970-587-4331

Keep tree limbs and trimmings separate from trash.

They go to the Limb drop off area for \$10 per cubic yard.

Mulch available for \$10 per cubic yard.

The Town of Milliken requests that you have your meter pit uncovered, and free from obstructions such as landscaping and vehicles.

The Town Policy pertaining to meter pit maintenance reads as follows:

Section 13-2-440 Maintenance around meter pit.

It is the responsibility of the property owner to maintain the grade of the ground around the meter pit or vault servicing that property even with the top of the meter pit, and keep it free from debris, vegetation, vehicles or other obstacles which would impair the efficient reading and servicing of the meter. If such maintenance is not performed, the Town may provide the property owner a notice by first-class mail to complete the work. If the maintenance is not completed within thirty (30) days, the Town may complete the necessary work and add the actual cost to the monthly charges due, which shall be collected as the regular charges for water service. Meter pits are not allowed in gravel, paved or concrete driveways.

Any questions you have should be directed to Don Stonebrink, Water/Wastewater Director, at (970) 660-5029.
