The subject parcel meets the conditions to be annexed as it is located within Morristown's Urban Growth Boundary.

The City of Morristown

Community Development & Planning

TO: Morristown City Council
FROM: Josh Cole, Planner 
DATE: May 18th, 2021
SUBJECT: Highway 25-E/Dalton Ford Road Rezoning from R2 to R3

BACKGROUND:

This is a request from Mr. T. Clint Harrison, the agent for the applicant and property owner, to rezone a parcel located at the southeastern intersection of Highway 25-E and Dalton Ford Road from R2, Medium Density Residential, to R3, High Density Residential. This property was originally annexed into the city in 1976 with what was formerly the Appalachian Highway.

This request is in conjunction with the annexation request that is also on City Council's agenda. The applicant has indicated that they wish to utilize this parcel and the portion that is to be annexed for a single-family residential development and would like to utilize the R3 district to provide more flexibility in the development of their proposed subdivision.

The requested parcel is approximately 6.14 acres in size and is vacant. It contains vacant land to the east and south, Highway 25-E to the west, and primarily single-family residences to the north across Dalton Ford Road.

Prior to any development on this site, the developer will have to submit a plan/plat that meets all city requirements.

The City of Morristown

Community Development & Planning

RECOMMENDATION:

Per TDOT, Highway 25-E is a major corridor in the city and the daily traffic counts near this parcel was 25,384 in 2018 which makes it suitable for high intensity development such as a high-density residential development. Thus, staff recommends approval of this rezoning request to R3 and Planning Commission voted in support of this request at their May monthly meeting by a 9-0 vote.

RE: Disciplinary Action

I am requesting confirmation of the disciplinary action of a Driver/Engineer. I am making this request based upon the result of a City Drug Screen. The Driver/Engineer will receive a 3 Shift (72 Hour) suspension. He will be on probation for 12 months, and subject to monthly drug screenings.

If you have questions or would like additional details, please contact me.

Thank you.
