In accordance with Local Government Code Chapter 352.061, all Fire and Life Safety Inspections in unincorporated Montgomery County must be performed by a Fire Inspector. All code reference has been taken from the current adopted editions of the International Fire Code and NFPA 101. The Montgomery County Fire Marshal's Office reserves the right to make any changes and correction for errors overlooked in the inspection process, and shall require the corrections of errors in construction documents, other data, or on-site installations.
