

IN THE 418th DISTRICT COURT OF MONTGOMERY COUNTY, TEXAS JAN 03 2023

ORDER REGARDING PERSONS SEEKING CONSERVATORSHIP
IN FAMILY LAW CASES

Melisa Miller, District Clerk
Montgomery County, Texas
By 

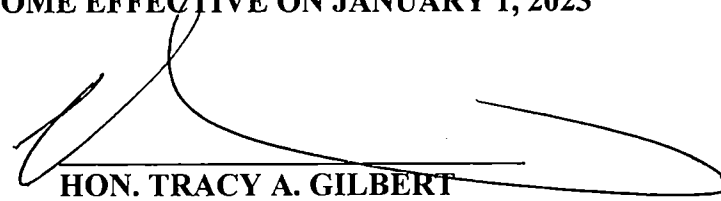

Pursuant to the inherent powers of the court and the powers granted by the Texas Family Code, this court finds that the best interest of the child(ren) of parties involved in original suits affecting the parent-child relationship or in suits to modify existing orders of conservatorship or possession requires that any person seeking to become a managing conservator (temporary or permanent) or seeking access to a child successfully complete a parent education and family stabilization course pursuant to §105.009 of the Texas Family Code. The parent education and family stabilization course required by this order shall comply with and meet all of the requirements of §105.009 of the Texas Family Code. This order applies to all persons seeking access to a child or seeking to become a managing or possessory conservator (whether sole, joint, temporary or permanent) in all original actions affecting the parent-child relationship or actions to modify existing orders brought under the Texas Family Code, except for actions brought solely for the purpose of enforcing existing court-ordered obligations or actions brought by a governmental agency.

A copy of this order shall be attached to any original petition and to each copy of such petition. At the time the petition is filed, if the filing party has failed to attach a copy of this order to the petition and any copy of the petition, the clerk shall ensure that a copy of this order is attached to the petition and every copy of the petition presented. Any person filing a waiver of citation or service shall provide a copy of this order to the person signing the waiver and shall execute and file a statement confirming compliance with this order.

All parties seeking access to a child or seeking to become a managing or possessory conservator (whether sole, joint, temporary or permanent) shall successfully complete a parent education and family stabilization course which complies with §105.009(i) of the Texas Family Code and timely file an original certificate of completion of such course with the court. The parent education and family stabilization course shall be successfully completed by the petitioner or movant within 60 days of filing of the original petition or motion, and by the respondent within 60 days of respondent's first appearance or the filing of an answer or waiver by the respondent.

A party's failure to successfully complete a parent education and family stabilization course pursuant to this order may result in the court not appointing the party as a managing conservator or in the court not granting specified periods of possession or access. Additionally, a judge may take appropriate action, including but not limited to holding the party in contempt of court, striking pleadings, or invoking any sanction provided by Rule 215 of the Texas Rules of Civil Procedure.

THIS ORDER REGARDING PERSONS SEEKING CONSERVATORSHIP IN FAMILY LAW CASES SHALL BECOME EFFECTIVE ON JANUARY 1, 2023
