lending products and review of loan requests are made in consideration of neighborhood impact, demand, and funding sources.

#### **Governance**

1. The NWSL Loan Committee ("Committee") supports and serves the needs of NWSL service-area residents by making qualified credit decisions for the benefit of borrowers who do not qualify for conventional lending.

#### **Regulations and Compliance**

**NWSL complies with legal requirements that are applicable to nonprofit organizations and home lenders, some of which are listed below.**

- 1. NeighborWorks America ("NWA") Standards** – NWSL lending staff meet NWA standards required by the National Industry Standards for Homeownership Education and Counseling.
- 2. Consumer Credit Protection Act** – Designed to protect consumer borrowers by mandating complete disclosure of the terms and conditions, including charges, in credit transactions. Many of the regulations noted below are subsets of this Act.
- 3. Fair Housing Act** – Prohibits discriminatory acts against people attempting to rent, finance, or purchase a home.

**4. Equal Credit Opportunity Act (Reg B)** – Prevents discrimination in any aspect of credit on the basis of sex, marital status, race, color, religion, national origin, age, receipt of public assistance income, or the good-faith exercise of rights under the Consumer Credit Protection Act.

**5. Home Mortgage Disclosure Act (Reg C)** – HMDA provides the public loan data used to assist in determining whether financial institutions are serving the housing needs of their communities, public officials in distributing public-sector investments to attract private investment to areas where it is needed, and in identifying possible discriminatory lending patterns.

**6. Flood Disaster Protection Act** – Requires lenders to require flood insurance when they finance real property that has structures affixed. Subsidized national flood insurance program provides a means for property owners to financially protect themselves from flood hazards, including in areas that have high risk of flooding. Affected activities include acquisition of real property using resources provided from a federal source such as Home or Community Development Block Grant (“CDBG”) funds.

**7. Real Estate Settlement and Procedures Act (Reg X)** – Provides consumer protection by regulating the disclosure of all costs and business arrangements in real estate transactions. Prohibits kickbacks and unearned fees.

**8. TILA-RESPA Integrated Disclosure (TRID)** – TRID integrates the Real Estate Settlement Procedures Act (RESPA) and Truth in Lending Act (TILA) disclosure requirements. It is intended to ensure that credit terms are disclosed in a meaningful way, so that consumers can compare credit terms more readily and knowledgeably.

**9. Unfair or Deceptive or Abusive Acts or Practices (UDAAP)** – Designed to protect consumers and, where applicable, cosigners from unfair or deceptive and abusive acts or practices in connection with the extension of consumer credit.

Salt Lake Neighborhood Housing Services, Inc. Homeownership Services Policy

**10. Service Members Civil Relief Act (SCRA)** – Provides certain protections to individuals who are activated to full-time military duty with respect to loans they obtained before activation. This includes reservists and members of the National Guard called to active duty.

**11. Fair Credit Reporting Act (FCRA)** – Designed to regulate the consumer reporting industry’s procedures for providing information to ensure the accuracy of consumers’ information and protect their privacy while balancing the need for credit information in the commercial world. Provides that consumers can identify and correct inaccuracies in their credit histories.

**12. Right to Financial Privacy Act** – Establishes limits on federal agency access to consumer financial information and determines the procedures they must follow to obtain access. The Act does not apply to state or local government authorities.

**13. Fair Debt Collection Practices Act** – Regulates and controls debt-collection activities by debt collectors, but not by lenders with respect to their own debt.

**14. SAFE Act** – The Secure and Fair Enforcement for Mortgage Licensing Act requires licensure or registration of residential mortgage loan originators. Salt Lake Neighborhood Housing Services, Inc. was exempted from SAFE Act requirements in 2012 by the Utah State Division of Real Estate.

**15. Bank Secrecy Act** – Requires monitoring and reporting of suspicious activity, including activity related to money laundering or other crimes.

**16. Data Protection Laws** – Require that nonpublic personal information about consumers be kept secure to avoid the unauthorized disclosure or use of that information.

- IV. **Outreach & Marketing:** Outreach strategies include meeting with local churches, civic organizations, and neighborhood events. NWSL attends monthly City and Community Council meetings in the various municipalities and would establish a Midvale Advisory committee to engage community and reaching potential customer and assisting with identifying the best strategies to promote to Midvale residents. Each community is unique. Most of our outreach in Murray is done via business chamber, churches, utility inserts and Murray Journal. In SLC, NWSL attends weekly community council meetings throughout SLC. We are members of various coalitions that target LMI communities that create opportunities for NWSL to introduce our program services.

