Fall is in the air and the Montgomery County 2019 tax statements are in the mail! A total of over 319,000 statements will be mailed this week according to Montgomery County Tax Assessor-Collector, Tammy McRae.

The Montgomery County Tax Office is pleased to offer numerous payment options including:

- Online using Credit/Debit Card
- By Phone 1-800-351-7929
- e-Check
- Pay in Person Using Credit/Debit Card at any of the 5 tax office locations
- Pay by Mail in the envelope provided

Skip the Line- Schedule an Appointment Online- this is an added feature for The Woodlands and Conroe offices. Simply go to the Tax Office website and select the time you would like to come into the office to make your payment.

“We are pleased to provide free e-Check services and low convenience fees to our taxpayers. The convenience fee charged by the vendor to pay by credit or debit card remains at 2.15%,” said McRae. Taxpayers may pay online by going to <http://mctotx.org> and select Property Tax or access their individual account by scanning the QR code on the statement with a smart device. Tax statements can also be downloaded from the website. Tax statements for properties paid through mortgage escrow accounts were sent to the requesting mortgage company. A printable version of the receipt is available online and paper receipts will be issued upon request.

Taxpayers are urged to contact the Tax Office if they have not received their tax statement by mid-November. “It is important that a property owner contact us if they do not receive their statement,” said McRae. **All payments, including metered mail, online bill pay and e-checks, must bear a USPS postmark or be received on or before January 31st. Depositing payments in a USPS collection box does not guarantee a postmark for that day and could result in the accrual of penalty and interest if done on or near a delinquency date.** Property taxes must be paid by January 31, 2020 to avoid incurring penalties and interest.
