- Ability to be able to travel out of town (10% of the times) with occasional overnight stays

Primary Job Duties

- Inspect commercial, industrial, education and multi-family residential buildings for compliance with local, state and national regulations by inspecting and testing for proper installation and operation of fire protection systems.
- Review regulations, codes and ordinances for legislative changes and attending current training classes and seminars
- Conducting on-site inspections as well as plans reviews to include meeting builders and architects.
- Perform periodic and follow-up inspections of new and existing buildings, structures and installations requiring fire clearances, fire protection systems and fire alarms.
- May include conducting fire code inspections and seeking abatement of fire and life safety hazards in unincorporated Montgomery County.
- The inspector will also provide expert testimony during courtroom presentations for criminal and civil proceedings.
- This position is subject to 24 hour call out, and continuous duty assignment during times of natural disaster, hazards or civil unrest
- Respond to request, complaints and or in support of other government agencies.
- Any other duties as assigned by the Fire Marshal's management

After receiving a conditional offer of employment, applicant must pass a drug screen (1/2 cost = \$20.00, responsibility of applicant) and may need a physical agility test (1/2 cost = \$22.50, responsibility of applicant) before becoming an employee of Montgomery County.
