

**MONROE COUNTY HEALTH DEPARTMENT
AFFIDAVIT FOR PERMIT TO CONSTRUCT
AN ALTERNATIVE WATER SUPPLY**

Drafted by – (Name and Address):

I (We) _____, the undersigned and owners of the parcel described as follows:

Legal Description:

(Street or Road)

(Township)

intend to build a single-family dwelling or install a hauled water system at an existing single-family dwelling and understand and agree to the following conditions regarding the installation and maintenance of an alternative water supply system at the above-described property.

- 1) *The owner acknowledges that the contemplated alternative water supply will only be deemed a safe source or approved if the holding water tank is operated and maintained according to the guidelines provided by the Monroe County Health Department*
- 2) *The owner agrees the dwelling will be immediately connected to an approved municipal water supply system when available;*
- 3) *The person (owner) understands and acknowledges that the County of Monroe and the Monroe County Health Department assumes no responsibility or liability related to a holding tank being a safe source of water storage with the granting of this variance. Accordingly, the owner agrees to indemnify and hold harmless the County of Monroe;*
- 4) *The owner agrees to advise all prospective buyers of this Affidavit by including it as a part of any Sales Agreement for the above-described property.*

The owner understands that failure to comply with the above agreement may result in the condemnation of the dwelling as unfit for human habitation and legal action as provided for in the Monroe County Sanitary Code.

This affidavit becomes void upon connection to an approved public on-site water supply system.