Our marketing efforts cover a wide range of mediums, including social media, print advertising, event tabling, and proactive community network efforts (meetings, coalitions, panels etc.). Our strategy aligns with the HUD Affirmative Fair Housing Marketing guidelines, and we regularly evolve our techniques to gauge and communicate with the segments of the community who are least likely to apply more accurately.

V. **Fiscal Responsibility & Confidentiality:**

FINANCIAL SUSTAINABILITY AND LONG-TERM VIABILITY - NWSL has an exceptionally strong balance sheet with strong liquidity, as of November 2021, that includes: - \$42MM in Balance sheet with \$13MM in Equity. - Approximately \$3MM in unrestricted cash assets with the potential of growing to \$15MM (due to sale of interest in multifamily property). - Flexible Capital Fund of \$1.5MM. - Loan Loss Reserve of \$2.4MM. - Board Restricted Cash set aside of \$1MM. - Low administrative costs relative to program expenses, and long-term debt supported by investments. - Since 2017 NWSL has increased its revenue stream from interest income and other private revenue with the launch of the AHMI program. NWSL's financial management systems are supported by well-developed written policies and procedures, and rigorous implementation of sound accounting practice, qualified staff with oversight provided by Committees and Board. NWSL utilizes QuickBooks internally to post transactions and maintain the system and provides financial reports for review by the Finance Committee. Strong liquidity, exceptional working capital, and an impressive track record of success in thoughtful program development and administration positions NWSL for long-term growth and expansion. NWSL's strong balance sheet and ability to first test and then manage programs that succeed has clearly demonstrated high levels of managerial acumen at both the board and staff levels, as well as resulted in an organization that can pilot new programs, expand into new business lines, and explore new opportunities from a position of strength and durability. *(Page 5 of November 2022 Business plan published by InFin Financial Consulting)*

**ATTACHMENT A:**  
**GENERAL TERMS AND CONDITIONS**

- 1. Background.** County has entered into a grant agreement (“Grant Agreement”) with the United States Department of Housing and Urban Development ("HUD") for financial assistance to conduct a Community Development Block Grant (“CDBG”) Program pursuant to Title I of the Housing and Community Development Act of 1974 (the “Act”), as amended, and the Rules and Regulations promulgated by HUD governing the conduct of CDBG programs, 24 Code of Federal Regulations (“CFR”) part 570, as amended, (the “Rules and Regulations”) and the applicable provisions of 2 CFR part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the “Super Circular”). County is authorized to contract by subgrant agreement with public entities or private non-profit entities for qualified activities and projects, as provided in the Rules and Regulations regulating CDBG program funds.
- 2. Project Responsibility.** County’s Division of Housing and Community Development ("HCD") is hereby designated as the representative of County regarding all CDBG Program matters and shall be responsible for the overall administration and management of that Program and the manner in which the activities or projects described herein are conducted. County will monitor the performance of Subrecipient against goals and performance standards required in this Agreement. Substandard performance as determined by County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Subrecipient within a reasonable period after being notified by County, suspension or termination procedures will be initiated which may result in withdrawal or termination of funding.
- 3. Project Budget.**

  - A.** A budget (“Budget(s)”) must be prepared for each of the Project(s) subject to this Agreement and submitted to County for review prior to the start of each of the Project(s). The Budget(s) must be approved by County and be attached to this Agreement when executed. The Project(s) Budget(s) shall be identified as Attachment C, with a sub-attachment number, if appropriate, for each Project(s). Each of the Budget(s) shall be prepared in a format that is acceptable to County and, in general, shall list the major cost elements of the Project(s) with the estimated cost of each of those elements equaling in sum total the fixed total Project(s) cost to be paid or reimbursed to Subrecipient for that Project(s).
  - B.** Subrecipient shall adhere to the requirements of the Budget(s) as approved by County but is not precluded from making changes in the amounts budgeted for the major cost elements within the Budget(s) or between Project(s) Budget(s) as such changes become necessary. All changes however, within the Budget(s), shall be reported to County in a timely manner for acceptance and approval. All proposed changes in the total amount

of any of the Budget(s) under this Agreement that would increase or decrease the total amount of funding specified in this Agreement, or result in a change in the scope, location, or beneficiaries of the Project(s), shall be submitted to County for prior approval and must be formally authorized by a written amendment to this Agreement in accordance with the provisions of Paragraph 9.

