GENERAL INFORMATION: The purpose of this form is to reflect the amount of value lost for all property in a single school district in one county for which the collection of delinquent taxes is deferred under Tax Code Section 33.06 (residence homesteads owned by individuals age 65 or older or disabled) or Tax Code Section 33.065 (appreciating residence homesteads). The information is required to determine a deduction, if any, from taxable values for purposes of the Property Value Study pursuant to Government Code Section 403.302(d)(11) and (d)(12).

FILING INSTRUCTIONS: This form, including an account list as required in Section 3, is to be submitted to the Comptroller's Property Tax Assistance Division's Data Analysis Team (DAT) with:

- the *Electronic Appraisal Roll Submission Record Layout and Instructions Manual* (EARS data collection);
- a PVS Tax Rate Submission Spreadsheet when providing a copy of the certified annual appraisal roll pursuant to the self-report correction protest (SR protest); or
- a request for audit of a school district's taxable property values (audit request).

For additional information, consult Comptroller Rules 9.103, 9.3059(a) and 9.4308(h) or contact DAT at 800-252-9121 (press 2 and ask for DAT).

SECTION 3: Account List

This form must be accompanied by a list identifying each property (by county appraisal district (CAD) account number) that is located within the identified school district identified and for which delinquent property tax collection is deferred. For purposes of this form, the term property refers to each property account identified on the account list. A separate spreadsheet containing the required information may be attached rather than completing the chart below.

The account list – which identifies each property in the school district to which Tax Code Sections 33.06 or 33.065 apply – is to include the following information:

- the individual account number the appraisal district assigned to each property;
- the amount of school district taxes assessed on the property for the tax year;
- the amount of school district taxes paid, if any, on the property for the tax year; and
- the amount of school district taxes for the tax year for which collection has been deferred.

SECTION 3: Account List (concluded)

Account Number	Amount of Tax Assessed	Amount of Tax Paid	Amount of Unpaid Tax Deferred	
Totals	0.00	0.00	0.00	
	Item 1	Item 2	Item 3
