### Town Update:

The Town of Milliken’s Board of Trustees will be reviewing a Draft of a new “Parks and Trails Master Plan” at their next meeting. This will be our Parks and Trails development tool for the next 5 years. Although Milliken has had plans in the past, this will be a more in depth and inclusive effort. GoMill (Great Outdoor Milliken Committee) has decided to go back to square one and work forward on this Master Plan. They are making great progress and really working hard to be inclusive of all the Town. They have come up with equipment designed for children of all ages along with equipment designed for seniors.

As we move forward developing our plan and, in an effort to do our best to get as much information from the community as possible, GoMill has set up a quick survey that we hope you will take the time to fill out. It’s only about 10 questions and could be answered in a few minutes, or you can give more feedback too if you wish. The survey asks you to rate different items in order of importance to you. Which parks do you think need the most attention and what should GoMill consider? Go to: [surveymonkey.com/r/7628HK](https://www.surveymonkey.com/r/7628HK).survey Or, visit the Town of Milliken Website or Facebook page to take our survey

“Go Mill” Park Advisory Commission is looking for people interested in improving Parks, Trails & Open Spaces. Meetings are at 5:00 pm, 1st & 3rd Thursdays at Town Hall. Tell your neighbors too, so we can get the best possible idea of what the Town would like to see.

The Milliken Housing Authority is a volunteer commission that works hand in hand with the Town of Milliken to help create more affordable housing in our community. We are currently recruiting new Commissioners. Our meetings are the 3rd Thursday each month, 8:30 am and is open to the public. Applications are available at Town Hall.

Happy St Patrick’s Day Tuesday, March 17th

## POLICE DEPARTMENT NEWS

With Spring comes tax season, with tax season comes the phone scams. Several Milliken residents have called to report receiving suspicious phone calls related to taxes and owing money to the IRS.

As a reminder, the IRS will never:

- \* Call to demand immediate payment over the phone, nor will the agency call about taxes owed without first having mailed you a bill (this is true even with the use of private debt collectors).
- \* Threaten to immediately bring in local police or other law-enforcement groups to have you arrested for not paying.
- \* Demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe.
- \* Require you to use a specific payment method for your taxes, such as a prepaid debit card, gift card or wire transfer.
- \* Ask for credit or debit card numbers over the phone. Don't engage or respond with scammers.
- \* If you receive a telephone call or message from someone claiming to be from the IRS, and you do or do not owe tax, or if you are immediately aware that it's a scam, do not call them back and do not give out any information. Just hang up.
- \* Call the IRS back at 1.800.829.1040 to find out more information. You can also call the Milliken Police Department and speak to an officer at (970) 587-2772.
