MONROE COUNTY
EQUALIZATION DEPARTMENT
51 South Macomb Street • Monroe, Michigan 48161-2168

April 9, 2020

TO: MONROE COUNTY BOARD OF COMMISSIONERS

Honorable Members;

The Equalization Department has analyzed and reviewed the final assessment rolls as certified and approved by the local Boards of Review in Monroe County. Equalization of the nineteen taxing units has been completed, using the 2020 recommended equalization ratios, which were published in February, for the starting base of the attached 2020 Equalization Report.

Real and Personal Property have been equalized separately in compliance with MCL 211.34 as amended. Following past procedures of Monroe County and State Tax Commission guidelines, any taxing unit with a ratio between 49 percent and 50 percent in real and personal property has been considered equalized as assessed. That is the case this year, where all units have achieved ratios between 49 percent and 50 percent in all classes of property and are recommended to be equalized as assessed.

In the past year, the Equalization Department completed a comprehensive equalization study, which was also audited by State Tax Commission staff. Appraisal studies were conducted in the agricultural, commercial, industrial and developmental classifications in all local units of government. Sales/assessment ratio studies were also completed in the residential classification for all units as well as in the commercial class for the City of Monroe. During 2019 this department processed and analyzed approximately 7,235 recorded deeds.

This year's Equalization Report reflecting the 2020 Equalized Value of \$7,783,657,346 is herein attached. The report shows an increase of \$320,060,994 over the 2019 Equalized Value. The Industrial Facilities Exemption roll for 2020, which is a specific tax and not a part of the ad valorem process or a part of the Equalization process, indicates an assessed value of \$57,386,496.

This department will also complete Headlee and Apportionment reports for 2020.

I, hereby, present this report for your approval.

Respectfully submitted,

Michael Woolford, MMAO (4)
Equalization Director
