

# Milliken Messenger August 2022

Summer is winding down, but things are still blazing at the library!

Check out some High Plains Chautauqua excitement and education on Tuesday, August 2nd. Learn how rockets fly with rocket pioneer, Werner Von Braun, from 1-2pm (for elementary aged children), and hear from one of our nation's Founding Fathers, Alexander Hamilton, from 6-7pm. **Both programs will take place at the Johnstown library location.**
