**Resolution No. 04-10
Being a Resolution of the Morristown City Council approving
certain Water Projects of the Morristown Utilities Commission.**

WHEREAS, The Morristown Utilities Commission is about to begin or has begun construction of a twenty four thousand lineal foot sixteen inch diameter water transmission line along Sulphur Springs Road and Fernwood Church Road beginning at Lincoln Avenue and ending at the T.V.A. electric transmission line crossing Fernwood Church Road; and

WHEREAS, the primary purpose of the project is to supply adequate water to one of the City's Industrial Parks, namely the East Tennessee Progress Center, whose water supply is insufficient for the needs of a developed industrial park. The current method of supply uses the Witt Utility District's water mains and system hydraulics, which are inadequate for the park; and

WHEREAS, the current method entails the City's water system selling water to

the Witt Utility District and purchasing back the same water, while paying a transmission charge to the Witt System.

NOW, THEREFORE, be it Resolved by the City Council for the City of Morristown that the Council hereby approves and ratifies the action of the Utilities Commission and the described project in all respects.

Passed in regular session of City Council this 16th day of February, 2010.