- 4. Eligible Costs.** All costs which are incurred on any of the Project(s) by Subrecipient after the effective date of this Agreement and which have been determined by County to be appropriate and allowable costs of the Project(s) shall be eligible for reimbursement and payment hereunder.
- 5. Extension Periods.** This Agreement may be extended by written amendment at County's discretion, in increments the total of which do not exceed twenty-four (24) months, on the same terms and conditions and in such amount and budget as shall be attached to said Amendment. No extensions will be granted after expiration or termination of this Agreement.
- 6. Time is of the Essence.** All performance of this Agreement shall be undertaken and completed by the Subrecipient in an expeditious manner and shall not extend beyond the end of the contract expiration date unless this Agreement is extended by amendment.
- 7. Funding Amount.**
  - A.** Subject to the requirements of this Agreement County will fund the Subrecipient for the full performance of this Agreement and the actual conduct of the Project(s) for all Project(s) undertaken by Subrecipient. This is a fixed ceiling amount and shall not be considered as an "estimate-of-cost," "percentage-of-cost," or any kind of "cost-plus" sum, price, or amount. In addition, as used in this Agreement, unless the context indicates otherwise, the words "expend," "expended," and "expenditure" shall include all amounts obligated or committed by Subrecipient by written agreement (including unilateral purchase orders) for expenditure on the Project(s).
  - B.** Subrecipient must make a concerted, good-faith effort to expend the total subgrant amount within the Period of Performance. Subrecipient costs and expenditures, however, shall not exceed the total funding amount. County shall not be liable for or reimburse Subrecipient for any extra costs or overruns on the Project(s) or any additional funding in excess of the total amount stated above without prior written amendment of this Agreement.
  - C.** In the event the full funding amount to be paid or reimbursed hereunder by County is not expended by Subrecipient for Project(s) costs by the end of the contract expiration date, as that period may have been extended or otherwise changed, Subrecipient shall refund, release, or transfer any unexpended amount back to County within thirty (30) days. Any Project(s) funds held by County at the end of the Period of Performance or refunded, released, or transferred to County shall be reallocated by County. Subrecipient shall be eligible to apply for these funds but shall have no greater priority than any other applicant.

- D. In the event that congressional action, HUD rules and regulations, or other lawful directive modify, or reduces the funds and/or services obligated under this Agreement, Subrecipient shall, upon notice from County, immediately modify or reduce the scope of work ("SOW") or cease expenditures hereunder as directed by Congress, HUD, County, or other lawful directive.
- E. Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

## **8. Methods of Disbursement.**

- A. Subrecipient may request disbursement from County of that part of the funding amount relating to the Project(s), either on the basis of a lump sum reimbursement of the Project(s) costs upon completion or on the basis of periodic reimbursement payments during the course of a Project(s) as the funds for that Project(s) are expended.
- B. A request by Subrecipient for either a lump sum or for periodic reimbursement payments on a Project(s) shall be in a form and content as prescribed by County and shall be submitted to County for review and for a determination of eligibility for payment. Upon approval by County, that division will submit the request to the appropriate County offices and divisions for processing and payment. Requests for periodic payments shall be supported and documented as required by County on the basis of costs actually incurred by Subrecipient on a Project(s) during the period for which payment is requested and upon compliance with Federal requirements.
- C. Prepayment of the funds or a partial advance of funds to Subrecipient for a Project(s) may be made by County if the nature of the Project(s) or unusual circumstances justify such payment. Any prepayment or advance payment made hereunder must be justified in writing by Subrecipient and must be pre-approved and authorized by County. With the exception of certain advances, payments will be made for eligible expenses actually incurred by Subrecipient and are not to exceed actual cash requirements. Payments will be adjusted by County in accordance with advance fund and program income balances available in Subrecipient accounts. In addition, County reserves the right to liquidate funds available under this Agreement for costs incurred by County on behalf of Subrecipient.
- D. Expenditures under this Agreement, whether or not prepaid, determined by County or HUD to be ineligible for reimbursement or which are inadequately documented will upon written request be immediately refunded to County by Subrecipient.
- E. No requests for reimbursement or other payments under this Agreement due to cost overruns of any kind on the Project(s) shall be approved, allowed, or paid by County unless the amount requested has been approved by a written amendment and authorized in

accordance with this Agreement. All amendments of this Agreement, including extensions of time and termination, shall be accomplished in writing.

