MONTGOMERY COUNTY

UNCLAIMED PROPERTY LISTING

During the 75th Legislative Session, Senate Bill 700 was introduced and subsequently passed effective September 1997. This legislation updated the Texas property Code by adding Chapter 76, requiring counties and municipalities to report and remit abandoned property valued at \$100 or less to the Treasurer of that county or municipality and also required each county and city to develop an unclaimed property program for reporting, delivery, public claims processing, enforcement, and accounting of this locally-reported abandoned property.

Beginning on the November 1, 1998 due date, the law required each county and municipal jurisdiction to file unclaimed property reports for the report year ending June 30, 1998. One report for property valued at \$100 or less must be sent to your County Treasurer. The second report for property valued at greater than \$100 must still be sent to the State Comptroller.

Unclaimed Property has been turned in to Montgomery County Treasurer, as per reporting restrictions above following person/company has money being held by the Montgomery County Treasurer.
