2023 - AMC Extension Committee Membership

The following county commissioners represent their district on the AMC Extension Committee. They are appointed by their AMC District Directors in the spring or throughout the year, if a commissioner is no longer in office. All delegates and alternates are invited to committee meetings, which are held three times a year in conjunction with other AMC events.

Please note that the three-year terms are adjusted every year. If you wish to leave the committee or to confirm another three-year appointment, you should contact your AMC District Director.