**9. Amendments.**

- A. Either of the Parties may request amendments to any of the provisions of this Agreement at any time during the Period of Performance but no amendment shall be made or performed until it has been mutually agreed to by the parties. All amendments shall be authorized by a duly executed modification of this Agreement prior to any work being done, except that, extensions of time amendments in the Period of Performance and contract expiration date may be authorized and given by County as provided below.
- B. County may, in its discretion, amend this Agreement to conform with Federal, State, or local governmental guidelines, policies, and available funding amounts or for other reasons. If such amendments result in a change in the purpose, the scope of services, the location, or beneficiaries of the Project(s) to be undertaken as part of this Agreement, such modifications will be incorporated only by a written amendment signed by both County and Subrecipient.

**10. Consultation and Technical Assistance.** County will be available to provide technical assistance upon written request of the Subrecipient or as County deems necessary for improved Program operation. However, it is solely the Subrecipient's obligation to remain in compliance with all aspects of this Agreement.

**11. Additional Requirements.**

**A. Compliance.**

- (i) Subrecipient agrees to comply with the requirements of the CDBG Program regulations found at 24 CFR part 570 and all incorporated and related Federal regulations, statutes, policies, and directives, as applicable. Subrecipient also agrees to comply with all other applicable Federal, State, and local laws, regulations, policies, and Salt Lake County program directives governing the funds and services provided under this Agreement including but not limited to 2 CFR part 200.
- (ii) In accordance with the applicable statutes and the regulations governing the consolidated plan regulations and this Agreement, the Subrecipient will abide by the applicable certifications found online using the link listed below:

relating to employee supervision, benefits and wages; taxes; unemployment compensation and insurance; social security; worker's compensation; disability pensions and tax withholdings, including the filing of all returns and reports and the payment of all taxes, assessments, and contributions and other sums required of an independent contractor. Nothing contained in this Agreement shall be construed to create the relationship between County and Subrecipient of employer and employee, partners or joint venturers.

The Parties agree that Subrecipient's obligations under this Agreement are solely to the County. This Agreement shall not confer any rights to third parties unless otherwise expressly provided for under this Agreement.

- C. **Licensing.** Subrecipient will obtain all licenses, permits and/or certificates required by Federal, State, and local government statutes, laws, ordinances and/or regulations required by every governmental jurisdiction in which the Project is provided for the duration of this Agreement. Subrecipient shall have said licenses, permits, and certificates available during normal business hours for inspection by County.

- D. **Indemnification.** Subrecipient agrees to indemnify, defend and hold harmless County, its officers, agents, and employees from and against any and all actual or threatened losses, damages, injuries, liabilities, and claims, of, to or by third parties, including Subrecipient, its subcontractors, or the employees of either, including claims for personal injury, death, or damage to personal property or profits and liens of workers and material suppliers, however allegedly caused, resulting directly or indirectly from, or arising out of, Subrecipient's breach of this Agreement or any negligent or intentional acts or omission of or by Subrecipient's employees, agents, representatives, officers, employees or subcontractors in connection with the performance of this Agreement.

If Subrecipient is a governmental entity under the Governmental Immunity Act of Utah, Section 63G-7-101 et seq., Utah Code Ann. (2021) (hereinafter "the Act"), then, consistent with the terms of the Act, the Parties agree that each Party is responsible and liable for any wrongful or negligent acts which it commits, or which are committed by its agents, officials, or employees. Neither Party waives any defenses or limits of liability otherwise available under the Act.

- E. **Insurance for contracts over fifty thousand dollars (\$50,000.00) and all Facility Improvement Projects.** Subrecipient shall, at its sole cost and expense, secure and maintain during the term of this Agreement, including all renewal or additional terms, the following minimum insurance coverage:

(i) **General Insurance Requirements for All Policies.**

(a) Any insurance coverage required herein that is written on a “claims made” form rather than on an “occurrence” form shall (i) provide full prior acts coverage or have a retroactive date effective before the date of this Agreement and (ii) be maintained for a period of at least three (3) years following the end of the term of this Agreement or contain a comparable “extended discovery” clause. Evidence of current extended discovery coverage and the purchase options available upon policy termination shall be provided to County.

(b) All policies of insurance shall be issued by insurance companies licensed to do business in the State of Utah and either:

(e) Subrecipient’s insurance policies shall be primary and non-contributory to any other coverage available to County. The workers' compensation, general liability and auto liability policies shall be endorsed with a waiver of subrogation in favor of County.

