

JULY 2020

Message from the Town Administrator

2020 has been unbelievable so far. Our restaurants and taverns have been hanging on by a thread.

Now that we have been cleared to move about our town more freely, please eat out and celebrate at our local spots and help our fellow citizens regain their business success. We thank them for working so hard to meet our safety needs and maintain their businesses. We have an amazing little town and we need to take care of each other. Bon Appetit'

**MILLIKEN TOWN HALL
&
Police Administrative Offices
WILL BE CLOSED
Friday, July 3rd to celebrate Independence Day**

Can you have Chickens in Milliken?

Yes, per Milliken- Municipal Code 7-5-90 Section G #4 : This Section, except for Subsection (f) above, shall not apply to the owning of no more than twelve (12) fowl. Such fowl shall be kept entirely within an interior cage, an exterior pen or a fenced area.

Milliken Police Department : Fireworks Prohibited

As we near fireworks season, we wanted to pass on some information regarding fireworks: Except as provided in sections 24-33.5-2003, 24-33.5-2004 and 24-33.5-2006 and 24-33.5-2001 Permissible Fireworks C.R.S.

It is unlawful in the Town of Milliken for any person to offer for sale, expose for sale, sell or have in his or her possession with intent to offer for sale sell use or explode any fireworks.

Fireworks that are airborne, or which explode, or fragment are strictly prohibited. Examples of illegal fireworks include fire crackers, bottle rockets, cherry bombs, M-80's and Roman candles. There will be zero tolerance, those in violation will be cited and the fireworks will be confiscated.

Don't risk injury or fire, leave it up to the professionals. Please do not hesitate to call the Milliken Police Department if you have questions regarding fireworks (970) 587-2772 ext. 5012

**Thompson Rivers Parks & Recreation
320 Centennial Drive.**

You may drive through and volunteers will load a box of food in your vehicle. No one will be allowed to get out of their vehicles. Volunteers will maintain safe distance, wear masks and make sure everyone else stays safe while serving with a smile! If you have questions, please call Silvia Martinez at 970-660-5021.

Take the "Bite" out of Mosquitoes

The #1 thing you can do to reduce mosquitoes is to eliminate standing water. Mosquitoes go through four stages in their life cycle: egg, larvae, pupa and adult. All but the last stage occur in water. Without water, mosquitoes can't reproduce.
