

## **Time Travellers Program**

### **Field Trip Funds to Monroe County Museums and Historic Sites**

To encourage the direct engagement of Monroe County's students with the history of the communities they live in, the Monroe County Museum offers the Time Travellers Program which provides up to \$250 in field trip transportation funds to area educators and their classrooms. The funds allow students to visit and experience *Banner Oak School, Dundee Old Mill Museum, Monroe County Museum, River Raisin National Battlefield Park, River Raisin Territorial Park (Navarre-Anderson Trading Post), and the Vietnam Veterans Memorial and Museum.*

Limited funds are available each school year and are awarded only to schools located in Monroe County, Michigan. Funds are available to charter, private, and public schools that use in-house or hired transportation services. Funds may not be used to reimburse personal vehicles that accompany a field trip. Additionally, funds may not be used to cover admission or program fees.

The Time Travellers Program is made possible through the Monroe County Museum millage passed in 2012 and Friends of the Monroe County Museum through the support of DTE Energy, La-Z-Boy, and Monroe Bank and Trust.
