

**MIDVALE CITY, UTAH
RESOLUTION NO. 2014-R-49**

**A RESOLUTION APPROVING A COOPERATIVE AGREEMENT BETWEEN
MIDVALE CITY AND THE UTAH DEPARTMENT OF TRANSPORTATION FOR
ACCESS TO THE UDOT PUMP SYSTEM LOCATED AT 208 OAK STREET**

WHEREAS, in the interest of public safety, a cooperative UDOT agreement will grant Midvale City access to UDOT's drainage pump system located at 280 Oak Street; and

WHEREAS, the agreement grants Midvale emergency access to the pump system to activate UDOT's pump system when a storm event causes flooding of 8000 south; and

WHEREAS, the City shall contact UDOT from the list of provided phone numbers on attachment 'A', notifying UDOT of an emergency event before entering the pump station. After the pumps are activated, Midvale City shall wait onsite until a UDOT representative arrives at the pump station during an emergency event. Once UDOT arrives, Midvale City may leave. UDOT will remain onsite to monitor the pump system; and

WHEREAS; UDOT retains full ownership of the pump system and is responsible for all maintenance of the pump system. UDOT will provide training to Midvale City and provide a key for access to the pump system. Midvale City shall not duplicate the key to grant additional access to any other entity or person not employed by Midvale City.

NOW THEREFORE LET IT BE RESOLVED, by the Midvale City Council that they enter into a Cooperative agreement with UDOT as outlined above and in the attached agreement.

APPROVED AND ADOPTED this 7th day of October, 2014
