

County Court at Law #3

Docket Information – Zoom Links

IMPORTANT NOTICE: The Court has resumed some “in person” hearings and trials in the CCL3 courtrooms, while other hearings will continue to be conducted in the “virtual courtroom” through internet video conferencing. **Check your *Notice of Hearing* or *Order to Appear* to verify whether your hearing will take place in the virtual courtroom (ZOOM video conference platform) or whether you should appear, in person, in the courtroom.**

If your case is set in the virtual courtroom, verify whether your case is on the docket of Presiding Judge McDonald or Associate Judge Tucker, so that you enter the correct court session. If you are uncertain if your case will be heard by Presiding Judge McDonald or Associate Judge Tucker, contact your attorney or court staff at ccl3@mctx.org or by calling 936-539-7973.