(f) In the event that governmental immunity limits are subsequently altered by legislation or judicial opinion, Subrecipient shall provide a new certificate of insurance within thirty (30) days after being notified thereof in writing by County, certifying coverage in compliance with the modified limits or, if no new limits are specified, in an amount acceptable to County.

(g) All required certificates and policies shall provide that coverage thereunder shall not be canceled or modified without providing thirty (30) days prior written notice to County in a manner approved by the County District Attorney.

(h) In the event Subrecipient fails to maintain and keep in force any insurance policies as required herein, County shall have the right at its sole discretion to obtain such coverage and reduce payments to Subrecipient for the costs of said insurance.

- (ii) **Required Insurance Policies.** Subrecipient agrees to secure and maintain the following required policies of insurance in accordance with the general insurance requirements set forth in the preceding subsection:

(a) Workers' compensation and employer's liability insurance sufficient to cover all Subrecipient's employees unless a waiver of coverage is allowed and acquired pursuant to Utah Code Title 34A Chapter 2 Part Section 103. This requirement includes contractors who are doing business as an individual and/or as a sole proprietor as well as corporations, limited liability companies, joint ventures, and partnerships. The policy shall protect County, Subrecipient, and any subcontractor from claims for damages for personal injury, including accidental death and from claims for property damage that may arise from Subrecipient's operations under this Agreement, whether performed by Subrecipient itself, any subcontractor, or anyone directly or indirectly employed by either of them. Such insurance shall provide coverage for premises operations, acts of independent contractors and completed operations. The policy shall be primary and not contributing to any other policy or coverage available to County whether such coverage be primary, contributing, or excess.

**G. Grantor Recognition.** Subrecipient shall ensure recognition of the role of HUD in providing services through this Agreement. All activities, facilities, and items funded under this Agreement shall be prominently labeled as to funding source. **I. Build America, Buy America Act.** The Build America, Buy America Act ("BABA") (Pub. L. No. 117-58, §§ 70901-52) enacted as part of the Infrastructure Investment and Jobs Act ("IIJA") (Pub. L. 117-58) on November 15, 2021, established a domestic content procurement preference for all Federal financial assistance obligated for infrastructure projects after May 14, 2022. Recipients of an award of Federal financial assistance from a program for infrastructure are hereby notified that none of the funds provided under this award may be used for a project for infrastructure unless: (1) all iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States; (2) all manufactured products used in the project are produced in the United States—this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than fifty-five percent (55%) of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and (3) all construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project. When necessary, recipients may apply for, and the

agency may grant, a waiver from these requirements. The agency should notify the recipient for information on the process for requesting a waiver from these requirements.

(a) When the Federal agency has made a determination that one of the following exceptions applies, the awarding official may waive the application of the domestic content procurement preference in any case in which the agency determines that: (1) applying the domestic content procurement preference would be inconsistent with the public interest; (2) the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or (3) the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than twenty-five percent (25%).

A request to waive the application of the domestic content procurement preference must be in writing. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than fifteen (15) days and must be reviewed by the Made in America Office.

## **12. Administrative Requirements.**

**A. Uniform Requirements.** The Subrecipient and its agencies or instrumentalities and subrecipients shall comply with applicable uniform administrative requirements, cost principles, and audit requirements as described in 2 CFR part 200 and as modified by 24 CFR § 570.502. **B. Other Program Requirements.** Subrecipient shall comply with the Program requirements set forth at 24 CFR §§ 570.600 - 570.614. Except, Subrecipient shall **not** be required to assume the environmental responsibilities described at 24 CFR § 570.604 or the review process under 24 CFR part 52.

**C. Financial Management.** Subrecipient agrees to comply with the standards for financial and program management in accordance with 2 CFR part 200, Subpart D, and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

**D. Cost Principles.** Subrecipient, as specified in 24 CFR § 570.502(a), shall administer its Program in conformance with 2 CFR part 200, Subpart E, as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

**A. Records to be Maintained.** Subrecipient shall maintain all records required by the federal regulations specified in 24 CFR § 570.506, pertinent to the activities to be funded under this Agreement.

