“The Tax Office is expanding the methods by which you can pay for your vehicle registration and property tax transactions,” stated Montgomery County Tax Assessor/Collector, Tammy McRae.

The Conroe office began accepting all major Credit/Debit cards for Point of Sale transactions on April 27, 2015. The branch locations will begin accepting them by May 11, 2015. Point of sale is the ability to pay in person using a credit or pinless debit card. Previously customers could only pay by credit card online.

“We are continuously searching for ways to improve efficiencies and convenience for the taxpayer,” said McRae.