**B. Retention.** Records shall be retained for the periods set forth at 24 CFR § 570.502(a)(7)(ii) and 2 CFR § 200.333. The retention period for individual CDBG activities shall be the longer of three (3) years after the expiration/termination of the agreement or after the submission of the annual performance and evaluation report in which the specific activity is reported on for the final time by County. Records subject to reversion of assets or change or use provisions must be maintained for as long as those provisions continue to apply to the activity. Records of outstanding loan balances or other receivables or contingent liabilities must be retained until such receivables or liabilities have been satisfied. Records for non-expendable property acquired with funds under this Agreement shall be retained for three (3) years after final disposition of such property. Records for any displaced person must be kept for three (3) years after he/she has received final payment. Notwithstanding the above, if there is litigation, claims, audits, negotiations, or other actions that involve any of the records cited and that have started before the expiration of the three (3) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the three (3) year period, whichever occurs later.

**C. Client Data.** Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level, or other basis for determining eligibility and description of service provided. Such information shall be made available to County monitors or their designees for review upon request.

**D. Disclosure.** Subrecipient understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of County's or Subrecipient's responsibilities with respect to services provided under this Agreement, is prohibited without a lawful court order unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

**E. Property Records.** The Subrecipient shall maintain real property inventory records, which clearly identify properties purchased, improved, or sold. Subrecipient will adhere to 2 CFR Section 200.329, which requires annual reporting of real property for which there is a Federal interest. If the Federal interest extends beyond fifteen (15) years, the reporting periods are multiyear reporting periods.

**14. Close-Outs.** Subrecipient's obligation to County shall not end until all close-out requirements, which are set forth at 2 CFR Section 200.343, are completed. Activities during this

close-out period shall include, but are not limited to, making final payments, disposing of Program assets (including the return of all unused materials, equipment, unspent cash advances, Program income balances, and accounts receivable to County) and determining the custodianship of records.

**15. Audits & Inspections.** All Subrecipient records with respect to any matters covered by this Agreement shall be made available to County, grantor agency, their designees, or the Federal government, at any time during normal business hours, as often as County or grantor agency deems necessary, to audit, examine and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by Subrecipient within a time period as agreed upon by County and Subrecipient after receipt by Subrecipient. Failure of Subrecipient to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments or refunding of payments to County. Subrecipient hereby agrees to have an annual agency audit conducted in accordance with current County policy concerning Subrecipient audits and, as applicable, 2 CFR part 200, Subpart F.

**16. Program Income.**

- A. All program income, as defined at 24 CFR § 570.500(a), will be returned to County immediately upon being earned. Program income is defined in § 570.500(a) of the Rules and Regulations as gross income received by Subrecipient which is directly generated from the use of the CDBG funds provided hereunder, except as specifically excluded under 24 CFR § 570.500(a)(4).
- B. Any program income in possession of Subrecipient that has not been returned to County when this Agreement expires or is terminated or is received by Subrecipient after this Agreement expires or is terminated, shall be transferred or paid to County in accordance with the provisions of Paragraph 19, entitled Reversion of Assets.

**17. Indirect Costs.** Indirect costs may be charged if Subrecipient develops an indirect cost allocation plan, prepared in accordance with 2 CFR part 200, Subpart E, for determining the appropriate Subrecipient's share of administrative costs and shall submit such plan to County for approval.

**18. Progress Reports.** During the actual conduct of the Project, Subrecipient shall prepare and submit to County every three (3) months, or as otherwise specifically requested by County, a detailed project status report. The report format shall be as approved by County but must show, at a minimum, the current performance status of the Project being reported, the costs and contractual commitments incurred to date that have been charged to that Project, the beneficiaries of the Project, the money leveraged by CDBG-funded Activity, information relating to the HUD performance indicators and any CDBG program income received on that Project for the period preceding the report date.

**19. Reversion of Assets.** As provided in 24 CFR § 570.503(b)(7), upon the expiration or termination of this Agreement, Subrecipient shall release to County any unexpended CDBG funds provided under this Agreement, all Program income in its possession which it has not returned to County and any accounts receivable attributable to the use of CDBG funds provided under this Agreement. Any real property in the control of Subrecipient that was acquired or improved with CDBG funds provided under this Agreement shall be managed in compliance with County's policy regarding the use of CDBG-assisted real property, as follows:

- A. Acquired with CDBG Funds.** All property acquired by Subrecipient in whole or in part with CDBG funds must be used for a period of fifteen (15) years following the expiration or termination of this Agreement to meet one of the national objectives, found at 24 CFR § 570.208, of benefiting low- and moderate-income persons; aiding in the prevention or elimination of slums and blight; or meeting community development needs having a particular urgency.

  - (iii) All properties receiving improvement funds of two hundred thousand dollars (\$200,000.00) or more must be used for eligible activities for fifteen (15) years;

  - (i) Provide affected citizens with reasonable notice of any proposed change in use and an opportunity to comment; and
  - (ii) Ensure that the new use meets a CDBG national objective or reimburse County's CDBG Program in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of and improvements to the property.
- D.** The threshold amounts set forth in Subparagraph B above are cumulative, based on the total CDBG funding provided to Subrecipient in this Agreement for acquisition or improvement of real property, plus any previous or subsequent CDBG funding provided by County to acquire or improve said real property. However, the use periods

set forth in Subparagraph B do not commence until closeout of the final agreement under which Subrecipient receives such acquisition or improvement funds.

**20. Procurement.** Subrecipient shall procure all materials, property, or services in accordance with the Procurement Standards of 2 CFR part 200, Subpart D, except, to the extent that County's Purchasing Procedures are more restrictive, Subrecipient shall follow County's procedures pursuant to Chapter 3.20 of the Salt Lake County Code of Ordinances. In the event the procurement standards of the Subrecipient are more restrictive than those in Chapter 3.20 or 2 CFR §§ 200.317 - 326, the more restrictive standards and requirements will apply.

**21. Equipment.** Equipment means tangible nonexpendable personal property having a useful life of more than one (1) year and an acquisition cost of five thousand dollars (\$5,000.00) or more per unit (2 CFR § 200.33). Subrecipient shall comply with 2 CFR Part 200, Subpart D, as modified by 24 CFR § 570.502(a)(6) and County policy regarding the use, maintenance, and disposition of equipment. In the event the policies of Subrecipient are more restrictive than those in 2 CFR Part 200, Subpart D, the more restrictive standards and requirements will apply.

These include minority racial and ethnic groups, persons with disabilities, and single-headed households. HUD also expects outreach to extremely low, very low, and low-income populations. Depending on the activities or Projects, outreach to moderate-income populations will be made. Agencies providing services under contract with the County are expected to be involved in outreach to these groups. Agencies will report those served on a quarterly basis. These reports will be compiled for all service providers and compared to the composition of the County's population and the associated County goals. If the participation rate of a particular demographic segment is less than the representation in the general population of the county or otherwise does not meet the County's defined goals, HUD defines that as underrepresentation.

County will continue to work with Provider in collecting, reporting, and analyzing information on those being served. If areas of underrepresentation occur, Salt Lake County, in cooperation with Provider, will develop strategies to increase the participation rate of the underrepresented population segments.

### **THE REDEVELOPMENT AGENCY OF MIDVALE CITY HOME REPAIR LOAN/GRANT PROGRAM**

#### **General Overview:**

The Redevelopment Agency of Midvale City established the Home Repair Loan/Grant Program (HRLP) to provide additional income assistance for low- to moderate-income homeowners. HRLP is designed to provide funding for low- and moderate-income families for improvements to address emergency repairs, eliminate blight, conserve energy, and preserve the housing community within the city limits of Midvale City. Funds are available on a first-come, first-served basis.

#### **Midvale City General Plan and Housing Plan Goals & Strategies:**

Midvale City and the Redevelopment Agency of Midvale City adopted a shared Housing Plan in 2019. The following are goals and strategies adopted by the City and the RDA as part of the Housing Plan and the City's General Plan.

**Focus Programs on Households Making 80% AMI or Less:** The City and the RDA shall focus incentive programs on households making 80% or less of AMI, which a significant portion of the City's households would qualify for income targeted programs. These households are the most likely to be housing cost-burdened and often lack the ability to find the housing that meets their needs. Supporting household stability through affordability can contribute to greater social mobility and improved quality of life for the affected residents, as well as making them more financially resilient when faced with short-term financial issues, such as the loss of a job.

**Provide a Financial Incentive to Improve Homes:** The City and the RDA shall establish a program to provide a financial incentive to improve the facades, structures, and systems of single-family homes throughout Midvale. A home repair incentive program could provide either a tax reimbursement through an annual program allocation or a zero-interest loan/grant to encourage homeowners and landlords to invest in their properties. This program would address issues of housing quality and neighborhood blight.

- 20% loan/grant reduction each year
- Rate: Below market (0% - 3%) 0%
- Must be (applicant) owner -occupied.
